

TOMORROW!

At 10:01 A. M. The Doors Of The Toggery Will Open For One Big Slam-Bang Bargain Carnival

The interior of our store was scorched by flames on the night of August 1st. No chemicals were used. All damage was done by water and smoke. The insurance adjusters have been here --we are all set to go-- price is no consideration. Everything must be sold at once to make room for remodeling and for our complete new stock of Men's furnishings which will be here in a few weeks.
