

# FIRE SALE

## TO THE BUYING PUBLIC

**EVERY  
ARTICLE  
IN  
THE  
STORE  
MUST  
GO**

**ON** the night of August 1st., fire broke out on the main floor of our store room. It spread over the walls and ceiling due to their covering of several layers of paper but before great material damage was done the firemen had extinguished the flames. The shelving did not fall in nor did the ceiling fall. No chemicals whatever were used by the firefighters. The main damage was done by smoke and water and aside from this most articles in the store are as serviceable as ever. Our insurance has been adjusted --we are ready to go and we are going to sell at once everything in stock. Price is no consideration --we must make room for remodelling and for our complete new stock which will arrive in a few weeks. The Toggery has always carried a high grade line of Men's Furnishings, Shoes and Woolens. You will receive more than your money's worth this time.
