**She Carries-On for Carrie!**

Carrie Nation is dead—but her ax, like John Brown's soul, goes marching on. Mrs. Myra McHenry, who began crusading with Carrie back in 1902, still carries on for her. She's fighting bootleggers, cigaret vendors, crooked politicians and all other "evil doers" in Kansas as strenuously as Carrie fought them 22 years ago. Myra's been at it ever since she had a row with her husband over a prohibition article she had published in a paper in which he was a stockholder a quarter of a century ago. On Carrie's death she inherited the hatchet its illustrious wielder used in demolishing bars in Wichita and other cities.
