MILTON WINS CULVER RACE

CULVER CITY, Cal. (AP) — Tommy Milton romped to victory in the season opening 250-mile race of the American Automobile association here Sunday, finishing in 1 hour 55 minutes and 13 seconds, a good three laps ahead of the field.

His average speed for the distance was 126.89 miles an hour, which came within a hair's breadth of smashing the world's record of 126.9 miles an hour, established on the same track last year by Bennett Hill.

Peter Le Palo took second honors; Robert McDonough was third and Harry Harris fourth.

An epidemic of tire changes and overheated engines featured the race which was run on blistering boards under a blazing sun.

Fighting this feverish temperature, only nine of the 19 starters were able to finish.

BAKER TO BE IN TOURNEY

BAKER, Ore. (Special) — The winner of the Muddy Creek-North Powder game this evening on the local floor, together with Baker, will represent Baker county at the Union tournament as a result of the 17 to 10 trouncing handed Haines by the Muddy Creek boys in the only game played Saturday evening.

Both teams were out for blood, and judging from the showing made by each team in previous games, Haines was doped to win by a small margin. The superior passing and handling of the ball by Muddy Creek contributed largely in defeating the "Haymakers." This was the third loss handed Haines by Muddy Creek in as many games this season, both other contests requiring an over-time period, however.

Baker Defeats Haines
By defeating Haines 12 to 7 Saturday afternoon, the Baker basketball team won the right to be one of the teams to represent Baker county at the Union tournament March 5, 6 and 7. The score was tied one all at the end of the first quarter, and when half time was called Baker led 4 to 3. Gindeman's proteges took things easy the whole game and were never in danger of losing.

North Powder Wins.
The Richland boys and North Powder tangled in the second contest of the afternoon, the Powder boys emerging victorious, 13 to 9.
