One of the prettiest parties of the season took place yesterday afternoon at the Country club when Mrs. W. C. Perkins and Mrs. F. D. Lilly entertained with a luncheon. The luncheon table was artistically decorated in a lavender and yellow color scheme. A beautiful bouquet of lavender lilacs served as a centerpiece and at each end of the table was an exquisite bouquet of yellow tulips. Lavender and yellow candles were arranged in silver candle sticks. The placards were in the form of rose shaped nut cups in the same colors and the favors were miniature spring hats in various colors, with a powder puff cleverly attached. Covers were laid for thirty six guests. In keeping with the color scheme Mrs. Perkins wore a beautiful dress of yellow and Mrs. Lilly wore an equally attractive one of lavender.

Members of Chapter J. P. E. O. had a very interesting meeting yesterday at the home of Mrs. C. H. Seitz, with Mrs. Seitz and Mrs. Ernest Veira as hostesses. After the business session the afternoon was spent socially and Mrs. E. L. Holms-

GIANTS PASS, Ore.—The largest Douglas fir tree known will be dedicated at the Oregon Caves Sunday when the Oregon Cavesmen will hold their annual meeting at that place. This fir, between 13 and 14 feet in diameter, is said by forest officials to be fully a foot more in diameter than the largest previous one known. It is about a quarter of a mile from the entrance to the caves. A bronze tablet is now being made in Portland and will be placed on the tree with ceremonies. The season at the caves will open when regular guide services will be started. The Caves Resort company has added a dozen cottages at the caves and these are now ready for occupancy. The road has been placed in good condition. A man with tight shoes is more foolish than a woman with tight shoes because he should know better.
