GAME MEETING SET TONIGHT

Sportmen of Malheur, Baker, Uniontown, Wallawa and Union counties will be present at a banquet to be given by the Wing, Fish and Game club at the Elmer Hotel this evening.

A discussion of amendments and changes in the game laws will be held and suggestions as to legislative legislation for the protection of the wild life of Eastern Oregon will be taken up at the meeting and resolutions passed to be presented at the next session of the state legislature.

Among other things concerning the length of the season for fish and for deer will probably be discussed and a general trimming of the bag limits on both game and fish is anticipated.

Stoning, Insulting of Visiting Athletes Is Deplored by Journals

BUENOS AIRES (AP)—Argentine and Uruguayan newspapers have been severely lecturing spectators at football games for their lack of sportsmanship in the treatment of visiting teams from other countries. Throwing bottles and stones at the opposing players, jeering them, calling them and their country names, are not calculated to enhance international friendship, they point out, and

some editors in both countries favor the discontinuance of international contests on account of the ill-feeling they arouse.

The discussion was provoked by occurrences at recent games between the Uruguayan Olympic team and the Argentine eleven in Montevideo and Buenos Aires respectively. Stones are reported to have been thrown at the Argentine goal keeper in Montevideo, while in Buenos Aires the visiting Uruguayan fans walked off the field shortly before the end of the game, blaming the ill-treatment received by their players from the Argentine crowd was responsible for their failure to win. The Uruguayan resentment was further aroused when the boat on which they returned to Montevideo was tormented by bumps or roars when it left the pier.

PITTSBURGH BUYS PITCHER PITTSBURGH (AP)—The Pittsburgh National league club Saturday night announced the purchase of Louis Kueper, a right-handed pitcher, from the Omaha club of the Western league. In addition to each consideration the release to the Omaha club of Robert Burns a pitcher, under option that year with the Williamsport club of the New York-Pennsylvania league, figured in the deal.

WANTS HIGH COMING WEST TOLEDO, Ohio (AP)—Wants high school football champions of the national scholastic championship, left here Sunday for Portland, Ore., where Lincoln high will meet in a post-season game next Saturday. AUTO CLASSIC LYMAN MEMBER WON BY HILL OF NEW 'FRAT'

CULVER CITY, Calif. (By the Associated Press)—Tommy Hill, driving his car at an average speed of 129.9 miles an hour, won the 250-mile race under the auspices of the Automobile Automobile Association here Sunday, although he collating the distance in one hour, 54 minutes, 12 3/4 seconds.

Harry Hariz was second, Tommy Milton third, Fred Corner fourth and William F. Shattuck fifth.

Hill shattered the 250-mile average, 118-17 miles, made by Tommy Milton at Charlotte, N. C., last year. Hill and Milton made no stops.

Though Hill took first honors in Sunday's race, the result of the speed contest was to put the 1924 American Automobile Association championship into the hands of Jimmy Murphy, killed a few months ago at Syracuse, N. Y.

Harry Hariz's feat in losing out Milton for second place after having been forced to drop his car several times in the pits for a tire change, was the sensation of the race. With a terrific burst of speed averaging around 132 miles an hour, the handicapped driver thrust back the mile with only 200 still to go, until in the last quarter he overtook and surpassed post Milton.

TWO UNDEFEATED TEAMS WILL MEET NEW YEAR'S DAY

NEW YORK (AP)—For the first time in many years undefeated teams, which have played representative schedules in their sections of the country, will meet in a post-season game New Year's day in California. The meeting of two of these teams, the University of California and the University of Pennsylvania, will be unlike many of the Pacific coast post-season games in the past, inasmuch as teams meeting in former years, while undefeated, have not always played through a difficult schedule.

The game will settle somewhat the sectional championship as each team has been ranked among the leaders in the east and west. California, undefeated since 1919, when Washington State defeated it, 14-6, will make a great effort to continue its record. Pennsylvania, with the best team since 1908, will strive to uphold the honor of eastern football, several times awarded in the east by western eleven.
