IN THE PATH OF PROGRESS To study any particular human mechanism properly and diagnose its ills is beyond the power of any one man. Rapid scientific advancement demands specialists and complete modern equipment. At the HOT LAKE SANATORIUM a competent staff of physicians and a well-equipped laboratory give each individual the best possible service. The Hot Lake Sanatorium Dr. W. T. Phy, Owner and Director.

Rich Man-Poor Man- A DECLARATION To render the most dependable and courteous service. To the greatest possible number of people. At the lowest cost consistent with fair wages to the labor and capital employed. Giving and deserving fair treatment. thus To be a factor in upbuilding this community. Is the objective of this company. The Electric Light, Heat and Power business is thoroughly democratic. The workman's cottage and the best house in town get exactly the same grade of electricity, the same service and the same rates. Regardless of street addresses, size of house or amount of electricity consumed, every customer of ours is considered a good customer and treated as such. Both receive the same courtesy and attention from our employes. Requests from the smallest customer are as carefully considered as from the most important. It is unlikely that if the Light, Power, Heat and Power business were operated by political management, where votes counted, that the same democratic service would be rendered.
