

Investments That Will Pay 33 1/3 To 50 Per Cent On Every Dollar You Spend!

A return of One-Third to One-Half on your money is all anybody can ask of any investment. That's the kind of an investment we offer you here in this Tremendous Clothing Stock. Sometime within the next twelve months you'll have to buy merchandise of the same character being sold now at this Bankrupt Sale—but if you are a careful investor, you'll figure out those needs now and save from 33-1-3 to 50 per cent over what you will have to pay later.

You buy standard, nationally known merchandise at One-Third to a Half less than regular prices. You buy any item in the entire stock at COST and LESS THAN COST. In other words, the savings you can make here represent a greater return to you than you can possibly make any other way! Due to the size of these combined stocks practically all lines and sizes are still complete in spite of the hundreds who have sought bargains here and have found them. Come now!

That Is What This Sale Means To You
