**FIGHTING TIGERS DEFEATED 12-9**

**JOSEPH QUINT VICTORIOUS IN HARD BATTLE**

**Fighting Tigers!**  
Every member of the Blue and White basketball team found glory in the game Saturday night. The score was 12-9. Joseph could not be swept back and the final score found La Grande three points behind the visiting team.

But rarely has such a hard fought battle been witnessed here as the score 12 to 9 will surely testify. There was an action in that defeat because Joseph's greatest fault was his home team and the slowness of the score in the early part of the game. The relative strength of the two teams.

**Scoreless Quarter.**  
The game started with both teams swinging into it fast, alternately offensive or defensive as the seconds demanded. Twice La Grande warriors scored a field basket but each time the referee's whistle sounded before the play and the points did not count.

**Ten minutes passing.** Nothing was being done by either team neither a legal score.

**UNION GIRLS DEFEATED BY WALLOWA SIX**

**BASKETBALL**

High School.  
At La Grande Joseph 12, La Grande 9.

**OREGON AFTER GRID MENTOR**

After a short rest, the regatta faced each other again and for three minutes the seconds ticked off. Then, taking advantage of a foul, Steward, La Grande forward, converted giving La Grande first blood and a one-point lead. But it was not long that way. Matthews, Joseph forward who possesses an accurate eye, looped in a long distance goal for the first score over La Grande's forward and effective guarding.

**Joseph Ahead at Half-Time.**  
At halftime Joseph was one point ahead, 4-3. With Hummel and Gault having scored. During the third quarter Joseph maintained her one-point lead although the Tigers held the margin twice when the score was 8-4 and 7-4.

**Early Field Goal.**  
In the first frame Matthews' progress was everything into play and a rally, desperate and exciting in its pace, ensued in placing the lead once again in Joseph's hands. Again Matthews scored the day with two brilliant field goals, adding two points from seven after goals. In the final ten minutes La Grande converted to a field goal, with Gault and Matthews as participants, but it failed, probably because of too much eagerness.

Gault and Matthews, Joseph forwards, were the winners scoring only two goals.

JUST AS WE EXPECTED

We don't expect you to believe these bargains until you have seen the goods—they are unheard of before. But they are here just the same. These are a few of the hundreds:

**Illinois In Lead In The Middle West**

**CHICAGO (By Associated Press)**  
The western conference basketball race has tightened up as a result of games Saturday night, when Illinois, with a 24 to 24 victory over Indiana at Urbana, went into the lead with three games won and one lost. Chicago led to Minnesota, 24 to 18, and Michigan triumphed 20 to 18, and Iowa, which was idle this week-end, also has a perfect record but has played only two games.

Today Minnesota meets North Carolina at Evansville, and Wisconsin invades Ann Arbor to play Michigan.

Next Saturday all but two of the conference teams will be in action with Minnesota meeting Wisconsin at Madison; Chicago going to Bloomington to play Indiana; Iowa invading Urbana for a contest with Illinois and Northwestern playing Ohio State at Columbus.

**Former Champion as Cowboy**

Now that Ed "Strangler" Lewis has been shown of his title of heavy weight wrestling champion, he may decide to take up the more strenuous pastime of cow-punching. Here we have Lewis in cowboy togs. He is approved yes, and Miss Bonnie McCarroll, champion woman bronco rider, in the garb of a tenderfoot.

**Pneumonia Usually Starts From Colds**

Physicians warn against neglecting coughs, colds and flu of the winter season. Pneumonia is a serious disease that may result. Leading physicians advise BALSA-ME-A for all respiratory ailments. BALSA-ME-A is a new preparation made from a novel discovery. It is a powerful germicide and is effective against all the germs that cause pneumonia and influenza. It is a powerful germicide and is effective against all the germs that cause pneumonia and influenza.
