No Skin?

Fancy an apple without a skin! The rain would soften it, the sun would shrivel it and dry it, the wind would buffet it and blow its particles away. It wouldn't be an apple very long—without a skin!

An apple's skin is just like a coat of Rasmussen paint.

A thin, tight skin of Rasmussen Pure Paint on the surfaces of your buildings will protect the wood, metal and other material against rot, decay and delapidation.

Treat your building investments as nature treats the apple. Give them real protection—a coat of Rasmussen Pure Paint.

Ask your dealer for Color Cards. Ask your painter for an estimate.

RASMUSSEN PORCH FLOOR PAINT

—performs two functions. It protects the floor from the wear of footprints and also from the sun and rain.

For this reason it has wide use on porch floors, steps and boat decks. The colors remain permanent.

Rasmussen Porch Floor Paint is ready to use, spreads quickly and uniformly, and dries thoroughly.
