

NEWS of SOCIETY

One of the prettiest affairs of the season took place last evening at the Country club when the last of a series of Country club dances given through the winter and spring months occurred in the form of a May Day dance.

A charming feature was a May basket dance by Mrs. Fred Walker dancing class. Little Miss Betty Grant appeared as solo dancer and was assisted by Misses June Stange, Gilda Ashby, Thelma House and Judy Stewart.

At an appropriate hour a dainty luncheon was served in clever little May baskets. The committee in charge follows: Mrs. and Mrs. W. H. Lohmann, Mrs. and Mrs. C. H. Reynolds, Mr. and Mrs. J. J. Carr, Mr. and Mrs. Norman W. Pegg, Mr. and Mrs. P. H. Hayes, Mr. and Mrs. Morton W. Riddle, Mr. and Mrs. Hoiger M. Larson, Jr. and Mrs. P. S. Moore, Mr. and Mrs. C. H. Miller, Mr. and Mrs. Ray Price, Mr. and Mrs. T. J. Strougin, Mr. and Mrs. Earl Stoddard, Mr. and Mrs. August J. Stanger, Mr. and Mrs. Adolph Stanger.

where delicious refreshments were served. Mrs. Carpy's many friends among the teachers of La Grande deeply regret her departure and their best wishes go with her to her new home at The Dalles.

In honor of Mrs. W. C. Crews, Mrs. B. J. Kiehn entertained the members of the Thursday Bridge club and friends at her home on O Avenue yesterday afternoon. Four tables were at play with high score going to Mrs. Ed. Boylen and the silver prize to Mrs. Fred Stuehli.

Mrs. Irvin Bramwell, Mrs. Mae Hilley, Mrs. Daley Buchanan, Mrs. Flora Ross and Mrs. Walter Jones were hostesses to the W. B. A. yesterday afternoon at the home of Mrs. Bramwell. Six tables of "go" were at play during the afternoon with Mrs. Chas. Reddingford winning high score for the first prize and the second prize going to Mrs. Norman. Mrs. Christine W. Clark, District Deputy, was present and gave two excellent readings.

Mrs. Charles Layle charmingly entertained the Thursday Bridge club yesterday afternoon. During the card session Mrs. C. J. Edensholm won high score for the club prize. Mrs. P. S. Robinson occupies the guest prize.

The home was attractively decorated with bunches of beautiful apple blossoms. A dainty two course luncheon was served at the close of the play.

Radio Chats

The tendency of stations to congest in large centers of population results in great difficulties in the distribution of wave lengths. The worst conditions are at Chicago and New York. At Chicago five wave lengths are available for ten operating Class B stations and there are several others in the course of construction.
