BAKER TEAMS CLASH SOON IN TOURNEY

BAKER, Ore. (Special) — All preparations have been made for the Baker county basketball tournament which will be held here Friday and Saturday.

The purpose of the county tournament is to decide the representatives of Baker county to the Eastern Oregon tournament at Union, on March 5, 6 and 7.

Following are the teams which will clash here: Haines, Muddy Creek, North Powder, Richland, Huntington, Halfway, Sumpter and Baker.

According to Coach Herbert Glendon of Baker high, a series of 15 games will be necessary to decide the representatives, and the games will be played on a "double-elimination" tournament.

Baker high is, of course, a strong contender for honors, having made a fine record so far, and especially since she whipped La Grande and Pendleton last several weeks.

Following are the teams which will clash here: Haines, Muddy Creek, North Powder, Richland, Huntington, Halfway, Sumpter and Baker.

JOHNSON AT HOT SPRINGS

WASHINGTON (AP)—The contingent of world champion Senators undergoing the hardening up process at Hot Springs, Ark., has taken on new life with the arrival there Monday of Walter Johnson, the hurling ace, who is being banked on heavily to keep the club at the top in the coming campaign.

Walter said he never felt better and had temporarily put away all thoughts of minor league club ownership, which worried him during the winter and left him in a doubtful future in doubt, in order to concentrate on the conditioning grind ahead.

HITOLA SMASHES RECORD

NEW YORK (AP)—Willie Hitola smashed his own world's record for 5000 meters Tuesday night in a contest at the Cathedral of the Holy Cross.

The Finnish-American ace covered the distance in 14 minutes 23.1-5 seconds, lowering by 7.4-5 seconds the mark he set three weeks ago.

Phillip Granville, Canadian negro and former winner of the American national walking title, scored a spectacular victory over Ego Prigoria, slapper little Italian and Olympic champion, in a 1 1/2 mile heat and the event that aroused the crowd to a high pitch of enthusiasm.

Man Has Miraculous Escape

"I was told by our family physician that I could not live without an operation, as my liver and gall sack were in such a condition. I set the day to go to the hospital, but then I saw the advertisement of May's Wonderful Remedy. Since taking it I am feeling like a two-year-old. I am sure I never could have survived an operation." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. At all drug-gists.—Adv.

Two Bouts Are Halted By Referees in Charge

POCATELLO (AP)—Ira Dorn, light heavyweight wrestler of Salt Lake, was awarded the match with Pink Gardner of Chicago, Monday night at Ashton. Dorn won the first fall in 23 minutes with a cradle hold. Shortly after the wrestlers returned to the mat, Gardner started using rough tactics and was warned several times by the referee. At the end of 24 minutes Gardner endeavored to turn the match into a boxing bout and the affair was stopped by the referee and a forfeit awarded the contest.

Brooklyn still awaits the signed contracts of several regulars. Robinson is practically assured of an infield composed of High, Johnston and Tierney.

Paquea Fournier, first baseman of home-run abilities, remains outside of the fold and word from Milton Stock is awaited with some anxiety. Garney, who has played third base, may be started at that position by Robinson in an effort to strengthen the combination. He will add strength wherever he plays, according to the Brooklyn chief.

Joe Stecher threw Wladek Zysko in 33 minutes, 13 seconds, in a bout in New York Monday night which was advertised as a test to see which man would challenge Wayne "Big" Munn, the former collegian, who recently captured the title from Ed "Strangler" Lewis. Stecher used a body seissors to accomplish his feat.

Leaving St. Louis Tuesday afternoon, Manager George Sisler and 11 other Browns plan to reach Tarpon Springs, Fla., and begin practice Thursday.

The Japanese, playing in his first international meet, led the champion for 14 innings until Hoppe struck his characteristic stride and finished in 15 innings, 400 points to 316.

Willie Hoppe, veteran world's 18.2 balkline billiards champion, has announced from Chicago he will accept the challenge of Bob Cannefax for a return three-cushion match and that a meeting at 400 points will be played here about March 15. Hoppe won from Cannefax in New York last week, 400 to 554.

Football in Austria rows to National Sport Status

VIENNA (AP)—Association football has become the premier sport of Austria, the game having experienced a phenomenal growth and popularity since the end of the World War. There were 76 clubs in what is now Austria at the beginning of the war, but since 1918 the number has been swelled to 572 with about 60,000 playing members. All are member of the International Federation of Football Associations.

Austrians take the game seriously and train faithfully, especially for the international games. This season the Austrian teams have scored victories over selected teams from Bulgaria, Egypt, Hungary, Lithuania, Rumania, Jugoslavia, and Germany and lost games only to Berlin and Spain.

RICKARD WANTS DEMPSEY FIGHT

NEW YORK (By the Associated Press) — Apparently absorbed in the gentle arts of matrimony, movies and memoir writing, Jack Dempsey is giving little thought to the defense of his heavyweight boxing championship on an industrious group of promoters headed by Tex Rickard. The latest shift in the program finds Rickard preparing to match Tom Gibbons and Harry Willis for a bout in the spring to determine an opponent for the champion in September, but there is a growing feeling that Dempsey, or Mrs. Estelle Taylor Dempsey, has decided he will put away the gloves for good.

If he adhered to schedule, Dempsey would put his crown at stake this season, for he has risked his laurels in outstanding bouts at two-year intervals regularly since he topped Jean Willard from his throne at Toledo in 1919. He fought Billy Miske and Bill Brennan before engaging in "the battle of the century" with Georges Carpentier in 1921 at Boyle's Thirty Acres, then was idle until 1923 when he defeated but failed to knock out Tom (Gibbs) in the Montana boom town, Shelby, before the drama with Luis Firpo at the Polo grounds. That was Dempsey's last fight and the one that will be remembered the longest.

Doctors Say: Don't Neglect Cough or Cold

Physicians warn against neglecting cough, cold and all of the serious lung complications that may result. Leading physicians now promote BAL-SA-ME-A for all bronchial ailments. BAL-SA-ME-A is a pure vegetable preparation made from a sensitive plant, Dr. Ross F. Crabtree, Anderson, Mo., writes: "I use it exclusively for my children and my family. It is quick, safe and sells in its active life nothing else." "I have seen the end of the influenza epidemic in my community. I believe that a tribe of Indians in Arizona, by the use of this plant, were immune from the ravages of influenza. He used them in his children and his patients and then in a hospital overflowing with death cases. None of the results were the least and for many years I was not possible to supply the demand. BAL-SA-ME-A has now been standardized and given uniformly successful results in our work. It soothes the inflamed membranes and relieves irritation. It increases secretion of mucus and permits easy expectoration. It stimulates the nerves of the lungs in chronic or body ailments and it strikes at the cause, checking germ activity immediately." Do not confuse it with ordinary balsam which relieves only the symptoms and does not go to the cause of the trouble. Unlike other cough remedies BAL-SA-ME-A is free from opiates and other harmful substances. Pleasant to take and absolutely safe.

Be sure you get BAL-SA-ME-A of the nature of the Indian on the package. Guaranteed to relieve any cough, no matter how that cause, or your money back. All drug stores sell BAL-SA-ME-A.
In La Grande buy it from Glass Drugs, Inc.
