SEXTET LOSER TO WALLOWA GIRLS 22-20

Enterprise Team to Play Tiger Squad in High School Gymnasium To-night.

The La Grande girls' basketball team ran into hard luck at Wallowa last evening in their second tilt with the girls up the branch line and when the smoke of battle cleared away the score stood 20 to 22 in favor of Wallowa.

The Wallowa team played much better ball in all departments than it did here recently and coupled with a strange floor proved too much for the local sextette. One bit of hard luck which was thought to have weakened La Grande's chances considerably was the disqualification of Miss Goldie Owens star center, by the referee in the third quarter of the game.

The entire squad of 12 girls made the trip accompanied by a number of rooters. The lineup for the game was the same as the one which started in La Grande in the first game between the two teams with Goldie Owens and Ann Stange centers, Lois Nelson and Othello Grey, guards, and Wilma Gaskill and Lena Campbell, forwards. Phyllis Scranton, Mildren Courtney, Marjorie Reynolds and Thelma Brown played a portion of the game.

Play Enterprise Tonight.

The boys' game with Enterprise is scheduled to start at 7:30 this evening. The game is expected to keep the local boys with their hands full for the whole distance. Enterprise has the same team as last year and with the addition of a year's experience should offer some real opposition.

The game this evening will be the first game for the new lineup with Glass and Lyman, forwards, Hummell and Zudel, guards, and Cummins, center, with Steward as first reserve.

GIBBONS ASKS $75,000 TO BOX FIRPO IN LONDON

NEW YORK (AP)—Tom Gibbons, St. Paul heavyweight, Thursday demanded a flat guarantee of not less than $75,000 with an additional $8000 for expenses to box Luis Angel Firpo under the auspices of the National Sporing club in London.

Gibbons' demands were contained in a telegram sent from Chicago by his manager, Eddie Kane, to Thomas S. Rice, newspaper man, who as American representative of the London promoter, offers Gibbons a guarantee of approximately $60,000 for a bout with Firpo.

Firpo, now in Europe, already has accepted $40,000 as his share for the prospective battle.

Rice will communicate with the London promoters before replying to Kane's demands.

Serious Lung Trouble Starts With Coughing

Physicians warn against neglecting coughs and colds and tell of the serious lung complications that may result. Leading physicians now prescribe BALSAMEA for all bronchial affections. BALSAMEA is a pure vegetable preparation made from a newly discovered plant. Dr. Benj. F. Crabtree, Anderson, Mo., writes: "I use it exclusively for my practice and my family. It is quick, sure and safe in its action like nothing else."

Toward the end of the influenza epidemic a government physician noticed that a tribe of Indians in Nevada, by the use of oils from a native plant were immune from the ravages of influenza. He used these oils among his white patients and then in a hospital overflowing with "death" cases. News of the results swept the world and for some time it was not possible to supply the demand.

BALSAMEA has now been standardized and gives uniformly miraculous results in four ways: 1. It soothes the inflamed membranes and relieves irritation. 2. It increases secretion of mucous and permits easy expectoration. 3. It stimulates pores of the skin in throwing off body poisons and 4. It strikes at the cause, checking germ action immediately.

Do not confuse it with ordinary balsam cough syrups that are only soothing syrups and do not go to the base of the trouble. Unlike other cough remedies BALSAMEA is free from coal tar and other harmful narcotics. Pleasant to take and absolutely safe to give to children.

Be sure you get BAL-SA-ME-A with the picture of the Indian on the package. Guaranteed to relieve any cough, no matter from what cause, or your money back. All druggists sell BALSAMEA.

In La Grande buy it from Glass Drugs, Inc.

Political Prisoners to Have More Privileges

PRAGUE (AP).—An important change, affecting political prisoners, is to be introduced in the Czechoslovakian prison system. It will give these offenders many more privileges than are enjoyed by prisoners of other classes.

It is intended to provide the purely political prisoners with more comforts than are enjoyed by the common criminals. The former will not be required to do the ordinary work of prisoners. They will be given opportunity to read and write and follow other pursuits practicable with their imprisonment.

Provision also will be made that the original punishment meted out to political prisoners will not be increased by compulsory fasting and solitary and dark confinement.

HERE'S A REAL PRESCRIPTION FOR THE TORTURING PAINS OF NEURITIS

When you've tried everything you can think of and nothing seems to even relieve those piercing, agonizing pains, just go to Red Cross Drug Co. or some other good druggist and get a bottle of Allenrhu Special Formula No. 2. Be sure you get No. 2 which comes in capsule form, for the liquid form is a special preparation for Rheumatism only.

Take these little dark green capsules as directed and notice how in about 24 hours they have considerably reduced, if not entirely banished, those persistent, nerve racking pains that have caused you many sleepless nights. A few more doses and the pains have left you forever.

While this particular formula was compounded for the purpose of conquering painful, Gouty conditions and what is known as Rheumatoid Arthritis—a knotty, painful swelling of the joints—it has proven wonderfully successful in all forms of Neuritis and Sciatic Nerve Pains.

You needn't be afraid of its containing dope of any kind—it doesn't. Such things are only makeshifts and can only at the best give temporary relief.

Be sure you've got Neuritis and then get Allenrhu Special Formula No. 2. Your pains will be gone before you know it. (Mail orders accepted).—Adv.

27 YEARS AGO

Daily Morning Observer, January 15, 1898.—School Superintendent E. Reynolds spent yesterday at Elgin.

J. L. McKinnis, the Summerville farmer and Alliance Millman, arrived in the city yesterday on the Elgin train.

The sleighing is good about Summerville and some people are gliding along the roads as frisky as Santa Claus, while others come from the mountains and timber lots with enormous piles of wood on their sleds, and the wood piles are growing.
