

THE KITCHEN OF YOUR DREAMS

Is A Kitchen In Which There Is A Westinghouse Automatic Electric Range

La Grande Housewives are quick to take advantage of our Sensational Offer of \$1.00 down and only \$5.00 per month to place one of the famous new Westinghouse Junior Cabinet Automatic Electric Ranges in their kitchens.

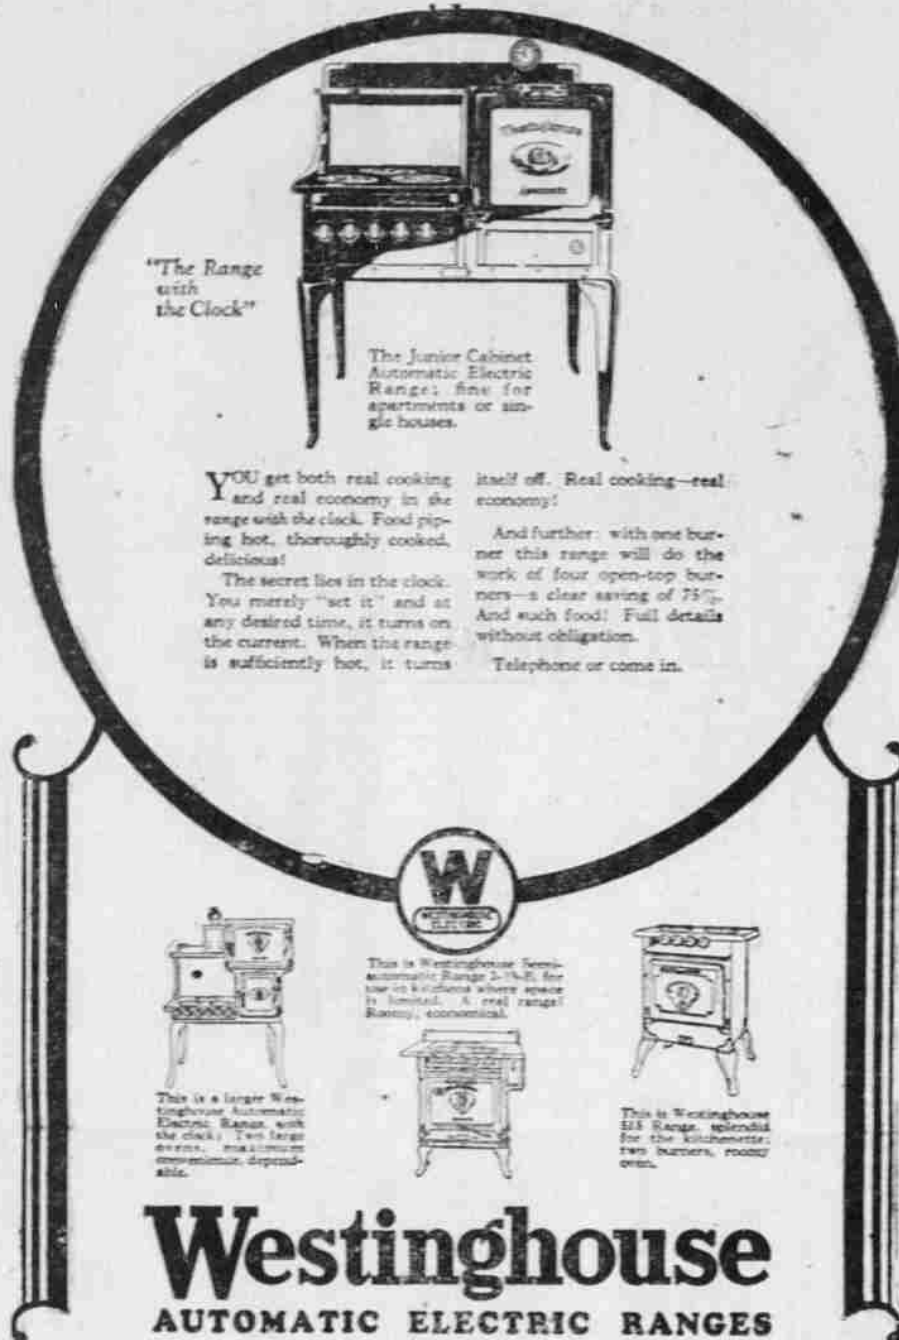

Orders are coming in faster each day. When you think that with each range purchased this month we are giving one of the famous new Automatic Electric Irons (the iron with the click)—you cannot afford to pass this opportunity.

The display room at The Observer Cooking School will be open at all hours for you to secure all information and see the ranges in actual operation.

This company stands squarely behind these established ranges and our service department as well as our demonstrators are always ready to answer your call.

Don't fail to see these ranges demonstrated at The Observer Cooking School for the last time tomorrow. Electric Cookery—the Westinghouse Way—holds much for you.

ACT TODAY and have your kitchen cool, convenient and clean. The range is the heart of the home.
