

NEWS of SOCIETY

Mrs. C. H. Bidwell and Miss Julia Bryant charmingly entertained Chapter L. P. E. O. yesterday afternoon at the Bidwell home at Island City. The living room of the house was attractively decorated in a color scheme of yellow and white, beautiful tulips and other spring flowers being used profusely. The same colors were used in the dining room.

Mrs. G. S. Blinn had charge of the program for the afternoon and told of the life and works of Maeterlinck, who recently won a Nobel prize in literature. His "Mary of Magdala," although not considered his best, was chosen as an appropriate subject for a Lenten program and was exceptionally well given by Mrs. Blinn.

At an appropriate hour an excellent luncheon was served by Mrs. Bidwell and Miss Bryant, assisted by Miss Virginia Bryant.

Mrs. Harry Lavey was hostess to the F. A. B. club yesterday afternoon at her home on Oak street. Bridge was the feature of the afternoon with Mrs. Fred Smith winning high score for the first prize and the second prize going to Mrs. Chas. Wale.

The home was beautifully decorated with bouquets of spring flowers and at the close of the games a dainty two-course luncheon was served.

The Bona Amica Sunday school class of the Presbyterian church met last evening in the community room of the church in regular monthly social meeting. Miss Goldie Isabelle Miller had charge of the program for the evening and a jolly time was spent at various guessing games. Miss Ben Goble rendered a beautiful vocal solo.

At an appropriate hour refreshments were served.

The home department of the Presbyterian church met yesterday afternoon at the home of Mrs. A. S. Anderson. Mrs. John C. MacPherson led a very effective devotional. During the business session officers were elected for the ensuing year as follows: Mrs. A. S. Anderson, president; Mrs. W. B. Pickens, vice president; Mrs. Frank Wolfe, secretary and Miss Young, treasurer.

Before adjournment a social hour was enjoyed and luncheon was served by the hostess.

The Baptist Ladies Aid society met yesterday afternoon in the basement of the church. After the regular business session refreshments were served by Mrs. W. L. DeVine, Mrs. B. F. Hummel and Mrs. Lucy Graham.

The Junior Missionary society of the Lutheran church met last evening at the home of Miss Genevieve Nelson. There was a large attendance and after the business session and the discussion of the missionary topic the evening was spent socially and refreshments were served by the hostess.

Approximately seventy-five people attended the dance given last evening at Island City by members of the Parkdale club for their families and friends. Music was furnished by Skeen's four-piece orchestra and a very enjoyable time was spent dancing. At midnight luncheon was served.

LADD CANYON (Special).—Not many were in attendance at the last meeting of the Get-Together club because of the bad weather, but all who were there spent a very enjoyable afternoon. Mrs. T. S. Sherwood was hostess. Before adjournment a dainty two-course luncheon was served.

Mrs. Claude Hoste will be the next hostess to the club, April 9.

Radio Chats

(By Powell Crossley, Jr.)

When one stops to realize that in 1920 a sum of \$2,000,000 was spent for radio and that this year it has been estimated this figure will be increased to \$500,000,000 one wonders just where this child—and a child radio is—is going.

There are those who still insist that radio is a fad. But facts do not become universally accepted and nations do not spend millions over a period of years for fads.

It is difficult to realize that broadcasting was introduced as recently as 1921, when \$5,000,000 was spent on radio. In 1922 that figure grew to \$50,000,000. The following year—1923—it was \$120,000,000.

Last year—1924—it has been estimated a total of \$225,000,000 was spent on radio, and this year it is believed the figure will reach the half-billion mark.

And let it be remembered that that money was spent and is being spent for complete sets and parts, not for broadcasting stations which have cost hundreds of thousands to build.

In 1920 it has been estimated there were 10,000 radio receiving sets in the United States. In 1921 this number had grown to 40,000; in 1922, 2,000,000; in 1923, 3,000,000; in 1924, 5,000,000.

Here is something that demands greater public interest. In this series of weekly talks we hope to tell of some of the things that merit public attention.

REDMOND BOY WOUNDED

BEND, Ore.—With his abdomen pierced by a bullet from a .33 caliber revolver held in the hands of his brother, Garrison Surface, 15, son of Mr. and Mrs. C. G. Surface, of Redmond was in a local hospital near death.

Young Surface and his brother Ray, 18, were preparing to go to bed at their ranch home when Ray picked up a revolver which was believed to be empty. He pointed it at his younger brother and pulled the trigger. The bullet passed through Garrison's body. The boy was brought to Bend and an operation was performed within two hours after the accident took place.
