Japan May Levy Tax on Aids
To Artificial Feminine Beauty

TOKYO, (AP)—Beauty of the kind that can be bought at drug stores may be levied upon by the department of finance for an annual tribute of some \$8,000,000 yen. This is provided for in a bill the department is drafting to present to the diet. The bill provides a 25 per cent tax on all the bottled, bagged, jarred and tubed cosmetics which decorate lady's dressing table and vanity herself. Not even hair dyes are to be excepted for soap made up fully half of the toilet articles sold in Japan.

Engine trouble forced out Ralph Mafford at the seven-mile point, while Leo Nicola and E. C. Laughlin also failed to finish because of broken crank cases. Seven of the 10 drivers finished.

Birthdays Easily Remembered
POINT TOWNSEND, Wash. (AP)—Mr. and Mrs. Charles Douglas Johnson of this city have no difficulty in remembering the birthdays of their three children. Bernice Marian, the eldest, was born May 6, 1920, and three years later Elizabeth Julia made her appearance on the same date. Little Olive Nona kept up the family regularity as to birthdays by arriving on May 6 this year.

Colorado Boy Sets Mountain Climb Mark
COLORADO SPRINGS, Colo. (AP)—Charles Myers of Colorado Springs Monday pitched his automobile from the foot of Pike's peak, king of the Rockies, to the clouds that hover on the summit a distance of 12 1/2 miles—in 17 minutes and 48 2/5 seconds.

Smashing all previous records in the annual climb of the towering peak, Myers, off to a fast start, flashed across the finish line more than a minute ahead of Glen Schultz, also a home town boy, and won possession of the Penning silver trophy and a cash prize of \$1500. Six thousand persons lining the slopes of the famous old mountain from the foot to its crest cheered him to victory. Schultz finishing second, made the distance in 18 minutes 52 4/5 seconds.

The previous record for the climb was established last year by Otto Leusch, who covered the distance in 18 minutes 33 seconds.

Third place in Monday's race was won by J. V. Plenderhatch, another entry from Colorado Springs, who apparently familiar with the weird twists and turns of the peak, dashed around them at high speed.

BEE SLUGGER STILL AT TOP

SAN FRANCISCO (By the Associated Press).—The passage of another week leaves "Lefty" O'Doul, Salt Lake outfielder, unshaken in his position of leading hitter in the Pacific Coast league. Although the line gardeners dropped five points margin against the Oaks during the past week's play, he still has an easy margin, unofficial figures giving him an average of .407.

Paul Waner of the Seals failed to climb over the 400 mark and still is averaging .399. Thraillet of the Seattle Indians holds third place with .388.

With an average of .249 Hober tops the batting list on the Portland team. "Hack" Miller, Oakland, is the leading batter on his team with .225. Wally Hood and Twombly are tied for high honors on the Angels squad with .234 each. M. Shea leads the Senators with .229, and Warner the Tigers with .217.

Tony Lazare, Bee shortstop, holds the limelight on the home run store, having garnered a total of 41. Brazil is second with 28 and Brower, San Francisco, third, with 25.

GRANGE PICNIC PLANNED

PRINEVILLE, Ore.—Complete arrangements for the big tri-county grange picnic to be held in the city park at Prineville have been completed by the executive committee, composed of the three masters of the three Cook county granges, co-operating as hosts to

the grangers of Crook, Deschutes and Jefferson counties. Speakers of the day will be Governor Walter M. Pierce and State Master of Grange George A. Painter of Hood River. J. C. Kenney of Cultus, district master of the grange, will have charge of the degree work. A short program will be held in the afternoon and a big dance is scheduled to follow the smoker at night. The Powell Grange orchestra and Sage-

brush harmonizers of Prineville have been retained for the occasion.

"Ten Commandments" Now Being Shown At the Arcade

Some books are read, and then thrown away. Some pictures are seen, and then forgotten. The life of an ordinary movie—the society drama or comedy, in about two years. "Classics of literature like "Herald" and Emerson's "Essays on Compensation" live throughout the generations and are read again and again. "The Ten Commandments" has a theme so great, a sweep so large, and a story so elaborate that it is one of the small group of films which will never die. As a film book can be read over and over again, so a picture like this can be looked at more than once without losing its flavor. Cecil B. DeMille's cinematopicture will be shown at the Arcade theater today at a popular scale of prices.

It was said that the young star, fully realizing the difficult task confronting him to make his characterization in "The Red Lily" different from the stereotyped Apache of movie tradition, undertook to study at first hand the Apache environment of Paris and the characters who peopled it.

Harvesting operations have progressed very satisfactorily in this section of the country during the past 10 days, no storms to speak of have interrupted, and the greater part of the fall grain in the higher sections has been threshed. Practically all farmers in the hills, using combines, have finished their cutting, with the exception of a few fields of late spring grain. A number of threshing outfits have been busy threshing out the crops in the valley section during the past week. Roy Gustin who has been threshing in the hills during the past three weeks expects to finish there in a short time, and move to the valley also.

H. R. Shintaffer finished harvesting a large acreage of winter and spring wheat on the J. H. Hain hill ranch recently. He has headed and thrashed together.

Last Showing of "The Red Lily" at Sherrys Tonight.

Hitherto unpublished information of an interesting nature regarding Ramon Novarro's performance in Fred Niblo's production of "The Red Lily" which is playing at the Sherry's theater, has been made public by a close friend of the popular Metro-Goldwyn-Mayer star.

Novarro's appearance in Rex Ingram's "The Vigil" was the subject of much discussion by critics who lauded the star's performance as the best "shells" role on the screen. Those who have seen "The Red Lily" in which Novarro has the role of a Paris Apache, have commented similarly that his characterization in this picture is different from any Apache role seen in pictures.

The reality of Novarro's performance is so impressive and so striking that studio executives persisted in all their experience no portrayal of this difficult nature had seemed to ring so true to life. It was then it was learned Mr. Novarro, while in Paris with the Rex Ingram company making interior scenes of "The Arab," had been a frequent visitor incognito of the Montmartre, the Apache quarter of the French metropolis.

It was said that the young star, fully realizing the difficult task confronting him to make his characterization in "The Red Lily" different from the stereotyped Apache of movie tradition, undertook to study at first hand the Apache environment of Paris and the characters who peopled it.

MOM'M POP

AND NOW THE TYE'S ARE PEEVED BECAUSE POP HAS CHARGED UP HALF OF THE COST OF A BROKEN SPRING TO THEM. NOT A WORD HAS BEEN EXCHANGED BETWEEN THE TWO FAMILIES FOR 24 HOURS

I DON'T CARE IF THE GUNNS NEVER SPEAK TO US-IT WASN'T MY FAULT THEY BROKE A SPRING IN THEIR CAR AND I'M NOT GOING TO HELP PAY FOR IT EITHER

I KNOW THEY'RE IMPOSING ON US BUT WHAT ARE WE GOING TO DO? WE'RE 200 MILES FROM HOME AND WITHOUT ENOUGH MONEY TO GET THERE-YOU CAN AT LEAST BE FRIENDLY TILL WE GET BACK.

FRIENDLY ME EYE! WE'RE NOT GOING TO BE UNDER ANY OBLIGATIONS TO THEM AS LONG AS OUR FEET HOLD OUT- WE'LL PACK UP OUR CLOTHES AND GET OUT OF HERE BEFORE THEY GET UP

YOU DON'T MEAN TO SAY YOU'RE GOING TO WALK BACK HOME?

I'M NOT GOING TO BE AN EASY MARK FOR THAT OLD PANHANDLER-HE BROUGHT US OUT HERE UNDER THE PRETENSE OF A PLEASURE TRIP AND THEN TRIES TO GET HIMSELF A NEW CAR, PIECE BY PIECE, AND HAVE ME PAY FOR HALF OF IT. HE SAID I OWE HIM \$517 BUT I KNOW HE'S GOT THOSE FIGURES PADDED OUT LIKE A SALESMAN'S EXPENSE ACCOUNT

BUT WE MIGHT HAVE LEFT A NOTE SAYING WE WERE LEAVING- AFTER ALL THEY WERE GOOD NEIGHBORS AND WE MIGHT WANT TO BORROW FROM THEM SOMETIME

WE CAN GET ALONG WITHOUT THEIR FRIENDSHIP AS LONG AS I OWE THEM MONEY
