Palestine Fund Extends Financial Aid to Farmers

JERUSALEM, (A.P.)— More than $250,000 was advanced during the month of October by the Zionn Organizations to settlers in the 40 odd cooperative and individual holders' units founded by the Palestine Foundation Fund, states a report just issued by the treasurer of Palestine Zionist Executive.

It is expected that this large occurs at the begining of the agricultural season every year. The money was advanced for the purchase of draft animals, cattle, machinery, seed and poultry.

Energy Brings Results Dispute Prison Bars

HARBIN, Manchuria, (AP) — For the last two years M. Krasnoshchekoff, once premier of the Far Eastern Republic, has been in jail; he was found guilty of embezzlement.

But prison life has not succeeded in curbing the former Bolshevik's energy. He has written four books on banking, for which he received $4,000; he has organized among his prison mates a lucrative business of making woodcuts and engraving on copper, and altogether he is doing so well that he has declined a release from confinement and the offer of position with a local bank.
