HEN RAISERS TO MEET SOON

OREGON AGRICULTURAL COLLEGE, Corvallis (Special)
The third annual convention of Oregon poultrymen will be held at the state college July 22 to 24. Speakers considered authorities in their field, will be present to discuss questions of interest to the poultrymen. Governor Walter M. Pierce will address the convention Wednesday, on "Oregon's Agricultural Outlook," while W. A. Lippincott, professor of poultry husbandry at the University of California, will discuss "Principles of Poultry Breeding."

The poultry department at the college maintains two farms. The home farm is located on the campus and is used for student practice work and demonstrations. The south farm, used for experimental station breeding work, is located south of the home plant. Demonstrations will be given at both plants during the convention. Delegates who attended the convention last year find it of great importance to be present. One poultryman writes that the information gained last year saved him \$500. Many poultry keepers look upon the convention as a vacation—three days filled with information of great value.

In addition to the regular program of lectures and demonstrations, recreational features have been planned. Among the social features will be a "get acquainted" hour at supper from 5 to 7:30 o'clock. Baseball, barnyard golf, and picnic lunches will offer recreation to vary the program. Meals will also be served at the cafeteria in Waldo hall.

Other speakers will be H. E. Conly, extension specialist in poultry husbandry at the college; H. S. Durlee, president of the Pacific Poultry Producers' association; F. E. Fox, associate professor of poultry husbandry at the college; G. H. Hyslop, professor of farm crops; James T. Jardine, director of the experiment station; W. T. Johnson, poultry pathologist of the experiment station; F. L. Knowlton, poultry husbandry; E. T. Reed, college editor; and H. A. Scholtz, assistant agronomist of the United States department of agriculture.

AUTO CRUSHES WOMAN

THE DALLAS, Ore.—Crushed under an overturned automobile 25 miles west of Pendleton, Mrs. John Tiggs of Cincinnati was brought to The Dalles hospital suffering from internal injuries. A small daughter of Mrs. Tiggs narrowly escaped severe burns when the machine, driven by her father, rolled over the embankment and started to burn. The flames seized the child's hair but were extinguished before further harm was done.

The accident was inexplicable, said Tiggs.

Romania Expects Wheat Surplus

BUCHAREST, (AP)—A decrease of 3,000,000 acres of grain-sown land in Romania in the present year is shown by government statistics. Despite the drought, the decreased sowing, the crops conditions are reported as excellent, the weather throughout May having been exceptionally favorable.

Agricultural experts are predicting that the 1925 wheat crop will leave a large exportable surplus.

IMBLER FRUIT PICKERS BUSY

IMBLER, Oregon (Special)—The past week has been a busy one in Imbler. Everybody has been picking cherries or having them picked. The crop was very light in this part of the valley. Bing, Lamberts and Royal Anas are selling at seven and eight cents a pound. W. B. Rollins made \$108.10 from six trees, which is very good considering the light crop. The first cutting of hay is over and prospects are good for an extra fine crop in second cutting. Fall wheat is coming on very fast and looks fine, but the hot weather is hurting the spring grain and a rain would help it very much. The apple crop will be a bumper with some Jonathan, Gano and Jonathans taking the lead.

A dog and pony show visited Imbler Tuesday and Wednesday. Some very clever work was done by the dogs. If one has any doubt as to the population of a city, just bring on a dog show and all forms of race suicide will be dispelled.

A dance will be given at the Masonic Hall in Sunnyside, Friday, July 17th. Good music and a good time is promised to those who attend.

Mr. and Mrs. Loyal L. Stringham and Miss Anna Mae Warren left Thursday morning for Astoria. Mr. and Mrs. Stringham will make their home there and Miss Warren will be joined by three girl companions and will motor to Harbor, Arizona. Mr. and Mrs. Stringham have lived here a number of years, Mr. Stringham being Cashier of the State Bank of Imbler, before accepting a position in Astoria, and they will be greatly missed in the community.

Two new cars made their appearance in Imbler, Irvin Westenshore has a Chrysler and Fred Nesbitt a Ford.

Mrs. William Wagoner has been ill for the past week and is still feeling very badly.

Mrs. Kate Conklin of Nyma left for her home this week after an extended visit with friends and relatives in the valley.

The Bible Study Class met at the home of Mrs. C. W. McFall, Tuesday evening. The leader being absent several instructive talks were given by Mrs. P. M. McTay and Mrs. E. L. Barris. The subject for next week will be on the topic "Love thy neighbor as thyself."

Mr. and Mrs. Fillmore of La Grande were entertained over the week end by Mrs. Ella Walker.

W. B. Rollins was severely bruised Monday when he fell from a cherry tree. He is just able to walk around and receive the sympathy of his friends.

Mr. and Mrs. Waddell and family were guests of Mr. and Mrs. A. Page last Sunday. They came from Wallawa.

Mrs. J. H. Standley, Mrs. Louis Standley and Mrs. Lizzy McAllister visited with Mrs. Ella Long on Wednesday.

C. W. Fisher left Wednesday for a vacation trip to Big Sheep Creek. He expects to be gone a week. J. J. Wagoner will carry the mail during Mr. Fisher's absence.

Lawrence Fillmore is spending his holidays with Mrs. Ella Walker. Mrs. Everett Krown is also spending the week with Mrs. Walker.

Mrs. Claude Hale has been ill this past week and is not much improved at the present time.

Mr. and Mrs. W. Farthing and Betty are guests of Dick and Lee Smith of Imbler City this week.

Cambridge Restricts Use Of Automobiles by Students
CAMBRIDGE, (AP)—Stringent regulations have been adopted by the university authorities to prevent motoring by undergraduates during the morning because of the noise disturbs lectures. A ban has also been put on night "joy-riding."

Regulations adopted by the senate, to become effective in October, prohibited the use of motorcars by undergraduates during their first term of residence; the use of all motor vehicles by any students before noon, and the use of motor vehicles after 8:20 p. m. in winter and 10 p. m. in summer months.

Values Bottle At Thousand Dollars

Way Kentucky Man Feels About Dr. Thacher's Liver and Blood Syrup After Being Relieved of Stomach Trouble and Rheumatism.

Interest in Dr. Thacher's Liver and Blood Syrup is intense here since the announcement that this valuable prescription is now being distributed to the public, and statements from all parts of the country made by people who have actually taken the medicine and been benefited prove that the preparation is indeed a blessing to mankind.

Among those who testified to its power in the relief of indigestion, stomach troubles, constipation and rheumatism is L. J. Hafford, of Chandler Place, Somerset, Ky., who says:

"I wouldn't take a thousand dollars for the good Dr. Thacher's Liver and Blood Syrup did me. It's simply amazing."

"Why, before I took this prescription I was about as miserable a person as you ever saw. My stomach was all out of order and my food would sour and bloat me up with gas until I could hardly stand it."

"I had no appetite and didn't think what little I did eat, and I fell off in weight considerably. Sometimes my head would throb, and I would have spells of dizziness that were so bad I couldn't hardly stand up. But my worst trouble was rheumatism in my legs, and they would ache and hurt so at times that I just couldn't walk a step."

"I was badly constipated and I would get so nervous at times that any little thing would terrify me and get me all wrought up till I hardly knew what I was doing."

"Finally I was persuaded to try Dr. Thacher's Liver and Blood Syrup and I never heard of anything doing anybody up like this medicine did. It put me in mighty fine shape. I felt you, and all my troubles just seemed to disappear. There's no doubt in my mind that this prescription is the best thing for troubles like I had that was ever made."

"Such statements as this are convincing and there is no doubt but that Dr. Thacher's Liver and Blood Syrup and the benefits it is bringing to local people will soon be the talk of the town."

All good druggists are supplying Dr. Thacher's Liver and Blood Syrup to the public with the distinct understanding that if it doesn't bring relief the purchase price will be returned. This guarantee is in keeping with instructions issued by the Thacher Laboratories. For sale by L. & L. Drug Co., and other leading druggists.—Adv.

CALL FOR BIDS—SEWER IMPROVEMENT

Sealed bids will be received by the Commission of the City of La Grande, Oregon, for the construction of the improvement in Sewer Improvement District Number 1-11, within the city of La Grande, Oregon, according to the plans and specifications of the said sewer improvement districts now on file in the office of the City Recorder of said city. A deposit of \$5.00 will be required for set of plans and specifications, which amount will be refunded if bidder be unsuccessful and returns same to this office.

Bids will be received to the hour of seven-thirty p. m. July 22, 1925, at the commission room in the city building at La Grande, Oregon, and must be accompanied by a certified check in the sum of ten percent of the amount bid as a guarantee of the acceptance and completion of contract if awarded.

Checks will be returned to unsuccessful bidders.

The commission reserves the right to reject any and all bids.

By order of the commission
J. E. STEARNS
Recorder of the City of La Grande, Oregon. July 16-1925

German Emigration Decreases

BERLIN (AP)—Though German emigration during 1924 decreased from the 1923 figure the total is still much larger than the previous period. Last year 55,057 Germans emigrated; 115,000 in 1922, while the yearly average was 25,000, according to the German Statistical Bureau.
