WASHINGTON'S HUSKIES TOP COAST LADDER

PORTLAND, Ore. (Special)—University of Washington, leader in the Pacific coast basketball conference will play two crucial games this week. Two weeks ago the Huskies vanquished the Oregon Aggies in a somewhat easy fashion, 22 to 17, but since then have been idle. Washington's test will be in its games away from home. If they beat the Aggies at Corvallis Friday, and Oregon at Eugene Saturday, the Huskies should have no trouble winning the championship.

Oregon's strength has not yet been tested. It has won four games in the northwest conference by overwhelming scores, but the victories were over two weak teams, Willamette and Pacific.

If relative scores mean anything, and they mean practically nothing in basketball, the Westcoasters should be moving than 20 points stronger than the Aggies, as they defeated Multnomah club, Thursday night, 22 to 11, while the Aggies lost to the clubmen Saturday night, 12 to 22.

Oregon opens its coast conference season Thursday against Multnomah at Eugene. All other coast conference teams have played one or more games. The Grizzlies will play three coast conference games this week away from home. Besides the Oregon contest they will face Washington at Seattle Monday and the Aggies at Corvallis Wednesday.

The Aggies returned home yesterday after a successful northern trip, winning all its games, although three were by one-point margins, and the other game with four points to spare. In each of these the Oregonians were behind

Quits England

Albert G. Hill, one of England's greatest distance runners, is expected to arrive in this country shortly. He intends to settle down with friends in Ohio. Hill at various times was half-mile, one mile, and four-mile British champion.

Smith Former All-American Grid Player

UNIVERSITY OF OREGON, Eugene, Ore. (Special)—Richard Shors Smith of Eugene, former all-American fullback and all-around athlete and during his playing days captain of two collegiate eleven, Oregon and Columbia university, New York, now coach of the University of Oregon eleven to succeed Joseph H. Maddock, resigned, was one of the greatest players of the period from 1919 to 1923 and many critics place him as among the best fullbacks who ever wore college colors. He won the distinction of making the all-American team while a law student at Columbia, following his graduation from the University of Oregon in 1921. He played on Columbia eleven from 1921 to 1922. With the appointment of Smith, there are now two former all-American players holding coaching positions on the Pacific coast. Andy Smith, of California, while fullback of the Pennsylvania eleven, won the honor. The two Smiths competed against each other when Columbia met Pennsylvania in 1922.

The new Oregon coach, known to his friends as "Dick," has followed football ever since his college days. He coached the Oregon eleven in 1923 and in 1924, completing his law course in the east, and in 1924 returned to New York to tutor the Columbia eleven for a year. Changes in football that have taken place since then have been studied carefully by the former fullback. In recent years he has aided the Oregon coaches, giving a good deal of service to the squad last fall when Maddock was head coach.

Those in charge of Oregon athletics look forward confidently to the 1925 season. Smith is a coach who commands the situation, maintains a good coaching organization, keeps up morale, and gets his instructions over to the team.

Smith played on Oregon eleven from 1920 to 1921, the last two years as captain. He played on an Oregon eleven that triumphed over the University of California team 2 to 0, a remarkable achievement for the young Eugene institution. He made his "O" also in track, competing in the broad jump and the weights. While at Columbia the Oregon man starred in track and crew as well as in football. The Columbia football captaincy came to him in his third and last year on the eastern eleven.

After serving a year as coach at Columbia, Smith took up the practice of law in Oregon, locating first at Astoria and later at Klamath Falls. Some years later he moved to Eugene, where he practiced since. His firm is Smith and Bryson.

No details of Smith's contract or salary were announced by the executive council today. The new coach will have charge of spring practice.

"I personally think that Smith is one of the best informed men on football in the country," said Virgil Earl, University director of athletics. "He has the football instinct and is an excellent judge of the game. Smith knows men and knows how to handle them."

This view is accorded by the members of the executive council.

Popularity Of Football Is Growing

CHICAGO (AP)—Football is destined to become the American national sport and in the future, if stadiums are built to accommodate them, crowds of 125,000 or more may be found watching the grid game, Major John L. Griffith, commander of the western conference, believes.

"The greatest single drawing attraction in sports, amateur or professional, has been a world's championship prize fight with the heavyweight title in view," Major Griffith asserted. "I suppose 90,000 is the correct estimate of the greatest crowd the boxes have ever drawn."

"The Stanford-California game on the Pacific coast this year outdrew that by several thousand. And the return of the American intercollegiate football code to Stanford and California has been comparatively recent."

Interest in football now extends beyond the colleges, their students and alumni, Major Griffith declared. This has come with the development of individual stars or combinations.

Baseball, the "Big Ten" commissioner believes, is experiencing a slump in popularity in colleges and has been abandoned by the collegiate conference, the Midwest.

In the new popularity of football and the intercollegiate interest aroused, Major Griffith sees a standardization of the game and the passing of the so-called "southern game" or "western game."

At present he believes the Midwest is producing the best brand of football.

Dundee's position.

"Dundee never intended to reclaim the featherweight title which he voluntarily relinquished," said Johnston.

"We do intend, however, to ask the state athletic commission to reinstate Dundee as a featherweight if he can show the boxing board he can make the weight without weakening himself too much. Then Dundee will attempt to win back the title in the ring."

Aviators usually stand a nerve test before going up very high, but landings don't need one.

Smith Former All-American Grid Player

UNIVERSITY OF OREGON, Eugene, Ore. (Special)—Richard Shors Smith of Eugene, former all-American fullback and all-around athlete and during his playing days captain of two collegiate eleven, Oregon and Columbia university, New York, now coach of the University of Oregon eleven to succeed Joseph H. Maddock, resigned, was one of the greatest players of the period from 1919 to 1923 and many critics place him as among the best fullbacks who ever wore college colors. Sport Gossip

(By the Associated Press)

After 54 starts, Gladys V. has won a race. For three years this maiden ran in the north and south, in Louisiana, Maryland, Kentucky and New York, but never won a race until last Friday when the horse came home in a race at New Orleans. At Empire City last fall she won a race but was disqualified. Her total winnings amounted to only \$1150.

No games are scheduled for this week in the International Basketball league, due to mid-year examinations. Princeton and Dartmouth enter the vacation period on a par at the top of the league heap with three victories in three starts. Cornell and Yale appear out of the race, the former with two defeats and the latter with three.

An official check of Notre-Dame football history reveals that they have won all but seven of the 152 games played over a span of 18 years. And Nebraska has been the biggest barrier for the South Bendlers to hurdle, the Cornhuskers having won two and tied one of the last seven games with the Rocke athletes.

EM "Strangler" Lewis, former heavyweight wrestling champion, will have opportunity to demonstrate whether his defeat by Wayne Mann for his title recently indicates a slowing up and a loss of the power of the headlock he once applied so effectively when he meets Jay "Toots" Mondt, at Chicago February 3. Wrestling followers who assert Lewis is slipping declare he must learn new holds to recover his glory. Mondt, by victory, would be in line for a title match.

Pneumonia Usually Starts From Colds

Physicians warn against neglecting coughs and colds and tell of the various lung complications that may result. Leading physician says pneumonia is a very contagious disease. BALSAMEA is a pure vegetable preparation made from a newly discovered plant. Dr. E. J. Galt, Los Angeles, Calif., writes: "I use it exclusively for my practice and my family. It is quick, sure and safe in its action and nothing else."

BALSAMEA has now been standardized and given uniformity in its action. It is a pure vegetable preparation made from a newly discovered plant. Dr. E. J. Galt, Los Angeles, Calif., writes: "I use it exclusively for my practice and my family. It is quick, sure and safe in its action and nothing else."

DUNDEE PLANS TO ENTER TOURNEY AS LIGHTWEIGHT

NEW YORK (AP)—Johnny Dundee, veteran Italian lightweight and former world's featherweight champion, came back to the United States to enter the lightweight elimination tournament and not to reclaim the featherweight title, James J. Johnston, Dundee's manager, said Monday.

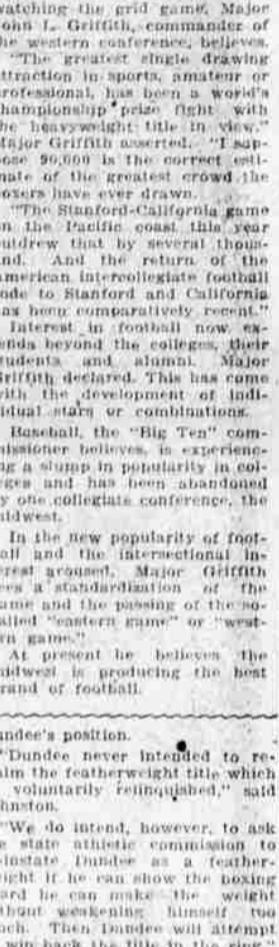

Fear of provoking the wrath of the state athletic commission prompted Johnston to issue a formal statement clearly defining Dundee's position.

"Dundee never intended to reclaim the featherweight title which he voluntarily relinquished," said Johnston.

"We do intend, however, to ask the state athletic commission to reinstate Dundee as a featherweight if he can show the boxing board he can make the weight without weakening himself too much. Then Dundee will attempt to win back the title in the ring."

A Study in Facial Expressions

Would you take these three women to be officers of a church society? Well, they're not. They are three holdup women nabbed by Kansas City police. On the left is Alice Kramiec—she held up a hamburger stand and then inflamed a policeman who tried to arrest her; in the center is Alva Howe, who, with Lawrence Miller, at the right, are charged with aiding five men in robbing a bank of \$17,000. All three now are in jail awaiting trial.

FOX: SILVER FOX

Being a pioneer of the northwest in raising and marketing Silver Fox, I doubt if there is any other business cheaper to enter, easier to handle or more profitable; but, it is the quality and grade of stock, how and where to secure it, is your problem.

Few seem to realize that this is the one line where the Agent, Broker, Hired or Commission Salesman should have no place. Also ask yourself why a fox farm in one place with an office to promote sales in another? Perhaps the answer would be that the quality is so low that they could not be sold to you otherwise.

I personally own a breeding stock with as high pelts values as is for sale. I feed and care for my own stock, conduct my own sales. My fox pens are my office. The prices I quote you on breeders are only an average. Secure your information here where it is reliable and best authority. Located on Oregon Trail Highway, H. W. SMITH, Prop. R. F. D. No. 2, La Grande, Oregon.

PENDLETON GIRLS BEAT THE DALLES BY 50-16 SCORE

PENDLETON, Ore. (Special)—By a score of 50 to 16, the Pendleton high school girls basketball team defeated the girls' team of The Dalles, in a game there on Saturday evening. Members of the team are Fay Clark, jumping center; Mildred Wierick, running center; Edith Barthel and Stella McCormack, forwards; Fay Corbush and Jean Bell, guards; Mrs. Mark Barthel and Miss Marie Tomsett, coach, accompanied the team to The Dalles.

One thing about a crowded street car is it is much warmer.

IS THE GOLDEN AGE OF THE GLAND AGE?

In a recent press dispatch, a London physician stated that the Golden Age of man bids fair to be the glandular age, when salvation will be taken in tablet form. He said further that the average man believes that his thoughts, action and feelings are controlled by his mind. But it is possible to show that mind is itself under the despotic sway of the ductless glands, which generate in the system the chemical fluids on which depend health, happiness and morality.

Glandogen, the new scientific gland tonic, prepared in tablet form provides a simple method of taking glandular treatment. Glandogen, for men and women, is obtainable at Red Cross Drug Co.—ATV.

The Call of the Market Basket

WHITE tents suddenly everywhere—with flour, potatoes, eggs. Merchants under gay awnings displaying ginghams and black satines. Squealing pigs with their feet tied pushed into carts. Women in Sunday best, balancing loaves of bread on their heads or tugging napkin'd baskets. Men and maids bargaining for bracelets. Vendors shouting, ribbons streaming . . . Market day in peasant countries—gala day!

The little gay city of tents has become fixed shops for you. Clean shops with enough varieties inside to confuse a peasant mind. Yet you know the brands. You know which you want, how much they are worth, before you enter to buy. You shop in minutes instead of hours, and get fair exchange. Advertisements have made you wise.

Any day with you is market day. Any day, the market basket travels to be filled with selective care. Let advertisements keep on helping you choose. Their facts are facts. Read them.

No man will spend money to advertise unless his product is right—read the advertisements.
