Mrs. Jonas Weimer, of Cove, was shopping in La Grande yesterday.

T. E. Smith, proprietor of the Miller hotel at Wallawa, was a business visitor to La Grande yesterday.

Two new electric signs to add to the appearance of Adams Avenue were hung yesterday. One was put up by the W. H. Bohnenkamp Co. advertising Goodyear Tires and the other by the Macky Wigley Store. Letters in both are of white opaque glass and present a very attractive appearance, particularly after dark.

TWO NEW SIGNS

TAX FIGURES FOR COUNTY ARE GIVEN

ker of Wallawa counties, the taxes in those counties being \$28.44 and \$36.52, respectively. The millage rate also is higher in Union county, 22.54 mills, and for Wallawa county 27.78 mills. In unincorporated territory in Union county the per capita tax is much higher than the average for the state, which is \$62.42. In Union county it is \$76.40. For property located within the city of Baker county being \$21.65, which is \$14.12 under the average city per capita. In cities the millage rate is above the average and outside of cities it is considerably below. The average for cities is 50.95 mills, while for unincorporated territory of Union county it is 22.52 mills.

Island City has the lowest levy in the county, the rate there being 26.05 mills, but its per capita tax is only fourth lowest in the county, Summerville being first with \$7.12 for its tax per inhabitant. Only one incorporated town in the state, Beaver Hill, has a lower per capita tax. Its per capita is \$5.

Union has the highest millage levy, but even this rate of 54.6 mills is much lower than in some cities, notably Lakeside, with its levy of 126.22 mills; Bond, 106; North Bend, 100; Seaside, 94.12; Redmond, 81.9; Brineville, 81.25; and Florence, 59.8. La Grande has the highest per capita tax in the county, it being \$36.29. Cities with the highest per capita taxes are Warrenton, \$25.56; Gearhart, \$24.54; West Linn, \$17.25; Newport, \$12.92; Toledo, \$8.74, and Seaside, \$5.45.

Taxes Show Increase—Union county taxes show an increase this year of 2.79 per cent above those levied in 1924, compared with an average for the counties of 6.94 per cent. The county tax roll of \$754,559 represents 1.57 per cent of the total property tax levied in Oregon, which is \$42,849,751.

Of this county total, \$292,945, or 46.28 per cent will be used for high and grade schools, with an additional \$45,921, or 5.97 per cent, levied for the support of higher educational institutions. Bonds will receive \$292,912, of which \$126,252 is for road bonds. The levy for county general purposes is \$64,842, for cities and towns, \$100,110, and for fire patrol, \$4985. Union county's share of the tax levied for state administrative purposes is \$14,255, or 1.89 per cent of the county total, and for the soldiers' bonus it is \$19,270.

Following are the millage rates and per capita taxes on property in the cities:

City	Rate	Per Capita
Cove	26.5	\$12.74
Elgin	42.5	16.49
Imbler	27.5	23.42
Island City	26.05	27.42
La Grande	54.6	36.29
North Powder	47.4	23.42
Summerville	36.55	7.32
Union	54.6	31.28

The millage rate of La Grande is higher than Baker City, which has a levy of 41.6 mills, and the per capita tax is also higher, this being \$21.45 in Baker.

due and that they would have to move today.

"I'll shoot the pictures of the wall and then surrender," he told the officers.

He then turned about, fired some more bullets into the children's bodies and then shot himself as the police broke open a door. Attendants say that he will live.

GRANGE WANTS PUBLIC MARKET

(Continued from Page One.)

Grange of Summerville is present as a delegate from the grange with a special invitation to attend its fourth of July celebration.

A special feature of the program in the future will be a contest to see who can name the greatest number of weeds. A committee is to select specimens of all the weeds in the county and they are to be on display without being named. H. G. Avery, county agent, is to be asked to address the grange on the different ways of killing weeds and a study of the proposed weed law, as being drafted by the Wingville grange of Baker is planned.

The next meeting will be June 20 when reports from the dele-

the horses for the Round-Up at Pendleton every year.

Besides a number of lesser lights, Miss Lorena Trickey, Walla Walla, has agreed to be present at the show to ride Mr. Jory's wild ones. Miss Trickey is one of the most famous women riders in the world. She has twice been special guest of the McAlpin hotel in New York and has received many other honors.

Prizes for the winners of the bucking contests are unusually liberal and include a \$150 saddle, two silver mounted bridles, chaps, offered by the president if the Round-Up association and \$25 in cash prizes besides numerous special prizes.

W. H. Smith, Joe Cantrell and two other owners already have chariot teams on the ground. Some of these have made exceptionally fast time in preliminary trials.

Among those who have stables of horses at Union now are Joe Cantrell, Jim Blanton, Blackie Jordan of Baker, Mr. McAlister of Elgin, Homer Bissell, Mt. Stevens, Mr. McAlister, Pendleton Brothers of Hope and others.

Fennison Horse Famous

A Fennison brothers horse recently won the 200 mile endurance race staged by the U. S. government. The horse which won this race is valued at \$2500 and is on the state show grounds now.

The sections for the draft horses, stallions, two horse teams and colts are already crowded in many instances. Competition in the saddle horse class is expected to be much keener than last year.

Meteorite, the famous United States government horse stationed at North Powder for breeding purposes by the Remount Association of America is in his stall at the state show grounds now. Meteorite is one of the most famous horses in the country and is ranked with Zev, Papyrus and other record makers. Mike of Lancaster, another famous horse, will also be displayed at the show.

A number of Meteorite's progeny have been brought in and will be entered in the exhibitions and also in some of the races.

Exhibit to Be Large

The best cattle division will be double that of last year, according to Mr. Vogel. In the dairy cow division 25 have already been entered. The boys' and girls' exhibits will be four or five times that of last year.

Dan Clark, livestock agent for the O-W, R. R. and N. company and his famous horse will be at the show. As will the secretary of the Oregon state fair and other persons in the great and four great classes.

The log entries include a number of each representative breed, Poland Chinas, Chester Whites, Durco Jerseys, Hampshire and Berkshire. Many of these will be exhibited by members of the boys' and girls' pic clubs as well as regular owners.

In the realm of the annual in the exhibition line, Mr. Vogel stated that three kennels of police dogs have been entered, three pointers.

Following Mr. Vogel's report, Frank McKenna, H. E. Conledge and Chase Bohnenkamp of La Grande made short talks. Reports by members of other committees were given also.

JURY ACQUITS G. A. CARLSON

The circuit court jury on the case City of La Grande vs. Carlson, found in favor of the defendant yesterday afternoon. Carlson has been previously convicted in the city court on a liquor charge and appealed the case to the circuit court. The case, City of La Grande vs. Drumsmith, another appeal from a liquor conviction which was to have been tried yesterday afternoon did not come up, for the defendant plead guilty and was fined \$25.

An appeal from the justice court, State of Oregon vs. Williams, was occupying the attention of the court this morning. Williams was convicted of the possession of elk hides.

Most of the morning session was spent on a motion by the defense to have the evidence returned to the defendant and not admitted in court, on the theory that John Walden, the officer who made the arrest, had no right to search his person or premises without a regularly authorized search warrant. After arguments by the attorneys, Judge Knowles denied the motion.

Pleas Entered

John Day, Frank Nelson and L. A. Chase, charged with "robbery, not in a dwelling house," plead not guilty before Judge J. W. Knowles, this morning. Their trial has not been set.

Fred Spain and E. O. Zeek, indicted by the grand jury on charges of transportation of liquor were arraigned this morning and plead not guilty. Their trial will probably be next week.

William Schwelke and Albert Witherson were arraigned, charged with manufacturing liquor. They will enter the plea tomorrow at 10 o'clock.

year as secretary of the association, announced that arrangements had been made for complimentary tickets. These tickets are printed especially for the benefit of persons who desire to give tickets to the show to their friends. At the top of the ticket is a space where the donor may sign his name, and the name of the person to whom he gives the tickets.

These tickets will be sold at the same price as the regular tickets. Mr. Smith stated that he had received inquiries for tickets from all sections of the northwest, including Myrtle Point, Oregon, Nampa, Wallawa and other cities.

Brief talks were made by Earnest Bell and his brother, Roy Bell of Cove, H. C. Emmel, head of the Smith-Hughes boys' judging work at Union, Gordon Mills of Cove and E. P. Mayo of Union.

E. H. Churchill, in charge of the arrangements stated that the dances will be given in the Union gymnasium every night of the show and that a number of carnival concessions have been obtained.

Tom Cook, in charge of the ticket department, announced that reservations for seats are on sale now.

The concluding talk of the evening was made by Dr. W. T. Pby who expressed the policy of the association and its ambitions to enlarge the show each year until it is truly representative of the inland Empire and is for "this country" what the Pacific International Exposition is for the Pacific Coast."

ALL ISSUES FAVORED BY CITIZENS

(Continued from Page One.)

one precinct was in precinct No. 7. The lightest was in precinct No. 2. The greatest percentage given any measure was in precinct No. 9, where the average disposal plant went over 95 to 4, or 224 to 1.

One Precinct Against

One precinct—Lane Chapel district—was the only one to go against any one issue. The vote was 29 for, 21 against storm sewers. The other three issues won out, however.

The city hall precinct was first to report with Nos. 3 and 9 second and third. Lane Chapel was the last in.

The total vote in the city was little more than one-third of the registered voters. The average vote is nearly one-half. The commissioners, however, feel that the true sentiment of the city was expressed as it is usually the case that all opponents to any measure vote while many who favor the issues up, fail to go to the polls.

Band Sales, Work Next

What remains to be done now in the sale of the bonds and the actual beginning of construction. Since the passing of a charter amendment some time ago bearing upon this sale of improvement bonds of La Grande has been easy with several companies.
