Spokane Shooters Win Trip Honors

SPokane City the Associated Press—Art Darrow of Spokane with 48 targets won the "State" double championship event at the 31st annual meeting of the Washington transposers association here yesterday.

Next, there was the elimination of Frank pitching of all kinds, the spit-ball included. Then followed other rules relative to rubbing the ball on the turf or in the glove.

Perhaps the worst feature from the pitcher's standpoint was the use of so many new balls, due to the fact that contact with the canvas made them quickly rotting, the cover of the ball. Then came the lively ball.

All these returns have handicapped pitching and increased batting. The pitchers have come to the conclusion they are worthy of some favorable consideration. They are going after it.
