

**DUTCHESS TROUSERS**  
10¢ a Button, \$1.29 a Rip

**HOW MUCH ARE TROUSERS WORTH?**

YOU must have good style, good material and good workmanship or else trousers are expensive at any price.

For true value, you can't beat Dutchess Trousers. And here is why: For forty-six years the manufacturers of these trousers have made nothing else.

Because this famous firm has always kept abreast of the style and taken scrupulous care even to the smallest detail, their business has grown very large.

This gives them the chance to buy good materials in quantities at lowest prices. You get the benefit. The prices are right; moderate in the first place and lowest of all in the end because of their long wear.

Remember, every pair of Dutchess Trousers must wear because every pair is backed by the written warranty of "10¢ a Button, \$1.00 a Rip."

All types of Dutchess Trousers for all purposes. Come in and take your pick.

**YUKON SCENES IN GREAT FILM**

Murderous scenery, ranging from a glimpse of Mt. Katmai, active volcano, to wide, awe-inspiring views of the unparalleled snow-capped mountains of Alaska, shown in the "Lure of the Yukon" at Sherry's Theatre alone justifies the widespread praise given this picture.

But scenery, although it is undeniably in its beauty and appeal, is not the only attraction that this film possesses. A love story with its setting in a modern day gold rush to the Lost Hills and with thrilling episodes to satisfy the exacting tastes of the backgrounds, Eva Novak plays the leading role and her admirers will find her an superb actress in "Lure of the Yukon."

It is a northern play that stands head and shoulders above the usual run of "within the Arctic Circle" pictures.
