BY SISTER MARY

Breakfast—Strawberries, cereal, thin cream, crisp rolled oats, bread toast, milk coffee.

Luncheon—Scalloped cabbage and tomatoes, cottage cheese sandwiches, rhubarb jelly with whipped cream, caramel cookies, milk, tea.

Dinner—Nut loaf, creamed asparagus, peas, cucumber and lettuce salad, Spanish cream, whole wheat bread, milk, coffee.

Children under 10 years of age should be served soft cooked eggs for their dinner in place of the nut loaf.

The nut loaf takes the place of meat for grown-ups and is particularly appropriate for warm weather. It offers a suggestion for the woman who is out of reach of the city markets.

Nut Loaf
Four good-sized potatoes, 1 cup chopped nuts, 2 tablespoons butter, 3/4 cup milk, 2 eggs, 1 teaspoon salt, 1 teaspoon mixed seasoning herbs, 1 tablespoon bread crumbs.

Boil potatoes until tender and put through a sieve. Add butter and milk and beat well. Beat eggs well. Add to potato mixture and bake on a well-buttered pan. Bake 30 minutes in a moderate oven.

A mixture of English walnuts, pecans and almonds is very good or all pecans or walnuts can be used.

Mr. Bryant, Smith-Hughes man from Richland, was in Union last week, a visit to the Stock Show.

The Boucher-French Carnival Company closed its week of operation in Union Saturday night, rather disappointed with the result of their stay here for the stock show week. Flag Day Observed
Sunday, national flag day, was also memorial day for the Knights of Pythias lodge, and was fittingly observed by the lodge in Union. They formed in line at their hall and led by the band, marched to the cemetery, where services were held and flowers were placed on the graves of their deceased members who had been buried there. Leaving the cemetery, they marched to the Methodist Church and listened to a special address by Rev. C. A. Quinn. The band also participated in this service.

Mr. and Mrs. Hal Ross, and daughter, Connie, started on Sunday morning for a camping trip, with Wallowa Lake their probable destination.

Mr. Scott, a spectator who was injured at the Stock Show Wednesday was not so seriously hurt as was first thought. He was standing near a bucking horse and the animal plunged and struck him with his feet knocking the man down.

In the fall he also injured his hip and skinned his face considerably. Though badly bruised and with his body in sustained, no serious injury and was able to be out again in a few days.

J. B. Shanks who recently moved to Pendleton where he bought a bakery business, came back to Union for the Stock Show.

E. A. Humphrey, who has been a business man in Union for several years but who recently sold out to Mr. Watta of North Posler left the first of last week to join his family who have been in California for several months. The family will then go to Texas to join his mother. The family will probably locate in Texas or in the northern part of Mexico, where Mr. Humphrey was formerly engaged in the railroad office work.

Band Boys to Climb Mt. Hood
BEND, Ore.—Three band boys, members of the party which climbed Mount Washington and Three-Fingered Jack for the first time two years ago, left for the Canadian Rockies where they plan to scale Mount Robson, 13,958 feet high. The mountaineers are Eryin McNeal, Wilbur Watkins and Ernest Putnam. Mount Robson has been climbed only three times, once by the members of the Canadian Alpine club last year.

Sun's Halo Remarkable
ROSEBURG, Ore.—Roseburg people witnessed an unusual solar phenomenon for this section, a very bright sun halo. The sun, shortly before noon, became surrounded by a dark halo, with a bright circle forming its outer circumference. Outside this halo, in a circle with about 40 degree radius there was a brilliant rainbow, while cutting directly through the halo was another circle of light.

Most pure white and of great brilliancy. Although such solar exhibitions are not of infrequent occurrence in some sections of the country, residents of Roseburg were unable to remember any of such brilliance ever seen here before.
