

TO SIMPLIFY POSTAL WORK

WASHINGTON (AP)—The Universal Postal Union, acknowledged one of the most potent factors in fostering and establishing friendly relations between nations during its 50 years of existence, is about to undertake simplification of its work.

Officials of 14 leading postal administrations of the world will meet at Cortina d'Ampezzo, Italy, July 6, as a special committee to study and seek ways and means of making less burdensome the work of the universal postal congresses of the future, and accelerating their progress. Joseph Stewart, executive assistant to Postmaster General New, has been appointed to represent the United States in the postal department, and will sail from New York June 13 on the steamship Leviathan.

The determination to simplify the work of the congresses was decided upon at the eighth Universal Postal congress held at Stockholm, Sweden, last summer. Its sessions, occupied a longer time than any congress except one, and a special committee was named to prepare methods by which the duration of future congresses could be reduced. The next congress will be held at London, England, during 1929. The committee will recommend to the various nations a revision of methods of procedure for that congress.

The convention agreed upon at the Stockholm congress will go into effect October 1 this year. President Coolidge and Postmaster General New already have signed the convention and protocols. Under their provisions the postage rates on international letters were changed from the previous maximum and minimum of 10 and 5 cents for the first unit of weight, to 8 cents and 4 cents, but a provision permits any country to establish a lower rate with another. Under the latter provision the United States has a 2-cent rate to practically all South and Central American countries and to a number of other countries. Regulations on the imposition of a charge for deficient postage have been changed from the present minimum charge of 8 cents to 2 cents, and in any case not to exceed double the amount of the deficiency. Unpaid and insufficiently paid postal articles, except letters and postcards will not be forwarded to destinations but will be returned to senders.

Last Picture

This is the last picture ever taken of former Vice President Thomas R. Marshall, who died in Washington recently. It was taken while he was stopping in Washington.

STOCK TO BE ON EXHIBIT

COVIL (Special)—Several Covil poulters are making preparations for exhibits to be taken to the Union stock show. The Bell brothers will exhibit some stock. They have some of the finest pure bred stock in the northwest, purchased from J. C. Brown and son at Shedd, Oregon, and also from the farms of John Koolha of Forest Grove. They will also exhibit some imported stock purchased from L. J. Smith, of Seapooos, Oregon. The boys and girls club will exhibit a fine line of stock. Gordon Mills will exhibit one three year old Jersey cow, Dorothy Mills, a pure bred Jersey calf and Alby Mills, a six months old beef steer.

Miss Della Weimer, who has been attending school at Prvvo, Utah is at home again.

Mr. and Mrs. H. C. Ross and daughter, of Union were at Cote Sunday the guests of Mrs. A. G. Conklin.

Registration of the serious illness of her father Mrs. T. C. Hefty will leave within a few days for her former home at Grand Valley, Colorado.

The missionary program at the Baptist church Friday evening was very interesting. There were 12 members on the program, the principal feature being a drama "A Desert with a Mission."

A children's day program will be given at the Baptist church Sunday evening June 21 at 8 o'clock.

A. B. at 75

John Franklin Brown is 75 but he has just been given the degree of Bachelor of Arts by Salem College, Salem, W. Va. Fifty years ago he left home at Madison, Wis., to enter college but a series of misfortunes prevented. Now that he has it, he's going to do post graduate work, then teach.

FRUIT STORAGE PROVIDED

MEDFORD, Ore.—The Southern Pacific railroad district office here has been advised of the establishment of new storage facilities on posts and spurs at Medford. This arrangement becomes effective July 5 and applies to shipments originating on Southern Pacific lines and connections north of Medford and destined to Chicago or Woodland, Cal., or other points north.

This arrangement facilitates the handling of perishable fruits from localities where storage facilities are not available by shipping the fruit to the Medford pre-cooling plant and storing there until the market is more satisfactory.

Come out of the Kitchen

Greater freedom for the enjoyment of life can be yours—thanks to new labor-saving devices.

Chief among these are the new types of Perfection Oil Ranges which eliminate the drudgery of using coal or wood and cook with all the speed and satisfaction of the gas stove.

Big, substantial, good-looking and equipped with every convenience, these "grown up" oil stoves are capable of handling all the cooking for any family, the year around—and doing it with so little effort for either the stove or the cook, that kitchen tasks are greatly lightened.

Your dealer has Perfections and will be glad to demonstrate their gas-like service. See him today.

Red Cross Training School

WARAW, (AP)—The Warsaw Nursing School, founded by the American Red Cross and still supported in part by it, has celebrated its third commencement exercises. Twelve diplomas were issued to young girls who had finished a two year course.

Mrs. Bridge, the head of the school, spoke in Polish, which she has mastered since 1921. The work of the school is so highly appreciated that the Polish government has set aside a sum of money for a new building.

Women to Have Busy Summer at Wembley

LONDON, (AP)—Women are going to have more to do with this year's Wembley Exhibition than they did last year. Queen Mary will pay many more visits during the summer, if her engagements permit.

Under the presidency of the Duchess of York and the vice-presidency of Princess Mary, the women's section has organized many functions including a "National Baby Week." The march of women into spheres hitherto exclusively held by men is indicated by the intention to hold a conference of women engineers.

S-S, West Coast theaters; 8-10, Beverly Hills Nurseries; 10-11, KNX features program; 11-12, Abe Lyman's Coconut Grove dance orchestra from Ambassador hotel.

KFO, San Francisco, Calif. (428.3), 6-6:15 p. m., baseball; 6:15-7, Lowell's Warfield theater; 7-7:30, Palace hotel dance and concert orchestra; 8-11, Gene James' Rose Room Bowl orchestra.
