NEWS of SOCIETY

Honoring Mrs. Harry Bouvy who will leave La Grande June 1 to make her home in Portland, Mrs. C. D. Putman and Miss Bertha Walsinger entertained yesterday morning with an unique picnic breakfast at Riverside Park. At nine o'clock a delicious menu of grapefruit cocktail, ham and eggs, biscuits, coffee and other items was served. The table was cleverly arranged on the lawn under the trees, and the table cloth was made of flowered crepe paper and the centerpiece was of bluebells. The dishes were of enamel. Fourteen dishes were of enamel ware. Fourteen members of the Alpha Club attended the breakfast.

Reverend Donald Reasoner, son of Reverend and Mrs. R. F. Reasoner of Winters, California and Miss Dorothy Mae French, daughter of Mr. and Mrs. Frank Smith, of Oakland, California, were united in marriage Saturday evening at the First Congregational church at Fruitdale, Oakland, California. Mr. Reasoner is a graduate of the University of California, also of the San Francisco Theological Seminary at San Anselmo, California. He was ordained this spring in the Presbyterian church of Berkley. The Reasoners were formerly residents of La Grande and are well known here. Miss French is a graduate nurse of the Merritt Hospital there.

They left Oakland immediately following the ceremony for Portland. They will arrive in La Grande Tuesday evening and will spend a few days visiting friends and relatives here, and will leave Thursday for New York to attend an Outgoing Missionary Conference there. Following the conference they will leave for their station at Bahia, Brazil.

Reverend Reasoner is a nephew of Mrs. Turner Oliver, Duncan McDonald and the late Peter McDonald of this vicinity. His sister, Miss Anna Reasoner, who makes her home at Wallowa, will come to La Grande to be with her brother while he is here.

For the June Graduate

HERE'S a quaint bouffant dress for the June graduate. Narrow ruffled organdie piquantly trims the full skirt of this dress, while the basque-like bodice has a colorful embroidered corsage in front.

The members of the World Wide Guild held their monthly business, missionary and social meeting Saturday afternoon at the home of their counselor, the May hostess, Mrs. C. C. Pennington, being indisposed. On arrival the guests were informed by an American Maid that her Chinese Mistress could not speak English. The Chinese hostess, Mrs. W. P. McAdory, wearing a cue and pajama suit, arranged and directed the meeting without talking.

The subject for the afternoon "Open Door Into China" was in charge of Miss Louise French. Marvel Rhine, president of the W. W. G.'s, presided over the business meeting. Plans were made for the next Red Letter day, Father's Day, June 21. Arrangements were discussed for attending the W. W. G. House party at Gladstone Park in July. In the Chinese Memory map drawing contest Miss Lucen Oliver and Miss Eldora Hansen won the prizes. Dolls were distributed to be dressed and returned at the June meeting of the guild when Mrs. Frank Jester will be hostess. These dolls go in a Christmas box to China.

Five members of the guild who will leave La Grande soon were presented with gifts of remembrance.

The girls who will leave are Miss Marvel Rhine, Miss Marian Lovett, Miss Marian Harris, Miss Ethel Harrison and Miss Louise French.

Miss Rogers Gained 15 Pounds in Six Weeks

Skinny Men and Women Gain 5 Pounds in 30 Days or Money Back

My dear Friends:

After my attack of Flu I was thin, run-down and weak. I had a sallow complexion, my cheeks were sunk in and I was continually troubled with gas on my stomach. I felt stuffy and had lost my appetite. I had read about McCoy's Cod Liver Oil Compound Tablets and decided to give them a trial. At once, I began to pick up an appetite, my cheeks filled out and my complexion became healthy looking and I gained 15 pounds in six weeks and am very thankful for what McCoy's Cod Liver Oil Compound Tablets did for me.

Miss Alberta Rogers, 264 W. Cerro Gorda St., Decatur, Ill.

To take on weight, grow strong and vigorous, to fill out the hollows in cheeks and neck, try McCoy's Cod Liver Oil Compound Tablets for 30 days. 60 Tablets—60 cents at Red Cross Drug Store, Glass Drugs, Inc., L. & L. Drug Co., and live druggists everywhere. If they don't give you wonderful help in 30 days, get your money back—you be the judge. But be sure and ask for McCoy's, the original and genuine. —Adv.

Sister Mary's Kitchen

BY SISTER MARY

Breakfast—Stewed prunes, cereal, thin cream, crisp toast, marmalade, milk, coffee.

Luncheon—Cream of asparagus soup, croutons, beet greens with hard cooked eggs, jelly roll, milk, tea.

Dinner—Jellied bouillon, baked ham and pineapple, creamed rice, jellied cabbage salad, fresh strawberries, sunshine cake, milk, coffee, rolls.

Well cooked rice served in a rich cream sauce, seasoned with grated cheese, is suggested in place of potatoes for this dinner menu.

This dinner is ideal for the maidless summer hostess, requiring a minimum of work at the dinner hour and no last minute fussing for the serving of a dish.

Of course, children under ten years of age should not be permitted to eat the ham and pineapple dish. If the meat is necessary for their diet a lamb chop solves the problem most conveniently.

Baked Ham and Pineapple

Two slices ham, 1 fresh pineapple, ½ cup brown sugar, 12 whole cloves, ½ cup water.

The ham should be cut about 3-4 inch thick through the center of the joint and the bone removed. Cut pineapple in half-inch slices, pare, remove eyes and core. Place in an earthenware bowl, sprinkle with sugar, cover and place in a warm place for two hours to draw out the juice. Put ham into a baking pan, cover with slices of pineapple drained from the juice and stuck with cloves. Drop bits of the fat trimmed from the ham over the fruit. Add water to pineapple juice and pour over ham. Cover and bake 1 hour in a moderate oven. Remove cover and brown the slices of pineapple. If a self basting pan is not used, baste frequently with the liquor in the pan while baking. Serve slices of ham on a platter surrounded by slices of pineapple, and garnished with bunches of crisp watercress.

Canned pineapple can be used in place of fresh. In this case the fruit is not cooked with the ham, but browned in the fat for ten minutes. The juice is used for basting.

Coal Baron Opens Grocery To Give People Money's Worth

NOTTINGHAM, Eng. (AP)—Sir Charles Markham, owner of extensive coal mines, recently surprised his friends by opening a grocery store.

"I am not exactly a philanthropist," but I do like to see the public get its money's worth."

His idea in opening the store is to supply the people with the best possible goods at minimum price.

Radio Controls Movie Camera

UNIVERSAL CITY, Cal. (AP)—Radio control, which has been used successfully in the operation of airplanes and battleships, has been applied to motion picture cameras.

Officials of a film corporation have perfected a radio device by which cameras may be placed at distant points and actuated by a transmitter.

The invention is devised for use in photographing long landscape scenes showing battles and similar large spectacles, where cameras at varied positions must be used at the same time.
