## For Kidney Troubles Druggist Would Only Recommend Alvita

After seeing medicinal products come and go for 25 years, a prominent Pasadena druggist proves to himself the virtue of Alvita Tablets in kidney and bladder trouble. E. A. Rosenberger, of 48 1/2 Fair Oaks, Pasadena, Calif., says: "Before allowing myself to become enthused over ALVITA Tablets, I tried them out on myself. I can say truthfully that I am surprised at the results of the tablets. I have had a lot of trouble with my bladder and kidneys and have tried many remedies from the store. The only thing I would recommend today for prostatic and bladder troubles is the ALVITA Tablet. I got complete relief from my own trouble, which satisfies me of their merit."

Alvita is the recent scientific discovery which brings lime, iron and phosphates to you in a vegetable form. It is prepared from the deep-rooted alfalfa plant in highly concentrated tablets. Alvita has proved especially beneficial in building up weakened, run-down conditions, and in overcoming kidney, bladder and prostate trouble.
