The girls playing last evening were: Cleda Harvey, June Stango, Louise McCarroll, Virginia Warnick, Elizabeth Hopkins and Barbara Hatt. Each selection was skilfully rendered and displayed excellent training.

### Roseburg Fete Ended

ROSEBURG, Or. — Roseburg's annual strawberry carnival came to an end with a fine program. The industrial parade was more than a mile and a half in length, and in it were some of the most beautiful floats ever seen in a carnival parade in this city.

The first prize went to a huge float decorated with evergreen and pink roses, which carried a bevy of grouped ballet dancers, pupils of a local dancing instructor.

In the afternoon sports were presented on Main street and the interest in them was great. The races were marred by one mishap. One of the motorcycle riders was badly injured. The tug of war between the merchants of Jackson and Cass streets attracted much attention. Jackson street won the event. The carnival was a big success from every standpoint.

Faded glances are prevented by adding two tablespoons of turpentine and one-half of salt to the water when shrinking.

## Sister Mary's Kitchen

BY SISTER MARY

**Breakfast**—Stewed rhubarb, scrambled eggs, broiled bacon, crisp bean toast, milk, coffee.

**Luncheon**—Baked new cabbage, brown bread, cup custard, plain, cookie, milk, tea.

**Dinner**—Pot roast of beef, potatoes roasted with meat, brown gravy, creamed new carrots, spinach, salad, cream puffs with strawberry cream filling.

Some authorities on the feeding of young children consider a "brown gravy" one of the forbidden foods. If the gravy is thick with fat, heated to intense heat for the purpose of browning, it must assuredly be forbidden. But if the gravy is browned by the meat juices as in a pot roast and slightly thickened with flour, well cooked before serving, it makes a delicious and popular dish for kiddies.

**Hard New Cabbage.**

Four cups finely shredded cabbage, 2 tablespoons butter, 1 tablespoon flour, 1 1/2 cups milk, 1/2 teaspoon salt, few grains pepper, 4 tablespoons buttered crumbs.

Let cabbage stand in cold water for 1 hour before cutting. Pour boiling water over cabbage and let stand 1 minute. Drain and plunge into very cold water and let stand 2 minutes. Drain. Put into 2 quart rapidly boiling water salted with 2 teaspoons salt and boil uncovered for ten minutes. Melt butter, stir in flour and slowly add milk, stirring constantly. When thick and smooth season with salt and pepper. Add drained cabbage and turn into a buttered baking dish. Cover with buttered crumbs and brown in a hot oven.

## Hints for the Housewife

STRAWBERRY—BANANA DEEP DISH PIE

Deep dish fruit pies which are of English origin and very delicious are quite uncommon here. The housewife whose family is fond of strawberries and who wishes to present them in a variety of ways during the season, will try this delightful pie which is sure to be well received.

Place a small cup upside down in the center of a deep enameled ware baking dish and fill in around and on top of the cup, if necessary, with a quart of strawberries. Then add one banana sliced thin, which will not only enhance the flavor of the pie but will make the berry juice more syrupy. Add three quarters of a cupful of sugar and two tablespoonfuls of water.

Make any desired crust, roll to one inch thickness and cut several slits in it to allow the steam to escape. The cup will collect the juice so as to prevent the crust from getting soggy, but the slits are quite necessary, too. Moisten the edge of the baking dish with milk so that the crust will adhere firmly. Cover the dish with the crust and bake in a hot oven for forty-five minutes.

This pie can be served either hot or cold. If preferred cold the pie can remain in the enameled ware baking dish for any length of time because its vitreous surface is not affected by fruit acids.

After the first few servings of crust have been removed, take out the cup so that the juice will be served with the berries.

A thin custard sauce goes well with this dessert.

### HOW TO USE LEFTOVERS

Leftovers, which many housewives regard as a nuisance, often can be made as delectable as their "first appearance." A delicious "first appearance" luncheon dish can be prepared in the following manner with leftover salmon, tuna fish or any roast meat.

Sauté one-half of a small onion, minced, and one small green pepper, chopped fine, in two tablespoonfuls of butter. Put two cupfuls of strained, cooked tomatoes into an enameled ware saucepan, which is impervious to the action of vegetable acids, and mix in lightly two cupfuls of steamed rice. Then add the onion and pepper, two cupfuls of cooked and flaked fish or sliced roast meat, one tablespoonful salt, and one eighth teaspoonful of pepper. Mix thoroughly and let boil for two or three minutes. Then turn into a well-
