Fashion Notes New York.—A real cheap skate is not possible if one wears one of the new bright colored suede leather skating suits, but their comfort and attractiveness amply compensate for what they cost. They are as supple as silk and as richly colored.

WHO IS YOUR SKINNY FRIEND, ETHEL?

Tell him to take Cod Liver Oil for a couple of months and get enough good healthy flesh on his bones to look like a real man. Tell him in the only way to "take those grave-like hollows from his cheeks and neck." Tell him he won't have to swallow the nasty oil with the nauseating fishy taste, because the McCoy Laboratories, of New York, are now putting up Cod Liver Oil in sugar coated tablet form.

Ask for McCoy's Cod Liver Oil Compound Tablets, Red Cross Drug Co., Glass House, Inc., 1 & 2 L. Street Co., and every drug store worthy of the name sells them—50 tablets—50 cents. Any man or woman can put on five pounds of healthy flesh in 20 days or your druggist will willingly refund the purchase price. One woman put on 15 pounds in six weeks. Children grow robust and strong. "Ethel and her mother" tell you in a few weeks "the way to get skinniness" is the original and genuine Cod Liver Oil Compound Tablets. —Ad.

ed, yet are warm and windproof.

New York.—Don't poke fun at the poke hat. The chances are you will be wearing one before spring has far advanced. For the poke shapes are especially popular for Southern wear at present along with the cape lines, turbans and small peaked hats.

New York.—Earth, sky and sea and the waters under the sea are called upon to provide winter resort frocks, but when all is said and done, the frocks selected with best taste usually employ white and some simple variation of the ordinary shades.

HAMBURG HUMORIST PLAYS SO FAVORITES

HAMBURG (AP) — A column conductor on the Hamburg Correspondent has compiled a number of opinions about the salient characteristics of men of different nationalities. Here are some of them: "One American is a silent drinker. Two organize a limited company, and three enact the prohibition of alcohol."

"One Englishman is an eccentric creature. Two organize an athletic contest, and three make a great nation."

"One German is a peasant. Two found a brewery, and three make war."

"One Italian is a syndicalist. Two make a love tragedy, and three march against Rome."

"One Russian represents a variety of political parties."

Thinking you know is never as important as knowing you think.

The most dangerous word in this language of ours is "yes."
