UMBROGLID WON BY 'BACK' TEAM

A basketball game which was very close, between the Umbroglid and the Back teams, was played at the gymnasium last night. The Umbroglid team won by a score of 15 to 14.

At least they called it basketball. The game was played at the gymnasium last night. The Umbroglid team won by a score of 15 to 14.

Aside from this the two games had nothing whatever in common. Anything was not night and the rules if they were any more have been "tough as iron."

Silver Platters of Duke Tipped Scales at Ten Tons

LONDON (AP).—A number of pieces of solid silver plate, part of the treasure of the Duke of Cumberland, have been placed on show in a London saleroom. It is said that the Duke was at one time equipped with enough silver to serve 1000 guests without duplication of pieces, and that the collection included 3000 solid silver dinner plates. The total weight of the silver was estimated at 10 tons.

Almost all of the treasure was English made, and was inherited by the Duke from his Hanoverian ancestors. Many of the pieces are counterparts of others that form a collection at Windsor Castle.

New German Oil Sold Under Written Guarantee Rubs Out Rheumatism

A remarkable new discovery of German Chemistry, called Rubin Oil, for the relief of Rheumatism, Gout and Neuritis, is now reaching the market. This marvelous oil seems to kill rheumatic pain just as effectively as the other German pain killers—Nurophen or painless medicine and Aspirin for headache pain.

Rheumatism in very many cases is due to internal changes (known as blood poisoning) in the blood, which give off poisons, and which are carried in the blood to the joints and muscles. Rubin Oil when applied to the affected parts seems to quickly penetrate and be absorbed by the body tissues. Even in the most severe and stubborn cases almost instant relief has been obtained.

So remarkable have been the results from the use of Rubin Oil that the manufacturers have written a guarantee to the effect: "If you do not get relief from the use of Rubin Oil, we will refund your money." This guarantee is written in plain English and is a guarantee of the effectiveness of the oil. For more information, write to the manufacturers, Rubin Oil Co., 1000 Broadway, New York, N. Y.

HUDSON CLOSED CARS COST LESS THAN OTHERS NOW

Auto prices are definitely fixed at less than those of other cars in the reduction on all closed cars announced by the Hudson Motor Car Company.

The steps for this move were taken last night when the Hudson cars were closed at the Hudson Motor Car Company.

This move was considered a sensation in the industry. The proposition of closed cars in the Hudson business, already a

new move.

As the volume of closed business increased further, a reduction was possible which brought the Hudson cars actually below the other cars in cost. Now has come the move which brings the price of both Hudson and other cars below those of open cars, and at least any previous standard of closed car prices in the automobile industry.

"With everything and even a new car now," said E. L. Lathrop, Hudson-Knox dealer, "it is the prediction that closed cars are to be the standard of the future. Naturally the closed
