

NEWS of SOCIETY

With Mrs. Sadie Orr Dunbar, State President of the Federation of Women's Clubs, as an honor guest the meeting of the Neighborhood club Tuesday afternoon was an outstanding one of the year.

Lots of Color Here

Mrs. George Carpy, who is soon to leave La Grande for her home in The Dalles, was called upon to speak and responded in her usual happy manner.

Mrs. Jessie Hoskins, of Baker, added much to the pleasure of the afternoon with a group of vocal numbers including "I'll Be Home Again" by Poldowski, "Iris" by Harriet Ware, "Water Boy" by Avery Robinson and "The Little Shepherd's Song" by Clara Edwards.

With Mrs. Hoskins as director the Monday Musical chorus gave a splendid program of American folk songs. In the first group were "Daisy Bell," "Love Song," "The Thirteenth of November," "From the Land of the Sky Blue Water" also by Edith and "By the Waters of Minnetonka" by Coleman.

During the social hour dainty refreshments were served by the special committee with Mrs. H. E. Dixon as chairman, Mrs. C. C. Pennington and Miss Lucy Wade presiding at the attractive tea table.

Mrs. A. T. Hill entertained a number of friends at dinner last evening at 6:30 o'clock. The table was beautifully decorated with a centerpiece of exquisite tulips and lily-of-the-valleys and the same idea was carried out in the clever placards.

HERE is a colorful frock with dots and circles of rose color on a background of Copenhagen blue. Fullness is introduced by pleats that hang from the pockets.

A magnificent tie and handkerchief in plain color form the trimming.

After dinner the evening was spent socially and later dainty refreshments were served. As the guests departed, each one was presented with a potted pansy to be placed in the garden in keeping with "Good Homes and Garden Week."

A delightful affair is being planned for tomorrow evening, April 29, when the last County club dance of the season will take place at the club house.

Those on the committee are: Mr. and Mrs. W. H. Latham, Mr. and Mrs. Chas. H. Reynolds, Mr. and Mrs. J. J. Carr, Mr. and Mrs. Norman W. Fress, Mr. and Mrs. F. B. Hayes, Mr. and Mrs. Merton W. Kiddis, Mr. and Mrs. Holger M. Larson, Dr. and Mrs. C. S. Moore, Mr. and Mrs. C. H. Miller, Mr. and Mrs. Ray Price, Mr. and Mrs. Harry Richardson, Mr. and Mrs. F. J. Scroggin, Mr. and Mrs. Earl Stoddard, Mr. and Mrs. August J. Stange and Mr. and Mrs. Adolph Siegrist.

Honoring Mrs. Sadie Orr Dunbar, Oregon President of the Federation of Women's Clubs, the officers and directors of the Neighborhood club and the officers of the art and music departments and children of the various committees participated in an informal banquet last evening at the Fairy hotel.

Beautiful red carnations were used as centerpieces and covers were laid for twenty-six. Mrs. Dunbar told of her experiences while in Washington, D. C., while attending a meeting of one of the National boards of the National Federation of Women's Clubs, of which she is a member.

Mrs. Dunbar was presented with a beautiful corsage of spring flowers. Members of the E. of L. P. and E. and the ladies auxiliary had an enjoyable time last evening when the gentlemen served dinner at six o'clock for the ladies, after which the ladies gave a short program. The remainder of the evening was spent dancing.

The W. B. A. met last evening at the K. of P. hall. Mrs. Christine W. Clark, District Deputy, and twenty members of the Baker review were present and a very interesting evening resulted.

After the business session, during which three plans were discussed for the Eastern Oregon Rally at the W. B. A. to be held at Bend, Ore., May 15 and 16, a short musical program was rendered and luncheon was served.

Sixteen members of the State Young Ladies Board of the M. L. A. delightfully surprised Mrs. May Brown Monday afternoon at her home on M street. The afternoon was spent at games and music, followed by luncheon.

Breakfast—Halves of grapefruit, breakfast spinach, crisp whole wheat toast, milk, coffee. Luncheon—Macaroni and cheese, pudding, steamed, brown bread, rhubarb bread, pudding, milk, tea, sauté potatoes au gratin, buttered string beans, cabbage salad, bread, milk, coffee.

If you have never served a succulent vegetable for breakfast, your family will undoubtedly remark at the innovation. However, such vegetables as spinach and asparagus make delicious breakfast dishes combined with eggs and milk.

Two and one-half pounds spinach, 2 tablespoons butter, 1-2 teaspoon salt, 1-8 teaspoon pepper, 5 squares of hot buttered toast, five eggs.

Wash spinach through many waters. Use warm water for the first washing and cold for the remaining cleaning. Shake out each handful of leaves when clean, but do not drain. Put into a large kettle with a close-fitting cover and place over a slow fire.

When the spinach is wilted increase the heat and cook for 20 minutes. If there is too much liquid to possibly use on the spinach, remove cover and let the water evaporate during the last five or ten minutes of cooking. Chop spinach with tender, season with butter, salt and pepper and arrange on toast, using the liquid as well as the vegetable. Dip a poached egg on each portion. Sprinkle with egg with salt and paprika and dot with butter.

Crisp pieces of broiled bacon can be served with this dish if desired. The spinach should be washed and put into the pan in which it is to be cooked the night before. Cover the pan closely and the leaves will be perfectly crisp and ready for cooking in the morning.

Chapter I, P. E. O., will meet Friday afternoon at Eight at the home of Mrs. Sarah Brownell. Luncheon will be served at 12:30 o'clock. The Elgin P. E. O. ladies will be hostesses.

Mrs. H. J. Kitchen will be hostess to the members of the Tuesday Bridge club tomorrow afternoon.

Mrs. Charles Payne will entertain the Thursday Bridge club tomorrow afternoon at her home on Second street.

The report is out that a well-known popular song writer will marry. It serves him right.

ALL OUT OF SORTS? So Was This La Grande Woman Who Tells Her Experience.

All too often women accept their pains and aches as natural to their sex. They fail to realize that weak kidneys are often to blame for that backache, those headaches, dizzy spells and that tired, depressed feeling. Thousands have found new health and strength by helping the weakened kidneys with Doan's Pills—a stimulant, diuretic. This La Grande case is one of many.

Mrs. Bettie Kohr, 2805 First St., says: "My kidneys were out of order and I had dull backache, I felt dull and languid and my kidneys acted irregularly. I used Doan's Pills and they soon cured me of all signs of the trouble. I have had no return of it."

Mrs. Kohr is only one of many La Grande people who have gratefully endorsed Doan's Pills. If your back aches, if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for Doan's Pills—the same that Mrs. Kohr had—the remedy backed by home testimony, 65 cents a bottle, Foster-McMillan Co., Mrs. Buffalo, N. Y. "When Your Back Is Lame, Remember the Story—65c."

Members of the B. B. G. club were entertained by Mr. and Mrs. Knauer here at their home on Adams avenue last evening. Mr. and Mrs. Nolan Hart were high score at cards, and consolation went to Orville Wright and Mrs. Ray Brown. Luncheon was served before adjournment.

Sixteen members of the State Young Ladies Board of the M. L. A. delightfully surprised Mrs. May Brown Monday afternoon at her home on M street. The afternoon was spent at games and music, followed by luncheon.

Radio Chats

(By Powell Crossley, Jr.) These guiding the destinies of radio in America should have their own objectives. A radio in every home. The constant improvement of radio programs.

The one thing that may curb the American public's enthusiasm in radio is the abuse of radio broadcasting. It is interesting to note already the influence of radio upon American tastes.

Jazz has its place in American musical tastes. It is the only distinctly American music we have. It is today by far the most popular of all forms of music in the United States. But there are good jazz orchestras and bad ones.

And had ones which consist of a "double-wool" and a "single-wool" are the ones that decrease interest in the better ones.

But such can be overcome and has been. That is why the American public is asking for better sweaters. It is getting really interested in the better known of the grand sweaters, the standard over-turtles and the classic of years gone by. It is a good sign. One need never fear about the future of a country which is genuinely interested in good music. And good music does not mean the elimination of jazz.

Stations must exercise judgment in the amount of jazz that is broadcast. And the exercise of judgment is the one thing needed to direct rightly the destinies of radio.
