**OREGON APPLE NOW IN FAVOR**

LONDON, (AP)—An "eat more fruit" campaign throughout England has recently brought the American apple into more prominence than it ever has enjoyed heretofore.

The campaign has brought to the fore also the American apple's neighbor, the Canadian apple, but in most cases the products of Oregon and Washington appear to be the favorite.

In addition to American cranberries, Florida and California grape fruit and oranges, various other fruits from the other side of the Atlantic, Americans in London this winter have enjoyed the privilege of being able, when they were willing to pay the price, to treat themselves to fresh corn on the cob, at about one shilling the ear.

Butchers are far from happy over the efforts to popularize the eating of fruit. Boosters for the apple recently set going a song, "Don't eat mutton, don't eat lamb," which made them particularly wrathful.

**SENIOR GIRLS CLASS CHAMPS**

The best girls' basketball sextette and the worst in the doughnut series played at the high school were selected last evening in the last of the interclass games.

Thus the seniors and the juniors won first and last honors respectively. The senior-soph scrimmage came very nearly proving an upset.

The soph were ahead 19 to 13 at the start of the final quarter, but were unable to stand the pace set up by the seniors in the last frame.

The soph were very weak on the defensive end of the game and allowed the frosh to score.

**SYSTEM USED AT TOURNEY WAS LESSON**

It's all over but the shouting—and Wallowa undoubtedly is doing its share of that as residents of that city have the right to do, as far as this district is concerned.

This is not written with malice nor in the form of an excuse—merely a plain statement of fact as the writer sees it.

Trouble lies in the fact that the district tournament at Union was actually, as far as designating the real champion is concerned, a flop.

The tournament permitted hundreds of fans to see some A. No. 1 games—but it did not select the best team for the district honors.

That is the secret of the popularity of ABERDEEN COAL.  
Plenty of heat, easily controlled; and—because of natural quality and unusual preparation—low in waste. Lights easily, burns up clean, lasts well, does not clinker.

**601,317 Miles —and Not One Cent for Repairs**

The real value of the 1925 Star is proven by the service it gives its owners in every day use.  
Here's a case in point: Twenty-four Star owners report that they drove an aggregate of 601,317 miles without one cent cost for repairs.  
Sounds unusual—yet, based on the reports of 40,000 Star owners on the Pacific Coast, the average cost of replacement parts averages 63c per car. That's what Star gives you in low upkeep cost.
