TURKEY SHOOT DUE TOMORROW

It is thought that the crisp weather may bring added zest to the Christmas turkey shoot which is to be held by the Wing, Fin and Fleetfoot club at the trap grounds near Lone Pine tomorrow morning. All sorts of prizes are on consideration. Turkey dishes, goose, beef—in fact anything that may hold the center of attention at a Christmas dinner.

All arrangements are being made by the committee to insure the success of the shoot. Hot lunch will be served on the grounds at noon, a fire for warmth while waiting will be maintained, and in fact everything is being done for the comfort of the spectators and contestants.

Idle Flock to Coos Bay

NORTH BEND, Ore.—Much dissatisfaction and annoyance is apparent these days due to the actions of a certain employment agency in Omaha. It seems that to collect a fee of \$2, this agency is advertising boldly that Coos Bay, Ore., is hungry for men, and is paying high wages for ordinary labor in the woods and mills.

The fact is that many idle men are eager to accept the opportunity to see the great west and are willing for this luscious. The result is the "paranoid" cause of comfort in this section. So many men have been coming in of late that the towns and camps are overrun, and many are unable to meet their bills.

Rushlight Wins Point.

SALEM, Ore.—Governor Pierce signed the election certificate of A. G. Rushlight of Portland, one of the successful candidates for representative in the legislature from Multnomah county at the general election. The certificate was signed by the executive in compliance with a legal opinion prepared by the attorney general.

The governor previously had refused to sign the certificate pending an investigation as to the legality of Mr. Rushlight's election.

Salem Club Elects.

SALEM, Ore.—C. H. Robertson has been elected president of the Inland Country club, one of Salem's recreation centers, for the ensuing year. Other officers are Fred A. Williams, vice president; W. H. Hargreaves, secretary; William K. Wallum, treasurer, and F. D. Thelsson, director.

CLAUDE C. PRATT

When business lags, as well in this extremely cold weather, we are convinced that the price has something to do with it. A truck load of shingles went to Union yesterday, besides we had all the local orders we could take care of. We always sell cheaper when you buy your own material.

We have some 150 rough fencing lumber left for \$17.00 per M. When you want to save big money this is the stopping place.
