BAKER LEADS TRAPMEN OF TWO COUNTIES

The La Grande shooters had an unusually bad day at Baker yesterday in the trap shoot in competition with the Enterprise and Baker sportsmen.

As a result of the unusually poor scores marked up by the La Grande delegation the Baker team is still ahead in team standing with 525. La Grande has 516 and Enterprise 502.

Individual scores yesterday were Baker, Myers 24, Basche, 23, Howe, 22, Brown, 20, Ah Gordon, 20. La Grande's five high men were Thomas, 29, Zurich, 19, Strickler, 19, Heavis 17 and Skaggs, 15.

The shoot next Sunday will be at home again and the final contest will be held in La Grande two weeks from yesterday.

Kiwanis Luncheon Fined. THE DALLAS, Or. — Thirteen members of The Dallas Kiwanis club enjoyed the weekly luncheon and the address given by the speaker, in blissful ignorance of the fact that a city traffic officer was waiting for them.

All paid fines of \$1 each in the police court, on a charge of parking their automobiles on Second street longer than 30 minutes.

Confidence!

THE largest-selling tire made in any Pacific-Coast-owned factory is the C-T-C.

Today the largest-selling tire, a year ago C-T-C was "on its way up"! Two years ago it was a babe in the industry. Three years ago, an idea. Four years ago—an ideal!

Yet it has taken twenty-five years' tire-building experience to build C-T-C!

Behind C-T-C stands a staff of engineers whose experience in Akron factories runs back more than a quarter century! They know tires!

When you need new tires, let us show you what the C-T-C can do. Or, better still, call in now and get acquainted with this tire that has "made good" quickly because of remarkable mileage records.

Coast Ball Will Start On Tuesday

The Coast League baseball season will open Tuesday with Oakland at Sacramento, Vernon at Salt Lake, Seattle at Fresno and Portland at Los Angeles.

Portland, after its series with Los Angeles, plays at Salt Lake and then at home against Oakland in the third week of the season.

One Portland sports writer has picked San Francisco to finish first in the 1925 race, Seattle third and Portland fourth.

Blues Defeated. Portland, so far, in pre-season games, has won one from the Pittsburgh Pirates, lost two to the Kansas City Blues and yesterday, in its final pre-season exhibition game, defeated the Blues 5 to 4, although out-hit two to one.

The Beavers left for Los Angeles last night and are to hold a final workout there this afternoon. The following players made the trip to Los Angeles.

Pitchers: Hochach, Martin, Yarrison, Winters, Hasty, Burns, Keefe, pitchers; Crosby and Howard catchers; Thomas, McMan, Benton, Alconda, infielders; Lewis, High, outfielders; Hantel and Eutz, utility.

Billy Evans Says

PT. MYERS, Fla. (NEA Special). — After having discussed pennant chances with every major league manager, I am more firmly convinced than ever that pitching is the chief concern of every club.

Every manager in talking over the chances of his club to show an improvement, if not win a pennant, is the chief concern of every club.

In nearly every case there was some big "if" relative to the showing of this or that club and the "if" always centered around the pitching strength.

Last season good pitching made tender. The sensation work of Dazzy Vance, the super-pitching of Burleigh Grimes in the early stages of the race, and nine straight wins by Bill Doak, passed up by Branch Rikee as through, put Brooklyn in the running.

Wilbert Robinson, genial leader of the Dodgers, was much worried about his pitching when I conferred with him at the Brooklyn training camp at Clearwater.

At that time Vance had just come into the fold while Grimes was still a holdout and Doak had the game.

Bobbie was frank to admit that even if these two veteran pitchers did agree to terms, they would be off to a bad start, due to lack of proper spring training.

Since that time, realizing his pitching weakness, Robinson made a deal with Indianapolis for Pitcher Jess Petty. In the spring exhibitions games Petty made a great showing against several major league clubs.

Petty is a mighty good left-hander and may be just the man needed by Brooklyn. When Dutch Reuther was sent to Washington, Brooklyn got loose from its only veteran left-hander. The team needed one badly.

Recently I saw Petty work against the New York Giants and hold them rudderless for three innings. I sat with the Veteran Joe Cantillon, now an aide to the Comiskey forces at Chicago.

Eddie Collins heads a southpaw and Cantillon wanted to get a line on Petty. He expressed the opinion that Petty's fast ball wasn't good enough to get by in the majors. That remains to be seen.

It is just possible that Petty's advanced form is due to the fact that he pitched ball all winter in the Florida league. Petty has what players call a rubber arm; it never gets sore, can stand all kinds of work.

More Best Arrange Needed. — It is at least 200 more acres can be produced this spring for sugar beet growing, a best expert from California will not remain here for the experimental work, the chamber of commerce officials announced. In an effort to obtain more land for experimental purposes, a mass meeting of farmers will be held here.

If he advertises it, he knows it's good.

WEBFOOTERS' TEAM STRONG

University of Oregon, Eugene—(Special)—Prospects for a winning baseball team at the University of Oregon are bright. Coach Reinhart has few weak spots on the team, and a pitching staff that is superior to last year's twirlers.

Besides "Skipper" Brooks, who did most of the twirling last year, Reinhart will have the services of Fred Harrison, Carl Knudsen and Flynn are from last year's freshman squad; Scriptura played with the "babes" two years ago. Husband came from another college and was not eligible last year.

In the outfield are Knudsen and Douglas Wright, lettermen; Pete

Brooks and Frank Reinhart from last year's freshman team; and Peterson and Toole, 1924 substitutes.

SIX CONTESTS ON SCHEDULE

Oregon Agricultural College, Corvallis, (Special) — Six meets are on the program of the varsity track team for this season, including four Pacific coast meets and two eastern meets. This program is considered by M. H. "Dad" Butler, varsity track coach, one of the heaviest scheduled by the college in many years.

The first meet will be the Kansas relay, April 13. The Aggie relay team took first place at this meet last year. The team will enter in either the Drake relay at Des Moines, Iowa, or the Penn relay at Pennsylvania State the following week-end. Returning to Seattle, the team will enter the relay carnival there May 2. The new center track around Bell field will get its first taste of competition when Washington comes here to try to outdo "Dad's" rinder pounders May 9.

The Beavers will meet Oregon on the Eugene field May 22. The final Pacific coast conference meet will be in Seattle this year on the University of Washington track.

This is the season which has no reason.
