BEAUTIFUL PICTURES

Within the past few months there have been a number of very attractive pictures published in the Factorial Review. These are beautiful when correctly framed. "The First Snow," "The Cottage by the Sea" and "Pais" are all good subjects. Richardson, "The Art Man," has just received a lot of new frames especially suitable for the framing of these subjects. Have them framed before they become torn and ruined. Take them to Richardson's Art & Gift Shop. 10-1-1t
