## TIGERS FACE STRONG TEAMS AT PENDLETON

La Grande will be competing with Walla Walla in track this afternoon for the first time in many years. The distance is a three mile race with Walla Walla, Pendleton and La Grande to be held on the Rosendly field at Pendleton this afternoon.

McFadden and his men left in race early this morning. Most of the men are in good shape and expect to hang up some marks for the Pendleton and Walla Walla schools to shoot at.

Reports from Walla Walla and Pendleton indicate that on paper at least the three teams are all

strong and may be expected to stay reasonably close together in the scoring.

Time starts to tick on Saturday, Oregon and Jensen are expected to be the mainstay of the Tigers. McFadden has been high since he won both the 100 and 200 yard races here last week. This season he is expected to break up points for La Grande in the hurdles.

So far reports from Pendleton have not credited any of the tracks with time equaling Hamilton's speed in the 100 and 200 yards. Whether the normally fast time made by the La Grande sprinter has been due to flukes on the part of the driver, or some better, will be shown today.

Jensen, the Tigers' strongest distance runner, is expected to show several points in the winning mile of the 1000. His time for the mile last Saturday was 18 seconds faster than that of his, the track's leading contender.

The Pendleton time referred to was made in a class meet and as the track always ran faster against the outside track at any other time, it may well be that by this evening.

### Leads in St. Patrick's Liquor Law Disfranchise Iriacs, Teetotalers

DUBLIN (AP)—The Pioneer Total Abstinence association of Ireland, the largest of its kind, has today announced that it has secured the support of the legislature for a bill to disfranchise Iriacs, Teetotalers and other members of the association.

All drink shops were closed, but there was an extension in favor of some fish traders. One had only to go outside the city boundary. It was said to get all the drink desired.

### HONOR UNKNOWN SOLDIER

WASHINGTON, D. C.—French armies of the world war brought their tribute to the American Unknown Soldier through Captain Charles Neuhouser, famous French ace, who recently placed a wreath on the tomb of the Unknown Soldier at Arlington national cemetery. The ceremony was arranged by Stuart Wilson, president of the American Legion. The poet was named Neuhouser, American who was killed in France, a member of Captain Neuhouser's unit.

leaving Philadelphia for the world title that year.

The World was visited Monday by a couple of seasons, then he returned to Boston. The Red Sox has deteriorated badly in Mike's absence and it was fitting that he should be invited to New York.

While with the Yankees, Mike was on three world series. His most valuable service to the Sox was making for them the first base in 1921 when the star third baseman was injured.

McNally played great ball and his first work did much to aid the Yankees in winning the pennant.

## NEW MARKS SET IN DRAKE RELAY PRELIMINARIES

DES MOINES, Iowa. (By the Associated Press)—Records breaking (inaugurated) the preliminaries of the two-day Drake relay carnival Friday when trials were run off in the field events, hurdles and dashes, and finally were decided in a limited number of events. The finals will be decided Saturday with a record entry of more than 2500 athletes from 191 universities, colleges and high schools in the competition.

As a result of the afternoon of exciting performances, a new American record and eight records for the Drake games were established. The crack Butler college athlete team of Indianapolis, competing in the college relay, smashed the record for the event by covering the distance in 7:44 2-10, beating the outdoor mark of 7:41 2-2 being set by the Irish-American A. C. competing in Boston in July, 1908.

The Butler team, running 440 yards, 220, 800 and 2 mile was composed of Kilgore, Gery, Carway and Phillips, running in the relay named. Watson also beat the former record by setting the Butler mark for 100 yards, running the distance in 7:44 2-10.

Richardson of Missouri, smashed the Drake mark for the 100 yard dash with a time of 1:19, 10 2-4 inches, while Schaefer, the giant weight thrower from Wisconsin, crashed the record for the shot put, tossing the shot 45 feet and 6 1-2 inches. First class qualifiers in this event also bettered the track record.

It would be a strange coincidence if McNally, at the close of the season, should find himself a member of another pennant winner and possibly world champion.

L. H. S. Girls to Play Interclass Baseball

Miss Thompson, coach of the girls' baseball team, is having practice every evening after school. If the weather permits, class teams will be chosen the first of the week. Interclass games will be played about the first of May and the winning teams will earn points for their classes. It is hoped that the school will have a cup to award to the champion team this year.

ILLINOIS BEATS STANFORD

RAN PHOENIX (By the Associated Press)—The Illinois Athletic club defeated Stanford university at water polo here Friday afternoon, 4 to 3 in a game that was tied at the end of the regular time and was decided in the second extra period. The result means that Illinois will play the west of Saturday's Olympic club, Chicago A. A. this game.

ETERNAL SET

Mike McNally of the Washington Americans is unique among major league ball players.

For 19 years Mike has stuck in the big show, yet during all that time he has never earned the rating of a regular.

Time Fortune has been mighty kind to Mike. Despite the fact that he has done much better winning, he has been fortunate enough to share in four world series.

However, a good substitute is a most valuable asset and Mike is entitled on form to be classed as the world's greatest set.

At various times he has filled in at second, short and third when a regular was unable to start. Best of all, he has few equals as a pinch-runner.

And Mike is particular about where he plays, having a particular fondness for world champions.
