Regrouping and rearranging stocks and when the doors open on Friday, the sale tags will tell a saving story never to be forgotten as long as you live.

This Is Our Last Notice To You! Come! Buy 'till It Hurts

Many have waited for the last days of our Great Closing Out Sale to stock up with present and future needs, knowing that prices would reach rock-bottom during our final drive. That time has arrived. With just seven days before we close this store—now is the time to buy. The limit of sacrifice has been reached—prices are as low as they can possibly go. Don't wait until the last day! We know of no possibility of you ever being able to buy Footwear and Ready-To-Wear at such ridiculous prices. We invite you back for our last and final "Good-Bye" Sale, and urge upon you the fact that these sale prices cannot be duplicated anywhere. It would mean business suicide for any merchant expecting to remain in business to meet our closing out sale prices. Our store has been closed for one day and we have gone through the entire stock rearranging everything and all former sale prices have been cut and slashed in a mighty effort to accomplish our purpose by Friday night, July 3rd, when the doors of this store close forever.

ALL DONE! OUT THEY GO!

With our final "Good-Bye" price reduction now in effect, the next seven days will see this stock melt away to a mere nothing. Hurry! Ladies! Hurry! Quick action means money to you! Get your share now! We would rather have you benefit by these savings than to sell in bulk to some jobber or speculator.
