

Now They Play Pushball in Flivvers

It is auto pushball now. The game, in its new form, is especially popular in the northwest. There is a spirited game in progress. The "mounds" are flivvers stripped for action. And note the "rear guards."

SCHOOL MEN QUIT POSTS

JOSEPH, Ore. (Special to the Observer).—The school taught another year the past week when both Wilfred and Clarence Davies tendered their resignations to the school board, stating a local newspaper. While it was not altogether unexpected that Wilfred would resign, the board was surprised when Clarence also handed in his resignation.

Since the opening of school there had been disagreements of one kind and another between the high school students and Clarence Davies. Mr. Davies as principal invited upon a decision that meant something more than merely placing the students. This policy was not taken cheerfully by the students and a spirit of mutiny developed. This spirit reached a high point when the principal engaged in a controversy with two high school students over their smoking on the high school grounds. This matter was settled and school work was progressing nicely when trouble broke out in the eighth grade, involving Wilfred Davies in an assault charge.

As stated last week, the board gave Wilfred Davies a hearing. The findings of the hearing were under consideration by the board members when the Davies brothers tendered their resignations.

The two men went to the school building after resigning, dismissed their classes for the day and set about fixing up their reports. The suddenness of their decision to quit upset the teaching force to some extent. Supt. Campbell left Thursday for Moscow, Idaho, to find teachers to fill the vacancies but was unsuccessful. Teachers were to be paid but not at the salaries offered in Joseph. Mr. Campbell returned Sunday evening.

While the events leading up to the resignation of the Davies brothers and their final action

are most regrettable, the school principal and an instructor board was very fortunate in securing as high school principal for the balance of the year Mr. H. M. Dubois, former superintendent of the Enterprise schools. Mr. Dubois had practically resigned from the profession and had engaged in another line of work. The members of the two towns make it possible for him to continue in that line and at the same time do the principal's work in the Joseph school. His ability is Need help? Read the Want Ads.

WASHINGTON U WILL NOT PLAY IDAHO VANDALS

SEATTLE (AP).—Coach Matthews of the University of Idaho, Friday challenged the University of Washington football team to a post-season game in Seattle December 6, Darwin Meisner, graduate manager of the Associated Students at the University of Washington, announced.

"We are going to try to schedule a game with Idaho next season," he said. "A contest between the Huskies and Vandals would not be feasible at this time."

Negotiations for a contest December 6, however, are being carried on, invitations being sent to several eastern teams. A reply favoring a game has been received from Penn State.

PELICANS HEAD SOUTH

KLAMATH FALLS, Ore. — A sure sign of approaching winter came when thousands of white pelicans from upper Klamath lake gathered over Klamath Falls and commenced their annual winter migration to Mexico and South America. The large birds circled above the city for several hours, then headed south in great convays similar to wild geese.

The pelicans return here in the early spring and thrive and mature throughout the summer. Lower Klamath lake, which has been drained for several years, was a favorite resting ground for pelicans in years past, and will again be flooded according to recent government orders, and set aside as a sanctuary bird preserve.

MARULLO DEFEATS SIKI

NEW YORK (AP).—Antonio (Young) Marullo of New Orleans won a judges' decision over Estling Siki, Songklan, heavyweight, in a 12-round match at Madison Square Garden Friday night. The decision was unpopular with the crowd which voiced its opinion in a wild demonstration. Siki weighed 175, Marullo 165 1/2.

SPALIA POSTS GUARANTEE

MILAN (AP).—Ermino Spalia, Italian heavyweight, deposited 200 lire as a guarantee of the authenticity of his challenge to fight Jack Dempsey for the world's heavyweight championship.

mainly of forward passing and end runs, was irresistible. In the first half the home team scored 51 points, playing in eight inches of snow. Before the beginning of the second half, it was agreed that the play be 20 minutes in length instead of 30, and Wallowa scored 52 more points in the shortened last half.

Coach Regale, speaking of the game, stated that Wallowa high's interference was the best he had ever seen among high school teams.

The entire Wallowa team played excellent ball but the playing of Captain Greer, Clifford Johnson, Baird and Hennecke stood out. Correll was North Powder's best man.

Wallowa plays Enterprise November 22. Past scores include: Wallowa 103, North Powder 0; Wallowa 26, Union 0; Wallowa 12, La Grande 0; Wallowa 24, Joseph 0.

SPENDTHRIFT WINS DERRY

DERRY, England (By the Associated Press).—The Earl of Derby took first and second place in the Derby cup race of 1200 pounds run here Friday. The winner was his Spendthrift, by Chaucer, out of Rothsay Bay, while Highrow took second money. Cloud Bank, owned by James White, was third. Twelve horses ran.

GARTIN TO MEET AUERBACH

SALT LAKE (AP).—Teddy Gartin, Denver middleweight boxer, who last week knocked out Virgil Sparks of Pocatello, all four rounds, has been matched to fight Herman Auerbach of Salt Lake in six rounds here next Monday night.

WALLOWA WIN CRUSHING ONE

WALLOWA, Ore. (Special to the Observer).—A tornado, in the form of eleven Wallowa high school football players, enveloped the football field here yesterday, swirling past and hurling back Coach Regale's North Powder progress for what will probably be the worst defeat any team suffers in Eastern Oregon this year. The final score was Wallowa 103, North Powder 0.

The game came as sugar to the Wallowa team which has not been defeated this year, and with wins over La Grande, Union, Joseph and other teams, is well along the way to claim the eastern Oregon championship. Only the Enterprise game remains and if the Wallowans can surmount this obstacle, the field is cleared for their claim.

North Powder came here with a string of victories and but two defeats on her slate. She won from Prairie City 13 to 0, Union 44 to 0, and defeated other teams. Two games lost went by the boards 7 to 0 at Union and 25 to 0 at Halfway.

United Evangelistic Campaign BEGINS SUNDAY NIGHT

WHERE?

These meetings will be held in the First Methodist Episcopal church, corner Spring and Fourth, on Sunday evenings, beginning at 7:30 and on all week day evenings except Saturday—when there will be no meetings—in the Baptist church, corner Spring and Sixth streets. These churches are centrally located and of easy access to the community. Seating capacity is comfortable.

WHY?

During the past few days we have discussed in these spaces some of the reasons why a united Evangelistic campaign is timely and needed in La Grande. Briefly we reiterate them: 1. No city can be commercially where it should be until its Churches are well patronized and the Spirit of Christianity is practiced Socially and Commercially—until men employed and men who employ; everybody—assume their share of church responsibility and lives according to their highest ideals. 2. No individual can be permanently happy without Christianity.

HOW?

The method of conducting these services is of the Home Forces type. These Ministers and laymen are not inclined to the belief that an outside, sensational high-priced revivalist is needed. The local members of the Ministerial Association will conduct the services, and the speaker for each evening will not be announced in advance. Our own pastors are fully capable of conducting these services with the aim in view of bettering La Grande as a place to live; of improving the state of happiness of our men, women and children.

There will be no vaudeville—nothing said or nothing done except that which will lead to the ultimate goal along dignified ways. There will be special music each evening. One pastor will have exclusive charge of the music and will direct the congregational singing. Interesting, cheering, inspiring music for each program. We believe this policy will meet with general approval; we believe our own forces can conduct this program in a more lasting-good manner than any high-priced revivalist we might bring for the occasion.

The Churches Co-operating

The Member Churches of the Ministerial Association cooperating and united in these services are: Rev. Elmer Grant Keith (president), First Methodist Episcopal; Rev. Wm. F. Holl (vice president), English Lutheran; Rev. George Albert Pollard (secretary), First Baptist church; Rev. William Crosby Ross, First Presbyterian church; Rev. Bert A. Powell, Methodist Episcopal church, South; Rev. S. W. Creasy, St. Peters Episcopal church; Rev. O. W. Jones, First Christian church; Rev. Hall K. Wallis, Island City Community church; Adj. Chas. A. Peterson, Salvation Army.

The Laymen's Committee

The Committee of 50 laymen selected at random from the various Member Churches who are co-directors with the Ministerial Association on a 50-50 basis are: S. C. Smith, R. E. Bradford, Mrs. F. Jensen, Fred Jussmann, Mrs. Andrew Anderson, Mrs. Harriet MacDonald, L. S. Welch, Mrs. R. A. Haglund, R. A. Eames, Joseph Ward, Neil Nelson, E. A. Endig, W. B. Pickens, J. J. Hawley, Mrs. W. N.
