"A Good Place to Trade"

TIGER BASKETEERS VICTORIOUS

Prospects for a winning basketball team seemed much better last evening when the high school squad defeated a strong alumni quintet by the score of 25 to 24.

The game was fairly fast but was marred by many fumbles and a considerable amount of rough work both by the alumni and the high school players.

The lineup for the high school, Hunnicut at center, Steward and Drummond at forwards and Glass and Larison at guards which started the game proved the strongest combination although Zundel and Lyman teamed well at forward and Kerr later played a good game at guard.

The principal weaknesses in the high school players were in the ability to get the ball away rapidly and accurately and lack of goals from the management of the Cubs

ing baskets count on the short shots.

The alumni had a good team on the floor which had been expected to win before the start of the game. For the alumni Stager started at center, Metcalf and Gerig guards and Price and Lynch forwards. Frank Black referred.

CHICAGO, (AP)—The memorial to Frank Chance, late manager of the Chicago White Sox, to be erected in the Cubs' park, will be a tablet, President Veeck of the Cubs said Friday night, after completing examination of all designs submitted. The memorial to Chance, who gained baseball fame as the "Peerless Leader" during the years he managed the Cubs, will be a tribute from the management of the Cubs

"Kid" Kaplan Is New Featherweight Champ

Danny Kramer Stopped in Ninth Round of Hectic Brawl at New York

NEW YORK (By the Associated Press).—Louis "Kid" Kaplan of Meriden, Conn., won the world featherweight championship in Madison Square Garden Friday night by scoring a technical knockout in the ninth round of a 15-round title match with Danny Kramer of Philadelphia.

The end came after one minute and 11 seconds of fighting in the ninth round, when Max Hoff, Kramer's manager, tossed in the towel to save Kramer from further punishment. The Philadelphia southpaw was battered into complete submission by the Meriden boy, but gamely stayed on his feet in the face of Kaplan's relentless attack.

Kaplan will be recognized as world's featherweight champion by the New York athletic commission by virtue of his victory. The commission ruled that the winner of the elimination tournament would be the world's champion inasmuch as Johnny Dundee, former champion, returned the title of the commission to award it to the winner of this tournament.

Kaplan Uses Old Tactics.

Kaplan used the same tactics he employed in his previous bouts of the tournament, rushing in with a tattooing left and a flashing right that bore down his opponent for seven rounds of the battle. After the second round there was little doubt about the outcome, for Kramer appeared unable to get his much touted left into action with the New Englander "buzz saw" whirling and cutting his man to pieces.

Until the virtual knockout in the ninth, it was all one way with the New Englander pummeling away, seemingly unable to down his man. Kramer's right eye was swollen and his face smeared with blood as he struggled to retain his footing. He accepted a terrific beating until his manager threw in the towel in the ninth.

After Kramer left the ring, it was learned that his nose had been broken and there were several cuts on his head.

Kaplan just managed to scale down to the featherweight limit of 126 pounds while Kramer, a natural featherweight, entered the ring at 125.

Kaplan is a native of Russia. He is 23 years old and has been fighting for the past six years. He ran away from his Russian home at the age of 11 and came to this country to seek his fortune.

Johnny Dundee, who surrendered the featherweight boxing crown, is reported to have cabled from Italy his intention of giving battle to his successor. Dundee at the time he gave up the title, insisted he was unable to make the weight again.

Sport Gossip

The Cincinnati Reds Appear to have only six regulars around whom to build a baseball team for the 1925 race in the National league. Burns and Duncan have disappeared from the outfield, Jake Daubert is dead, and Cavency and Bohne have been waived out of the league, although they still remain on the club's roster. Luque, Rixey and Sheehan will do the pitching, Bubbles Hargrave will catch. Babe Pinelli will play third base and Eddie Roush will appear in the outfield. There are several vacancies.

ROCKNE BUCKS AT BEAR GAME

PASADENA, Calif. (By the Associated Press) — Knute Rockne, coach of the Notre Dame football team, late Friday issued the word that killed all chances of a meeting between his eleven and the University of California team here.

Rockne, who has been considering all day the proposal advanced by alumni of both institutions, said his team had received a severe battering in the New Year's day clash with Stanford.

Harry Stuhldreher, quarterback, is in the Pasadena hospital with a broken ankle [illegible] a cast; Joe Bach has a strained vertebrae, and Bill Cerney has two fractured ribs. The latter two players are not in the hospital. These injuries, said the coach, would greatly weaken his team.

Moreover, he added, his men were scheduled to resume their studies at Notre Dame January 5.

Finally, if it were possible to arrange a game with the Golden Bears, he declared, the contest would be played in the Berkeley stadium and not in Los Angeles.

The Rockne men leave Saturday for San Francisco.

Easy to Tune the HEACOCK Radiophone

It is the easiest radio to tune on the market today. A slight turn of the dial and the result is startling. Perhaps the second sketch in this advertisement might seem overdrawn but operators of one of our radio sets have heard stations as far away as Havana, Cuba.

The Heacock Radiophone is as near perfection as they can be made at the present time. O. M. Heacock, who has over 15 years experimental experience, personally supervises their construction and many features that make it so perfect, are his own design. You must hear one to appreciate its value. Call us for a demonstration today.

We also handle other standard makes of radio.

Prices range from $30 to $300.

A Great Success for Chrysler

One year has elapsed since the Chrysler Six was first introduced to the American public. In the span of that year, the Chrysler has grown from a mere name to a success the like of which has never been known before.

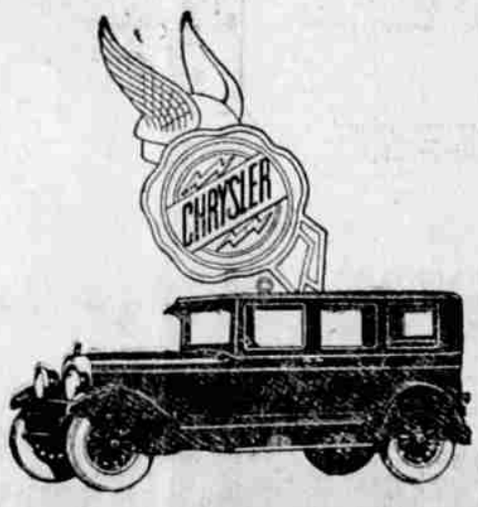
One year ago, Walter P. Chrysler promised a car that would yield new and revolutionary results. Since then, the Chrysler has more than redeemed its pledge.

In compactness and beauty of design, in quickness of response and flexibility of performance, in economy and facility of operation, in power and in stamina, it has satisfied the long-cherished wants of a critical motoring public.

$50,000,000 and upwards has been paid by Chrysler-wild American motor car buyers for the privilege of enjoying these revolutionary results. 32,000 cars have been built and shipped in an effort to fill the demand.

It is therefore fitting that Monday, January 5th, the Chrysler's first birthday, should be a day of celebration—for the Chrysler organization because of the unparalleled success attained in one year's time—for owners and admirers because of the Chrysler's revolutionary achievements.

You are cordially invited to attend our birthday party.



The Touring Car, $1395; The Phaeton, $1495; The Roadster, $1625; The Sedan, $1825; The Brougham, $1965; The Imperial, $2065; The Crown Imperial, $2195; The Royal Coupe, $1895. All prices f. o. b. Detroit subject to current government tax.

We are pleased to extend the convenience of time-payments. Ask about Chrysler's attractive plan. Dealers everywhere.
