THREE GAMES ON SCHEDULE FOR WEEKEND

Several cars containing the La Grande basketball squad and a number of rooters left this afternoon for Pendleton for the game this evening.

Coach MacTavish took 12 men including Hummelt, Zundel, Glass, Upanmene, Larson, Hanks, McKennon, Myers, Royes, Williams and Patten. The lineup this evening will be Hummelt and Zundel, guards, Lyman and Glass, forwards and Unkmann center.

On their return here tomorrow the La Grande squad will meet Union in the high school gymnasium. This will be the first game so far this year with the Union team and should be an interesting contest.

Union has lost games to Wallowa, Baker, Joseph and Enterprise and has won several minor games.

The Union quintet has had troubles of the same sort that have confronted La Grande. New men with little experience and the coach with comparatively poor material to work with. Both teams are beginning to hit their stride now and should furnish an interesting game especially as Union is sure to be a competitor in the eastern Oregon tournament with the games to be played on the Union floor.

Girls to Play.

The girls' game will also be of more importance than usual. Both La Grande and Union have already played Wallowa two games with the honors even. Each has lost one game and won one from Wallowa and the victor tomorrow will have the edge on the other two in the percentage column.

The girls' game will start at 7 o'clock preceding the boys' contest. Frank McKennon will referee.

Buckaroos In Sked Mix-Up 2 Games On

PENDLETON, Ore. (Special) — The possibility exists that Pendleton basketball fans may see two headline basketball contests in the high school gymnasium tomorrow night as through a mixup in arrangements The Dalles quintet will be here tomorrow for a game with the Buckaroos, according to Coach Taylor. The Dalles five plays Hermiston tonight and Milton-Freewater Saturday night so it is impossible to change the date. La Grande will be here to play the first team also but it is possible that the first string will be divided and both teams played. The Helix game with the second stringers may be cancelled if it is decided to play The Dalles.

The first game between the Pendleton girls and the Pilot Rock girls will go ahead as scheduled at 6:30.

BOXING

ROPER TO MEET RENAULT

OMAHA, Neb. (AP)—Capt. Bob Roper and Jack Renault, contenders for the heavyweight title, will meet in a 10-round bout here Friday night. Both men are confident of a win. A knockout victory for either fighter is expected to eliminate the loser from any further championship consideration.

* * *

WELLS BEATS LATZO

OAKLAND, Cal. (AP) — Billy Wells, English welterweight champion, won a decision over Pete Latzo of Wilkes Barre, Pa., in a fast 10-round bout here Wednesday night. There were knockdowns.

* * *

FLOWERS STOPS ROBSON

BOSTON (AP) — Tiger Flowers of Atlanta won a technical knockout over Tommy Robson of Malden Wednesday night when the referee stopped the fight early in the eighth round to save Robson from more of the punishment which he had taken from the first. The weights were: Flowers 163 pounds; Robson 163.

* * *

MARTIN TO MEET GENERO

NEW YORK (AP) — "Cannonball" Eddie Martin has accepted an offer of $30,000 to defend his bantamweight title in a fight with Frankie Genaro, American flyweight title holder.

The fight will probably be held in Madison Square Garden March 20 or May 5. At least half of the profits of the show will go to the People's hospital.

Benny Leonard who recently vacated the lightweight title, has consented to meet any worthy opponent in a six round bout. He will fight without remuneration.

Tribute to Faithful Dog Carries Message of Love

DARIEN, Wis. (AP)—A bronze reproduction of a pet Scotch collie dog, Lassie, tops the monument placed by Charles H. Langs at the grave of his wife, Mrs. Jennie H. Langs, in the little country cemetery here. Beneath the recumbent figure of the dog is this inscription: "Be Kind to Animals."

Lassie, a blooded collie, died several years before Mrs. Langs.

The Langs devoted much of their time and part of their income to the care of animals and humane work. Mr. Langs explained that in placing the reproduction of Lassie at Mrs. Langs' grave he not only regarded it as a tribute to his wife's memory, but believed it would be a lesson in the general subject of kindliness to animals.

Hawaii Plans to Entertain Men of United States Fleet

HONOLULU (AP)—One of the first measures to be considered by the territorial legislature when it convenes in February will provide an appropriation of $74,000 for the reception and entertainment of men and officers of the United States fleet and the 66 newspaper editors expected to accompany them next spring.

The appropriation will be asked on the ground that the fleet's visit will benefit all islands in the archipelago. The committee in charge of arrangements plans concerted action to prevent any rate boosting by hotels, lodging or apartment houses.

It is planned to entertain the visiting editors with a Hawaiian "hukilau" or feast of fish. This is a relic of the ancient days when Hawaiian fishermen made their catch and cooked and ate the fish on the beach. Governor Farrington is expected to be host at a grand ball in honor of the naval men.

Hunter Bags Five Mountain Lions in Day in New Mexico

SANTA FE, N. M. (AP)—Five mountain lions in one day is the record of Ed Steele, predatory game hunter in the employ of the United States geological survey.

Steele made his record kill in the rocky recesses of the Blanca range, trailing the great cats through freshly fallen snow and bringing them to bay with hunting dogs. Two of the dogs were injured badly in the encounters.

Ranchers and hunters estimate that each mountain lion slays on the average $100 worth of livestock and game each season and Steele's work for the day, thus figured, means a net saving of $2500.

During the last six months of 1924 the New Mexican federal survey has accounted for more than 2000 coyotes, 126 bobcats, 25 mountain lions, 17 wolves and 7 stock-killing bears. These totals represent a potential saving of $204,000 to stock raisers and wild game in the state.

Serious Lung Trouble Starts With Coughing

Physicians warn against neglecting coughs and colds and tell of the serious lung complications that may result. Leading physicians now prescribe BALSAMEA for all bronchial affections. BALSAMEA is a pure vegetable preparation made from a newly discovered plant. Dr. Benj. F. Crabtree, Antwerp, Mo., writes: "I use it exclusively for my practice and my family. It is quick, sure and safe in its action like nothing else."

[illegible]

BALSAMEA has now been standardized and gives uniformly remarkable results in four ways. 1. It soothes the inflamed membranes and relieves irritation. 2. It increases secretion of mucous and permits easy expectoration. 3. It stimulates pores of the skin in throwing off body poisons and 4. It strikes at the cause, checking germ action immediately.

[illegible]

Be sure you get BAL-SA-ME-A with the picture of the Indian on the package. Guaranteed to relieve any cough, no matter how bad, or your money back. All druggists sell BALSAMEA.

In La Grande buy it from Glass Drugs, Inc.

Sport Gossip

(By the Associated Press)

Allen R. Helffrich of Penn State in breaking the tape in the Millrose 600-meters at the Millrose games Tuesday night, accomplished what other runners had failed to do, it being the third consecutive time a Nittany lion runner had won this indoor special. With the victory went permanent possession of the R. H. Post trophy, a cup which has been in competition since 1915.

* * *

Wallace F. Johnson of Philadelphia has a unique tennis record in that he has placed nine times among the first 10 over a period of 17 years. Johnson's name first appeared in the first 10 back in 1908. He was ninth that year. He has jumped around somewhat and despite the fact that he has been out of competition several times, always comes back to the first 10 whenever he plays to any extent. He has been ranked third twice; fifth three times; seventh, ninth and tenth once each.

Matt Hannan, 45-year-old Detroit handball artist, who weighs 225 pounds, has issued a challenge to any man in the United States who can make his weight and age. Hannan practices three weeks.

Absence frequently has a tendency to make the appetite grow stronger.

Perhaps others don't think as you think because they think more.

Accuse Father

Arthur Hinderhill of Milwaukee was arrested on a charge of first degree murder when it was determined that his son, Fritz, age 2, had died of poison. The boy was heir to an estate valued at $21,500 left by his mother. The will provided the estate should go to the father, providing he did not remarry. Hinderhill, however, did marry and the estate passed to the baby.

OREGON TEAMS BOTH DEFEAT MONTANA FIVE

EUGENE, Ore. (By the Associated Press)—Oregon 32, Montana 24.

CORVALLIS, Ore. (Special) — With only 10 seconds left to play and the score tied George Brown, lanky Aggie center, who hails from Union, Ore., twisted half under the basket and shot the ball against the rim where it balanced, then fell in, making the score, Aggies 24, Montana 22, here Wednesday night. The game was a thriller from start to finish with spectacular shots and passing featuring every minute.

Montana, with Illman shooting, scored two counters at the outset of the game. The Aggies had hard luck scoring but came into the lead near the end of the first half when Eddings began hitting the basket. The red headed flash was just hitting his stride when his leg was injured and he was forced out, Grapp taking his place. With the score favoring the Aggies nine points, Montana staged a sensational comeback, tying the score with a minute to go. Baker looped one for the Aggies and Sweet shot two three throws, again tying the score.

Then Brown made his heartbreaking shot. The sheep herders were a speedy, rangy crew, most of them topping the Aggies by several inches.

CUBS SHAPING UP FOR RACE

CHICAGO (By the Associated Press)—Acquisition of three sterling veterans from Pittsburg, the recovery of a trio of Cub players whose injuries crippled the team last fall and the signing of George Gibson as coach and assistant manager to handle the 14 pitchers on the club's roster has boosted the pennant prospects of the Chicago Nationals for the 1925 season, according to President William Veeck.

The three players who come to the Cubs in exchange for George Grantham, second baseman; Vic Aldridge, pitcher, and First Baseman Bert Neihaus are Wilbur Cooper, pitcher, Rabbit Maranville, second baseman, and Charley Grimm, first baseman.

Cooper, Graver Alexander, Vic Keen and Tony Kaufman give the Cubs a strong quintet of moundsmen.

In addition to these four twirlers the club has about a dozen others, the largest number ever taken on a training trip.

Gabby Hartnett and Bob O'Farrell will do the bulk of catching.

Ira Dern Pins Pinky Gardner to the Mat

SALT LAKE (AP) — Ira Dern of Salt Lake, claimant of the world light heavyweight wrestling title, won from Pink Gardner of New York in a finish match here Wednesday night. Dern won the first fall in 17 minutes with a leg strangle; Gardner the second in 35 minutes with a bar arm lock and Dern the third in 11 minutes with an arm scissors. In a match here a few weeks ago Gardner won from Dern.

CURED WITHOUT SURGERY

MY METHOD of treating Piles, recognized as so successful, is non-surgical. No inconveniences, embarrassments or confinement during treatment. One may come and go about his duties as usual. Relief is apparent from the very first, and I positively GUARANTEE to cure any case of Piles or refund the patient's fee.

If you will write to me I will send you my FREE book on Piles and other Rectal and Colon disorders.

"Ma's" Inaugural Speech

Mrs. Miriam Amanda "Ma" Ferguson was inaugurated as governor of Texas with all the pomp and ceremony which was given her many men predecessors. Here she is shown delivering her inaugural speech as state officials and dignitaries listen.

STOCK FEEDING PROBLEM BIG

PROMISE (Special). — Vesper Henderson has taken several head of stock to Glenn Shevada to feed. He kept one team, some milk cows and his sheep at his place here. The dry season last year and the lack of hay is making it hard for the people who have a large amount of stock.

It snowed all day here Monday, about 12 inches falling during that time.

Mr. and Mrs. Phillips are able to be out after being confined to their home on account of illness.

Mrs. Ula Poulson returned Monday evening from Wallowa, where she spent a few days with her parents and young son.

Robert Carper is sawing and delivering wood for the Riverside school.

Harold and Roy Carper went to Maxville Monday and brought back a load of hay.

Fred Trump is hauling wood to Maxville.

Mrs. Henderson and children and Miss Ruth Hayes and Mr. Bailey and Mr. Hartland visited Sunday at the Corbett home. The young people spent the afternoon coasting and skiing.

John Dond is spending a few days at Wallowa.

Will Reed made a visit to Wallowa the last of the week, bringing in a load of hay.

Mr. Corbett, Hill Carper and Lewis Newby spent the week-end at their homes here.

Roy Carper and Miss Eunice Courtney went to Maxville Saturday.

Alfred Carper and family visited recently with Mrs. Carper's parents, Mr. and Mrs. Marshal Fleshman.

Being sure you are right before going ahead would be better advice if you could ever be sure of anything.

Dry Regime Ruins Noted Resort of Pacific Coast

SAN FRANCISCO (AP). — The Cliff House, perched on precipitous rocks beside the Golden Gate, is known to everyone who has ever toured California, and in the old days was a gathering place for bon vivants. It has now fallen victim to the Volstead regime, and after a record prohibition raid the proprietor hung a sign on the door reading: "Coffee and Doughnuts—5c."

From the porch of the Cliff House many famous characters have tarried to watch the sunset over the ocean. The spot was visited by Presidents Grant, Hayes, Harrison, McKinley and Roosevelt. One of the presidents described the seals lolling on Seal Rocks which rear themselves some 200 feet from the Cliff House, as "huge, obese fellows like apoplectic aldermen."

Hereafter visitors, as they watch the ships glide through the Golden Gate will have nothing to eat but doughnuts and nothing to drink but coffee.

Scientists Eager to Solve Mysteries of Salt Water

WASHINGTON (AP) — Among the things the government intends to do during the coming year is to make an intensive study of sea water, its characteristics, and phenomena.

The navy department is planning to furnish a boat, the bureau of standards will furnish a staff and instruments, and a number of other scientific branches of the government will be represented in the personnel of the expedition, if congress approves.

A surprising number of missing links in scientific knowledge of the sea remain to be found. As listed by Dr. G. K. Burgess, director of the bureau of standards, they include the salinity of the seas, which is in part an effect and in part a cause of ocean currents; the efficiency of depth-sounding mechanisms; the variation in the pull of gravity over water surfaces, and the variation in magnetic flux which occasions strange deflections of the compass needle.

A train of thought travels faster when it is running express instead of local, but it is more likely to have a wreck.

Reinforce Glands To Keep Young Says Scientist

Dr. Arnold Lorand, of Austria, says in his book, "Old Age Deferred," in speaking of the glands: "We must insist upon the reinforcement of their functions if changed by age or disease by means of extracts obtained from the similar organs of healthy young animals."

Glandogen, the new scientific gland tonic, prepared in tablet form, provides a simple method of taking glandular treatment.

Hundreds of men and women who are weak, worn-out and rundown are taking Glandogen to awaken the devitalized glands, so they may continue their normal function of supplying the vital glandular secretions so necessary to physical energy and perfect health. Glandogen is obtainable at Red Cross Drug Co.—Adv.
