OLYMPIC FUND DENIED

THE HAGUE, Holland (AP) — The lower chamber of parliament Wednesday rejected a bill guaranteeing one million florins for the 1928 Olympic games at Amsterdam. (The normal value of a florin is about 40 cents.)

another big year.

* * *

Just prior to the opening of the season something went wrong with Mays' arm. He has been unable to throw a ball for several weeks. It is feared he is through.

* * *

MANAGER'S WOE

Infielders and outfielders, and in some cases catchers, have continued to star after suffering arm injuries, but pitchers seldom survive the ordeal with any degree of success.

One snap of the arm, one glitch of ball put Mays out of the running as a big leaguer, temporarily, at least, if not for good.

That is what a manager is constantly up against relative to the most important asset of his ball club pitching.

"If I get the pitching and I should get it, I will be up there," remarked Manager Robinson of the Brooklyn club when I met him in the south.

Pitcher Burleigh Grimes held out until the last moment and didn't get much spring work. As a result he was not ready at the opening of the season.

The great Dazzy Vance, while he has been able to win, has not pitched the ball of which he is capable.

So far Robinson hasn't got the pitching he expected, as a result his club got away to a slow start.

* * *

Pitching is the thing. However, a club that has the batting punch as supplied by Wheat, Fournier and Brown must be reckoned with. When the Brooklyn pitching arrives the club will be most troublesome.

Stowaways Get Jail Terms

BERLIN (AP). — Stowaways hunted for American ports from German ports will hereafter be given prison sentences up to two years.

Because of the great difficulty there have had with Americans behind stowaways, and the infliction of a fine of $1,000 upon companies by the United States government for every stowaway caught in America, it has become necessary for the German companies to insist upon the imposition of a heavier penalty upon passengers who sail without a passage on the passenger list.

"Why! He's Nothing But Skin and Bones"

"Marry Him? Never!"

"Quit kidding me, Agnes, when I get ready to land a man he's got to be a real man with plenty of good healthy flesh on his bones."

"Of course, I dance with Ed, he's a good enough fellow and I just feel sorry for him, but no skinny, bony chested, spindle shanked lath is going to sail the voyage of life with me."

Cheer up, Ed—things aren't so bad as they look to you right now. Many hundreds of skinny, gaunt, emaciated men looked even worse than you do till someone told them about McCoy's Cod Liver Oil Compound Tablets the best way to take Cod Liver Oil and how it would put pounds of good, firm, healthy flesh on their bones in just a few weeks.

Nothing like these health creating, weight producing tablets for skinny, underweight men, as thousands can testify. Start in taking them today—60 tablets—60 cents at Red Cross Drug Store, Glaw Drugs Inc., L. & L. Drug Co., or any real druggist anywhere in North or South America. Mail orders accepted.

And listen: If they don't put 5 pounds of good flesh on you in 30 days, get your money back—That's fair enough, but to more—very sure that you get McCoy's Cod Liver Oil Compound Tablets—the original and genuine.—Adv.

Edwards Is Hurt; Match Called Off

A wire from Billy Edwards who had been scheduled to wrestle Frank Pilling here Saturday night was received this morning by Hector McInnis, L. A. C. promoter, with the news that he would be unable to wrestle at the time and place mentioned.

Edwards claims to have injured a foot to such an extent to make his ring appearance impossible. The wire was sent from Pendleton and states also that he is leaving for Portland today.

The failure of Edwards to make good on his end of the contract will automatically cancel the match according to McInnis, who feels that no satisfactory substitution on the card could be made at this late date.

IDAHO BEATS GONZAGA

SPOKANE, Wash. (AP) — The University of Idaho nine ran up a 12 to 2 score over Gonzaga university here Thursday in a northwest conference game, and ended Gonzaga's string of four conference victories. Erickson pitched fine ball for the Vandals.

Billy Evans Says

CASE OF MAYS

Pitching is perhaps the most precarious position on the ball field.

Incidentally, pitching is most vital to a club's success. The power of a team can largely be measured by the strength of its pitching staff.

* * *

When I was in Orlando, Fla., this spring I had a chat with Carl Mays, former star pitcher of the American league. Last season with the Cincinnati Reds he was one of the most effective hurlers in the National league.

Mays never looked in better shape and was cutting loose with the ball in mid-season form.

"He was the most useful man on the staff last season," remarked Manager Jack Hendricks. "He was a great starter and an equally good relief pitcher."

It was apparent that Hendricks was banking strongly on Mays for another big year.

* * *

Just prior to the opening of the season something went wrong with Mays' arm. He has been unable to throw a ball for several weeks. It is feared he is through.
