HOOD RIVER, Ore.—E. R. Pooley, east side orchardist, whose frame apple packing house burned last November, has completed plans for the construction of a new concrete plant. Alleged British Deserters Held.

ASTORIA, Ore.—William Rows, 24, and Sidney Taylor, 23, alleged to be deserters from the British cruiser Curlew, which visited Portland in July, 1923, were arrested at the Tidewater Timber company logging camp near here by Immigration Inspector Reynolds. They are in custody in the Clatsop county jail on charges of illegal entry into this country.

SHE SAYS: "I AM THIN" HER FRIEND SAYS: "SHE IS SKINNY"

If she only knew that she could put on at least 5 pounds of good healthy flesh in 30 days she wouldn't be worrying about her peaked face, hollow cheeks and hair that has fallen out.

She has tried Cod Liver Oil, but the ill-smelling, nasty tasting stuff upset her stomach and made her feel worse than before.

Doctors and good pharmacists know that Cod Liver Oil is full of vitalizing vitamins that make flesh, create appetite, restore vigor, build up the power to resist disease and chase away nervousness.

But it's horrible tasting stuff and every day fewer people are taking it for doctors are prescribing and the people are fast learning that they can get better results with McCoy's Cod Liver Oil Compound Tablets, which Red Cross Drug Co., Glass Drugs, Inc., 1 & L. Drug Co., and druggists all over the country are having a tremendous demand for.

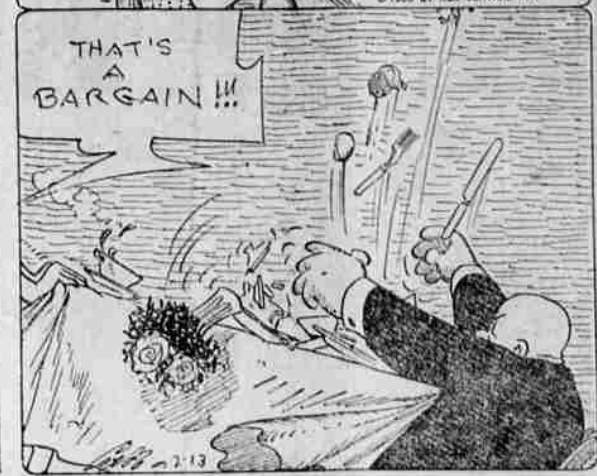

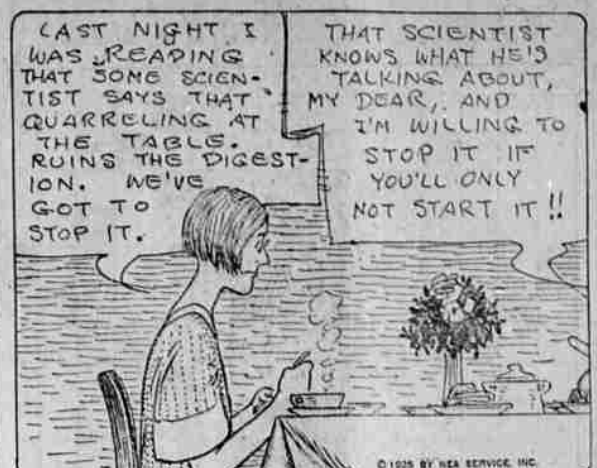

It is a wonderful upbuilding medicine for skinny, backward children, especially after sickness and 60 tablets only cost 60 cents.

One woman gained 10 pounds in 22 days and if any skinny man or woman can't put on 5 pounds in 30 days your druggist will gladly return the purchase price. Be sure and get McCoy's, the original and genuine Cod Liver Oil Compound Tablet.—Adv.

"White Sheep" of Black Sheep Family Turns Into Battering Ram.

"I guess fighting just comes natural to us Tylers—same as to wildcats," said Toby Tyler, "The White Sheep" of the Fighting Tyler flock, to Patience Mathews, the pretty newcomer to the little frontier town that bore the name of the suspicious family. "I just don't know my own strength," and like many other fair ladies who have been swept off their feet by deeds, or reports, of valor, Patience cast admiring eyes upon the timid little lamb and imagined that a lion's heart beat beneath his homespun vest—and she also expected him to deliver a full quota of many

Lincoln's Home Town Shown on Screen At Arcade.

The Rockett Lincoln Film company, producers of "Abraham Lincoln," now playing at the Arcade, has a streak of luck when they sent location scouts back to Illinois to size up the site of the village of New Salem, now imperishably famous as the home of the youth Lincoln, from 1831 to 1837.

Years fraught with many activities, romance and sadness for the Man of Destiny.

So many important sequences of the picture-play lie in and around this little pioneer hamlet that the producers were confronted with the necessity of building an entire new town of more than twenty log houses, some of them rather large, but with no plan to guide them in the work. Investigation, however, revealed that the little town had been in process of restoration for two or three years, and that it would be complete in time for the picture people to occupy it.

Even before Lincoln left New Salem for Springfield the town was destined to its fall. The neighboring town of Petersburg was absorbing it, and before Lincoln went to the White House the town was almost an abandoned place, which later became merely a memory.

A few years ago the state of New Salem was brought to the notice of a well known journalist, who purchased the site of sixty-two acres for \$15,000 and presented it to the Lincoln League of Petersburg, with the stipulation that the league should restore the hamlet as it was in Lincoln's time.

This work has been faithfully carried out and the New Salem of Lincoln and Anne Littlefield once more nestles among the elms, hickories, oaks and wild cherries on the heights above the lonely Sangamon, so beloved by them both.

And the town in its entirety was reproduced in California for use in "Abraham Lincoln."

deeds if he expected to remain the apple of her eye.

This amusing situation is the seed from which Hal Roach's new comedy feature, "The White Sheep" has grown into what is promised as one of the most laughable comedy productions of the current season. It is a pastiche featuring Glenn Tryon and Blanche McHaffey and will be the attraction at the 8c & 10c theatres Saturday and Sunday.

Toby, however, had considerable trouble in carrying out his bluff. His two brothers, both bullies, and his father, bully in chief of the family, had always looked upon "The White Sheep" as a disgrace to the family. He was their official punching bag and frequent, if unwilling, sparring partner. So when a pretty girl appeared upon the scene it was not to be expected that they would sit idly by, twiddle their thumbs, and let the "Patsy" of the family cap the capitol prize.

Hardly! Immediately there was a three-cornered contest, and even father Tyler was not exactly an interested onlooker. And Toby had his troubles. It took all his wits to offset the pace of his rough, if not romantic, rivals. Many laughs are said to come from these humorous early scenes of the picture.

However, Hal Roach has not been content to merely make a comedy, but in line with his other feature picture successes, has given it a melodramatic twist that puts it into the novelty class. Introduced in the story line a political

uprising of the populace against the alleged tyranny of "Fighting Nels" Tyler and his sons, who control the town. There is an election, said to be very funny; a trial scene in which the father is accused of murder; Toby's frantic efforts to save him by a clever ruse and the final awakening of "The White Sheep" fighting blood when he goes out after a terrific fight in a wagon as it floats down a rising river, brings back the "murdered man" from his father from the lynching bars and achieves his ambition of being accepted into the black sheep flock.

Glenn Tryon, who is a recent addition to the list of big names of the screen world, is said to give to the white sheep character a veal "lovable" and humorous portrayal.

sure and, through it all, laughter which literally shook the audience off its seats.

The star is ably supported by a splendid cast. Lillian Rich plays opposite MacLean and this beautiful girl has never looked more lovely or appealing. She lends a bright flame of love and romance to the piece. Helen Berglund has an important role as a vivacious Latin Quarter dancer who comes between Douglas and his love, and in the end, includes Halmyne, Wade Boteler, William Conklin, George Cooper, Andre Lanoy, and Tom O'Brien.

"Never Say Die" without a doubt is MacLean's greatest picture. Also showing "The Mandarin's Oath."

"Never Say Die" at Sherrys Is Knockout Comedy.

A gale of sparkling comedy breezed into the Sherry theater last night and brought with it all the laughter which any audience could possibly give to one evening's entertainment. The cause of this laugh storm was Douglas MacLean in his new starring comedy-success "Never Say Die."

The production surpasses in entertainment anything which Douglas MacLean has ever given to the screen. He has a brand of humor all his own. The picture is an adaptation of William Collier's famous stage success which ran for 3 year on Broadway. The screen version is even more thrilling and funny than the stage play due to the wider scope of the motion picture camera and a perfect continuity. The tempo mounts into faster and faster action until the last burst of hilarious laughter in the final scenes.

These last sequences are the funniest, although the whole picture fairly bristles with laughs and thrills. MacLean had arranged to meet his bride at the honeymoon steamer but to reach the dock he must evade a gun-man intent on murder and also a host of money-grabbers who are after his fortune. The only vehicle available is an old hackney-cab in charge of a driver who is more happy than sober. That wild ride surpasses any bit of comedy ever seen on the screen in breath-taking suspense, thrills beyond mea-

Jazz in Budapest Stilled Bow of Famous Fiddler

BUDAPEST (AP)—Jazz music broke the heart of Banda Mirel, King of gypsy fiddlers who was reportedly buried here with 10,000 admirers and friends standing beside his grave.

Count Stefan Tiza and many other famous Hungarians were the intimate friends of the man who was supposed to play Magyar folk-songs with more feeling than any other musician of his time.

At the request of Mirel, the bands played only folk-songs of his native land as his body was taken to the cemetery. He abhorred conventional funeral marches as much as the new syncopated
