NINE TIGERS WILL GO ON CAGERS TRIP

Whitman Five Plays O.A.C. Friday Night

BASKETBALL RESULTS Last Night O. A. C. 18, Washington State 14

WHITMAN COLLEGE. Walla Walla (Special)—During the two weeks at vacation, the basketball team went forth on a harrowing tour of northern Oregon. They played the town teams in Astoria, Portland and Beira. Eight men made the trip.

A large delegation from La Grande consisting of the high school basketball squad and a number of students as well as most of the members of the Hi-Bada organization will invade Wallawa county tomorrow.

Three games are scheduled, all of which are return contests. Wallawa will be played Thursday evening. Whitman defeated La Grande a week ago by the close score of 22 to 18 and on this occasion the local quintet hopes to even up things.

The schedule calls for a game with Joseph Friday night and the final game of the trip will be played with Enterprise on Saturday evening. In former games with these two La Grande has scored a win and a loss, winning from Enterprise and losing to Joseph last week.

To Take Nine Men. Coach MacTavish will take nine men on the trip. Hummel, Uman, Zundel, Glass, Taylor, Larison, Neward, Hanks, and Myers will make up the squad. Of these the first four mentioned will start all three games unless some accident happens to them. The fifth man for the team will be selected from the five remaining substitutes.

All three games will be refereed by Frank McKennon of Lubber.

GIANT LINEUP REMAINS SAME

NEW YORK (By the Associated Press)—The New York Giants are building a formidable 1925 campaign, a pennant struggle that promises to put the morale of the National league champions to a severe test.

John McGraw, gray haired captain of the club, knows his team faces a strenuous fight and realizes the handicap it will encounter as an outgrowth of the 1924 busy season.

But McGraw's confidence in his outfit is none the less keen as he maps his 1925 plan of attack. The veteran leader set a new modern record last year when he won his fourth straight pennant and he hopes to make it five straight this year, thus setting a mark for all time.

McGraw has made no radical changes and contemplates none in the array that won the 1924 flag, but is concentrating his efforts on bolstering the battery department.

Efforts to bring Paavo Nurmi back to Chicago for an indoor track meet in the late winter or early spring are being made by promoters of the Central Amateur Athletic union championships, March 26 and the annual bankers' meet early in April.

Harold "Red" Grange, University of Illinois all-American back, is also a pitcher of no mean ability. He took the mound in several games last season and is counted on to augment the school's twirling staff during the coming summer.

Nelson turned his true earnings over to his father, who left a will providing that one of the estates consisting of real estate, could be disposed of. Virtually all the income from the property, valued at \$150,000, has been used to pay debts accumulated previous to and since the death of Nelson's father. A court recently broke the will.
