

NEWS of SOCIETY

A pretty appointed picnic party took place yesterday afternoon when Mrs. H. A. Lurbrick entertained twenty children honoring her little daughter, Ruth Jeanne's, third birthday anniversary. The afternoon was delightfully spent at games, after which the children were seated at a long table decorated with a beautiful pink and blue color scheme, pink roses and blue delphinium being used, and a delicious luncheon was served. The pink and blue colors were also carried out in the luncheon. Clever little favors in the same colors were at each plate.

Those present were: Howard and Margaret Dixon, Nancy Holmen, Mildred Green, John Ralston, Jack Murphy, Nancy and Albert Dutton, Mary Ellen and Jean Watkins, Betty Ruth Bohnenkamp, Mary and William Pree, Phyllis Westenhaver, James and Mary Gene Bohnenkamp, Stella Jean Ingle, Billy and Harry Neal, Mary Etta Poley, Wilfred Zurbrick and Ruth Jeanne Zurbrick.

Alice Price Moore will arrive in La Grande Monday evening for the beginning of her Eastern Oregon concert tour with Victor DePinto, local violinist. In connection with the appearance at the Methodist church next Thursday evening of these two artists, the Men's Forum, under whose auspices they appear, wish to announce that at their special request, Mrs. Moore will sing a group of old familiar airs. Her big, melodic, contralto voice has pleased thousands of people in festival singing like the State Fair and in concert work as she did in her recent appearance as a contralto soloist for the Portland Symphony orchestra.

In her first group in the Thursday evening program Mrs. Moore will render selections from such masters as Verdi, Tosti, Schumann and Brahms. Mr. DePinto has chosen such composers as Saint-Saens, Lederey, Bach, Gossic, Sinding, Keffield and others for his violin numbers.

One hundred reserved seats are now on sale at the Eastern Oregon Music Company.

The customary mid-season dancing parties given by the La Grande Country Club for juniors, will begin next Wednesday evening. These parties have always been the signal for big gatherings of boys and girls during the summer vacations and special effort is being put

forth this mid-season to entertain the youngsters.

Mrs. R. J. Kitchen is general chairman of that department and the special committee directly in charge this month, consists of Mrs. E. L. Holmes, Mrs. S. D. Crowe, Mrs. William Steerist and Mrs. A. W. Nelson. Good music has been provided for.

The Ladies Aid of the Baptist Church met yesterday afternoon at the home of Mrs. William Shade. Mrs. Lucy Graham, vice president, presided over the business meeting and committees were appointed to arrange the date and program for the apron sale to be given by the society sometime in the future.

Following the business session the afternoon was spent socially and refreshments were served by Mrs. Shade and Mrs. Graham.

ELGIN, (Special) — Last Wednesday a number of the women members of Cricket Flat Grange met at the home of Mrs. J. E. Witherspoon and following a social afternoon a short business meeting was held. After discussion by those present a club was organized for the object of furthering the interest of the members of the Grange in a social way and to give all assistance possible in bringing about the building of a much needed hall for the grange.

The following officers were elected: President, Mrs. Bernal Hug; vice president, Mrs. S. A. Knight; secretary-treasurer, Mrs. Lynn Hill. The club will be known as the Home Economics Club and every effort will be made to improve the methods and practices that will make farm home life more enjoyable and attractive.

Those present were: Mrs. Bernal Hug, Mrs. Anna Klinghammer, Mrs. Emil Miller, Mrs. Roy Prout, Mrs. Lynn Hill, Mrs. C. D. Huffman, Miss Sarah Wickens, and Mrs. Glen M'Inten, of Bend, Oregon. The hostess, Mrs. Witherspoon, assisted by Miss Louis Witherspoon, served refreshments during the afternoon.

ELGIN (Special) — Miss Dorothy Wink and Walter Cross were married last Sunday morning at the home of the bride's parents, Mr. and Mrs. David Wink. Reverend H. L. Willis performed the ceremony. Miss Blanche Roulet was bridesmaid and George Gerson acted as best man.

The bride is a member of the graduating class of 1924 from the Elgin high school. She taught school last year in the Catherine Creek District. The groom is the son of Mr. and Mrs. L. L. Cross of Indian Creek.

Immediately after the ceremony the happy young couple left their new home near Enterprise.

Rockne to Visit Baker. — Knute Rockne, noted American football coach and athletic director at Notre Dame, will visit Baker and McEwen, Ore., for a few days with his brother, P. A. Rockne, who resides on a farm near McEwen. Rockne planned to visit here last summer, but postponed it until this summer when he comes west to take charge of a summer football coaching class at Oregon Agricultural school.

Sister Mary Says:

Breakfast—Stewed dried peaches, cooked rice cereal, thin cream, crisp whole wheat toast, milk, coffee.

Luncheon—Cream of carrot soup, cheese crackers, cherry salad, cup custard, plain cookies, milk food tea.

Dinner—Broiled lamb chops, creamed potatoes, new peas, jellyed vegetable salad, junket ice cream, strawberry sauce, milk, coffee, whole wheat bread.

A jellyed salad is an ideal way to use up bits of left-over vegetables. The gelatin should be well seasoned with lemon juice and salt to tone up the vegetables. The jelly and a careful choice of vegetables may be served to children of school age.

Children under ten years of age should not be allowed to eat the cherry salad suggested for luncheon.

Cherry Salad
One cup ripe firm cherries, 1/2 lbs. hearts of lettuce, 1 package Neufchatel cheese, cream dressing.

Wash and drain cherries and remove pits taking care not to crush the fruit. Fill half the cherries with nuts and the other half with jelly balls of cheese.

Arrange in nests of lettuce hearts and serve with cream dressing.

Creaming Dressing
One cup whipped cream, 2 tablespoons lemon juice, 1 tablespoon sugar, 1/2 teaspoon salt, paprika.

It will take about 2-3 cup of heavy cream to make 1 cup of whipped cream. When cream is whipped add lemon juice drop by drop, whipping lightly with a doily or beater. Combine sugar and salt and add. Chill quickly and sprinkle with paprika to serve.

Hints for the Housewife

NEW ENGLAND STEW.

This stew makes an ideal warm-up luncheon. The housewife who is anxious to add new dishes to her summer list, will like this recipe because it is easily and quickly prepared.

Take about one cupful of cubes cut from thick slices of white bread, and brown them in two table-spoonfuls of butter. Skin four large tomatoes and cut them into small pieces. Place the tomatoes in an enameled ware saucepan, which is impervious to vegetable acids, add the bread cubes and cook over a slow fire for a few minutes. Then add a cupful of cooked corn and continue the cooking until the tomatoes are done. Season with one teaspoonful of salt, one-half teaspoonful of sugar and one-eighth teaspoonful of pepper. Garnish with parsley when served.

Many are Called—Few are Chosen

Opportunity knocks at the doors of all men and women—but not all of them are ready.

Not ready—merely because they have not been trained—prepared—for the big moment of their life.

The success of many people can be attributed to their training. True, some of them of unusual ability have become successful without schooling, but still they regard training as invaluable.

Training is your key to success.

OUT OF BUSINESS

A total of 860 municipal Light and Power plants have gone out of business in the last few years, and now less than five per cent of the entire electricity produced in the United States is made by municipal plants.

Reasons given for the abandonment of politically owned and operated plants are as follows:

1. Unusually high construction and operating costs.
2. Inadequate plant capacity.
3. Inability to earn enough to cover operating expenses and proper allowance for the upkeep of the plants.
4. Failure to earn any return upon investment, and for taxes, thereby imposing unjust burdens upon the taxpayers.
5. Knowledge of the fact that better service at lower rates could be obtained under private ownership and operation.
