## Observer Crossword Puzzle

Short words, most of them, but they're not so easy to get, because of the great number of unkeyed letters. In addition, one or two of the words may be found above average difficulty.

- |   |  |
|---|--|
| <b>HORIZONTAL</b>                             | <b>VERTICAL</b>                              |
| 1. Tears seam.                                | 1. To harvest.                               |
| 5. Almost a donkey.                           | 2. A lay.                                    |
| 7. Metal rods in jail cells.                  | 3. A laborer.                                |
| 11. Poe.                                      | 4. To doubt.                                 |
| 12. Fatal.                                    | 5. Horns.                                    |
| 13. Plant from which bitter drug is procured. | 7. Supports.                                 |
