

NEWS of SOCIETY

Honoring her house guest, Mrs. Lesley Kahlbitt, of Logan, Utah, Mrs. Elmer Stoddard entertained the members of the club with an attractively appointed bridge luncheon yesterday afternoon at the Country Club. Beautiful flowers of the season were used in decorating the club rooms and the luncheon table and at one o'clock an excellent luncheon was served.

During the afternoon's play at bridge, Mrs. F. J. Halsey won high score and the second prize went to Mrs. H. B. Colburn.

Mrs. George Richardson and Mrs. Theo Harbo entertained last evening with a delightful party honoring Mrs. Clyde Wobb. Entertainment guests were present and the evening was spent socially, after which dainty refreshments were served.

Arrangements have been made for a series of dances to be given through the month of August by the Junior Country Club committee. The first dance will take place Monday, August 3, from 8:30 until 11:30 o'clock. The Star Novelty orchestra will play.

The members of the committee in charge of this dance are: Mr. and Mrs. A. J. Stange, chairman; Mr. and Mrs. H. N. Abby, Mr. and Mrs. Guy Ellis, Mr. and Mrs. Fred Meyer, Mr. and Mrs. Howard G. Olson and Warren Gilbert.

Season cards have been issued to the members of the club and their guests.

COVE (Special)—Mrs. E. S. Morris entertained a number of friends at her home in Lower Cove last Sunday, honoring Mr. Morris' birthday anniversary. The time was spent socially, after which a picnic dinner was served.

Those present were: Mr. and Mrs. E. R. Morris, Mrs. Walter Pratt, Mrs. G. Howell, Mr. and Mrs. Clyde Myers and family, Mr. Imbler, Mr. and Mrs. Neil Knight and Mr. and Mrs. E. S. Morris and family.

LADD CANYON (Special)—Mrs. Mary I. Connell was hostess to the Get-Together club Thursday. About twenty members and four visitors were present. After the business meeting the afternoon was spent socially and dainty refreshments were served.

The club will meet in two weeks with Mrs. D. Motol.

Many Materials

The newest hats are not all made of one material, but of sections of different colors and fabrics, and they are very pleasant to look at. On this hat, carried out in all black, there is to be found black satin, black velvet and black moire.

Announcements

Social announcements may be printed in this column free of charge. Any announcements pertaining to any functions such as cooked food sales, etc., will be refused. Announcements to be printed the same day, must be in society editor's hands by 9:00 o'clock. — News editor's note.

The Sunday school of the Christian church will hold its annual picnic Friday afternoon at the Riverside Park. Conveyance will be furnished for those who have no way of going if they come to the church at one o'clock. Ice cream will be served.

Sister Mary Says:

Breakfast—Grape fruit, codfish balls, cornmeal muffin, milk, coffee.

Luncheon—Cream of carrot soup, toast sticks, lettuce on hard-cooked egg sandwiches, raspberry cream, deep cookies, milk, tea.

Dinner—Breast of lamb, baked potatoes, pineapple salad, lemon sponge pie, whole wheat bread, milk, coffee.

The cheaper cuts of lamb are quite as nourishing as the expensive chops and leg, but require some time and thought on the part of the cook to make them interesting.

Breast of Lamb
Two pounds of lamb, 1-2 pound bacon, 2 pounds green peas, 1 teaspoon salt, 1-3 teaspoon pepper.

Remove skin from meat. Cover with boiling water and simmer 10 minutes. Line a casserole with thin slices of bacon. Add meat, season with salt and pepper and minced onion. Cover with bacon, lamb stock, 1-2 cups of the soup. Cover closely and cook in a moderate oven for 1 hour. Add peas and cook one-half hour longer. If more water is needed, add it when putting in the peas. Serve in the casserole.

This is an excellent dish for the fireless cooker on a hot day. Potatoes can be cooked with the meat and peas, making one dish of the meat and vegetables for the dinner.

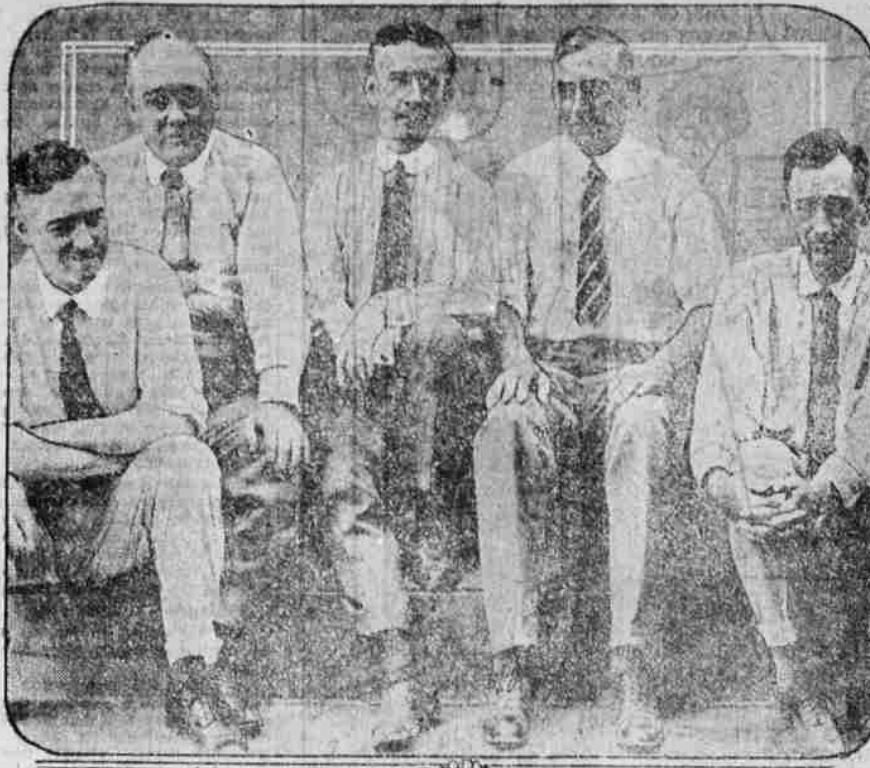

CRAB HOLE TIPS AUTO
CANNON BEACH, Ore.—William Pice of Astoria was seriously hurt when the automobile in which he and Walter Stomp of Portland were riding on the beach struck a small crab hole and turned completely over.

Mr. Pice was pinned beneath the automobile and was extricated by passing motorists, who immediately took him to the doctor's office in Cannon Beach where he was treated for severe injuries on the head and hand and possibly a fractured collar bone. Later he was taken to his home in Astoria.

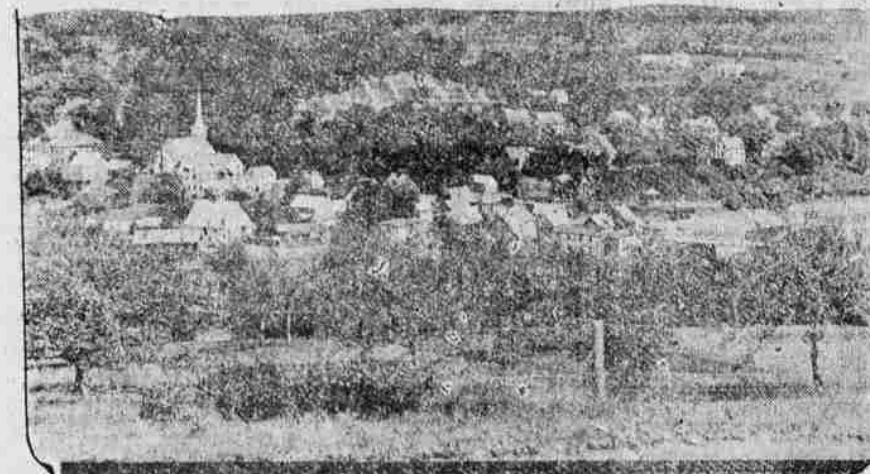

Mr. Stomp received minor injuries.

A "palindrome" is a word, phrase or sentence which reads the same either forward or backward or forward. Here is a remarkable one in Latin SATO ARREFO TENET OPERA ROTAS. The initial letters unite to form the first word, the second letters form the second word, and so on to the end. The same is true when the words are read backward.

PENNINGTON, Ore.—In the minority report of the investigation made recently by the mayor and two members of the city council of the activities of the police force, issued by Councilman McAttee, the opinion was expressed that Councilman Johnson, chairman of the police committee, and Chief of Police Taylor, were fully justified in ousting J. H. Stanley, policeman.

The ousting of Stanley resulted in his request for an investigation to determine why he was fired. Both the majority and minority reports agreed that the reason disclosed was that Stanley had acted repeatedly that his hands were tied by higher ups in his efforts to enforce the law. His statements were found to be unsubstantiated.

J. W. Snyder, Canby, Found Dead.

CANBY, Ore.—J. W. Snyder, for many years identified with the shoe business in Canby, was found dead in his yard. He had been working in the garden and when he did not return at the usual time, Mrs. Snyder went in search of his house. Heart disease was said to have caused his death.

Do your feet get on your nerves?

Hot weather breeds foot troubles—corns hurt, bunions ache, arches feel like Old Man Rhinoceros. You can't make your feet too comfortable. Get your feet into a pair of Arch-Aid Shoes—they mesmerize trouble and make your feet feel like new. They work with the feet; the arch adds to the comfort of the foot and distributes the weight equally where it is needed.
