

# THE TIME HAS COME

## To Buy Your Electric Range

The convenience of electricity is sweeping the old hot smoky fuel range swiftly to its place among the relics of bygone days.

Thousands of housewives are now satisfied users of electric ranges. They are convinced of their *Convenience--* their *Comfort--* their *Cleanliness--* their *Control* and their *Conservation*. These housewives know and enjoy the New Freedom.

"WHY BE A SLAVE TO A STOVE?"

Think Of It!

**\$1.00**  
Down

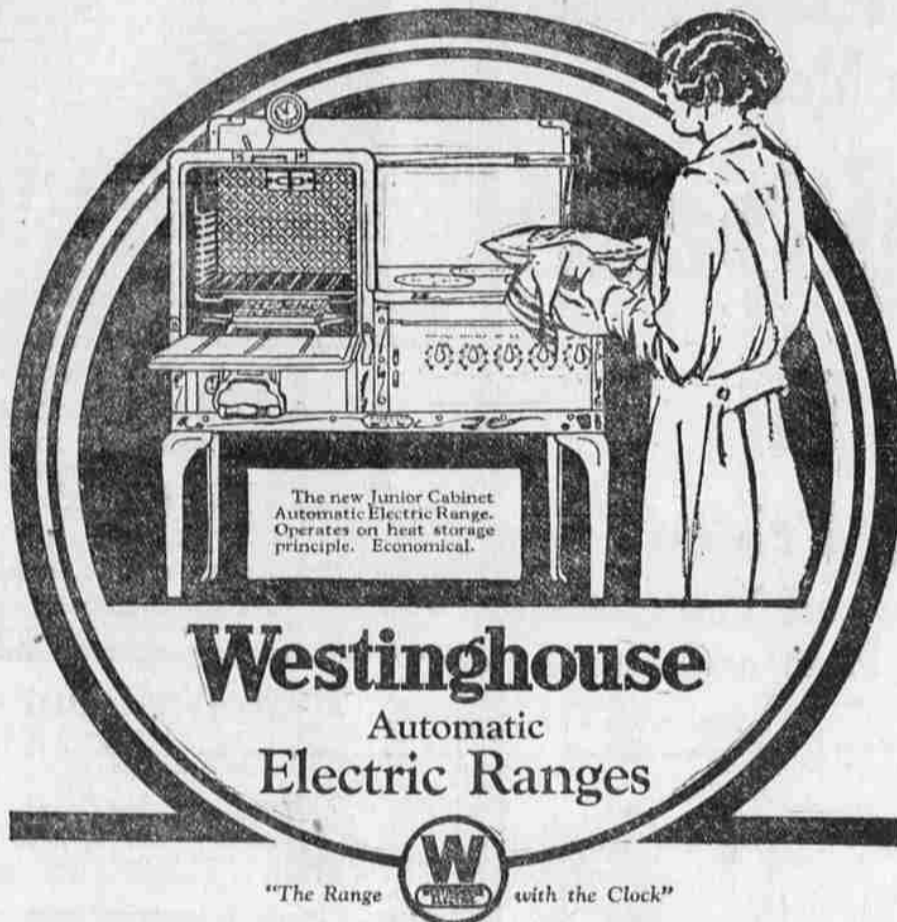

Secures this Westinghouse Automatic Junior cabinet range

**\$5.00**  
A MONTH

Pays for it.

Could you ask for more liberal terms?

Until July 31 Only.

Dinner cooked while you're away—neither overdone nor underdone! A big roast! Vegetables—done just right.

"Some cook!" folks remark when dinner is served, but the real secret is the Westinghouse

Electric Range—automatic in its operation, convenient to use, safe and sure in its result.

The Westinghouse Automatic Electric Range is an aid to health, comfort and happiness. Let us tell you the whole story.

Act Now!

Attend The Observer cooking school, starting July 7th., and see this wonderful range in operation.

Never such terms.

Never such an opportunity.

Release yourself from drudgery.

Don't be a slave to a stove.

A Westinghouse range for every purpose.

**FREE!** WITH EACH RANGE SOLD, AN \$8.75 WESTINGHOUSE AUTOMATIC IRON **FREE!**  
The Iron With The Click

1. A Westinghouse Automatic Electric Range is the only Range that produces automatically the best results.
2. It is a great saver of Time.
3. It is clean—no dirt, soot or fumes.
4. It is healthy—no obnoxious fumes to contaminate the air.
5. It is accurate—no fear of over-cooked or under-cooked foods.
6. It is easy to operate—once the time is set there is no further operation.

7. Ovens are enamel, have rounded corners, making it easy to wash.
8. Hot spots are avoided—even distribution of heat is a great advantage.
9. No wasted energy—cooking is completed by stored heat.
10. It saves—where a five-pound roast is required with a fuel range, a four-pound roast is ample with an electric.
