Sister Mary Says:

Breakfast—Chilled cantaloupe, rolled oats with dates, crisp whole wheat toast with coffee.

Luncheon—Twice laid, steamed scallops, salad, brown bread, baked apples, milk, tea.

Dinner—Cold sliced roast beef, scalloped potatoes, head lettuce salad, creamed lima beans, local watermelon, corn, whole wheat bread, cake, milk, coffee.

It is far wiser to deny a four-year-old child melons than to take the risk of them disagreeing with him. The juice of a watermelon is nothing but sweet water but the texture of the melon is rather coarse and difficult to digest. Cantaloupe are worse than watermelon and should not appear in the diet of a child under six or eight years of age.

Twice Laid

Two cups cold potatoes, 1 cup cold broiled fish, 1 teaspoon minced onion, 1 tablespoon minced parsley, salt and pepper, 2 tablespoons butter.

Mash potatoes carefully with a fork. Remove skin and bones from fish. Combine potatoes and fish and add seasonings. Melt butter in frying pan. When hot add potato mixture. Pack with a large spoon cover and put over a low fire. When hot through remove cover and brown on underside. Fold like an omelet and serve at once.

SALEM ELECTION URGED

SALEM, Ore.—The city council at its next meeting will consider an ordinance providing for a special election October 20 to vote a special tax to appraise the property of the Salem Water, Light & Power company, and investigate the proposal to obtain a municipal water supply from the mountain districts.

The bill also would contain a measure authorizing the issuance of bonds in the amount of \$30,000 to purchase two additional pumps for the fire department, and levying taxes for street repairs and the bridge building program.

Girl Gained 7 Pounds Nine Years an Invalid

That's just what McCoy's Cod Liver Oil Compound Tablets did for the Babcock girl—and is doing so much for tens of thousands of thin, underweight, weak and discouraged people all over America.

These sugar coated, pleasant to take tablets should be given to children instead of the vile stomach upsetting oil itself—they surely do help the frail, delicate little ones and so tablets cost but 60 cents at Red Cross Drug Store, Grand Street, 1. & E. Drug Co., or any real druggist anywhere in America.

Read this letter if you have a child that needs to gain health and strength.

"My little girl was stricken with infantile paralysis when she was 3 months old and was an invalid for 9 years—when I saw an ad in the paper that McCoy's Cod Liver Oil Compound Tablets would build up wasted little ones, I bought a box and she gained very slowly at first and after taking eight boxes, she gained seven pounds. Thanks to McCoy's Cod Liver Oil Compound Tablets, after trying almost everything else on the market. She is on the road to recovery and goes to school every day." Mrs. L. Babcock, Appleton, Wis.

Imitations of McCoy's may be offered but be sure and ask for McCoy's, the original and genuine and if after thirty days' treatment you are not delighted with results—why, get your money back.—Adv.

CAMERAGRAMS

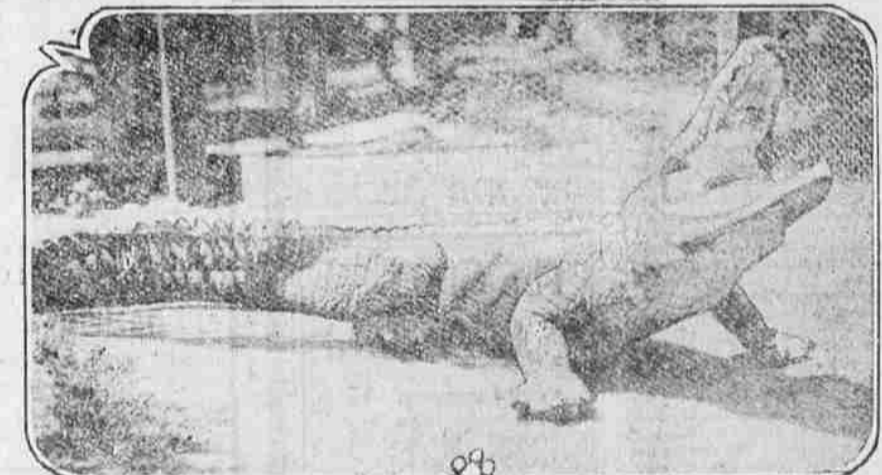

QUEEN MARY'S OWN particular style of hat and gown is shown by this picture. Unlike her son, the Prince of Wales, the queen does not seem to care about starting a fashion craze. Picture taken a few weeks ago at the opening of a \$5,000,000 road out of London.

FOR THE BENEFIT OF THE ARMY RELIEF SOCIETY IS Miss Janet Justice, daughter of Col. James Justice of Governor's Island doing this. It is a mid-air dance over an ancient cannon. One must admit that Miss Janet is a high jumper.

ELEVEN REASONS FOR VIOLATING THE LIQUOR LAWS. When Antonio Basile was arraigned in California for selling booze he could not afford a lawyer. So he brought his wife and ten children along to prove he had to sell liquor to make a living. In addition to the children here, Basile told the judge he had another daughter married, and nine children were dead.

MAYBE IT WAS REAL, and maybe it wasn't, yet Disabled Veterans of the World War enjoyed drinking out of an old time log when they met at Omaha, Neb., for their annual convention.

Island Owned by One Man Yields Silver And Lead AVALON, Santa Catalina Island, Cal. (AP)—Dropchery that this pleasure ground some day will be a silver and lead mining center has gained substantially with recent shipments to the mainland of high grade ore from Black Jack and other mines under development by William Wrigley, Jr., millionaire owner of the island.

A shipment of 67 tons of the silver ore had been recently shipped at from \$100 to \$147 a ton. It was brought down over a new road which runs from Mt. Black Jack four miles to the warf here. Work has been started on seven different prospects of which the Black Jack is the focal point. At the 350-foot level of this mine a rock body of ore was struck.
