## Pretty Swindler

Limousines, diamonds, cash and clothes of prominent San Franciscans are said to have composed the loot of Mrs. Barbetta Hammell, beautiful proprietress of an exclusive shop who is missing. Detectives say she is one of the most skillful swindlers in the country. It is estimated that her various swindle schemes netted her \$100,000.

## Pearls Popular

Pearl rings are quite the rage these days—real pearls are preferred, but the majority are a manufactured imitation. This one has two large and one smaller pearl arranged in a cluster. The large pearls are pink and the small one is of gray.

## Sister Mary Says:

**BY SISTER MARY**  
Breakfast—Baked apples, cereal, thin cream, broiled bacon, stewed tomatoes with toast cubes, crisp whole wheat toast, milk, coffee.

Luncheon—Meat and vegetable pie, endive salad, graham bread, grapes, butter, scotch cookies, milk, tea.

Dinner—Beef broth with rice, broiled halibut steak, baked sweet potatoes, creamed cauliflower, peach souffle, rye bread, milk, coffee.

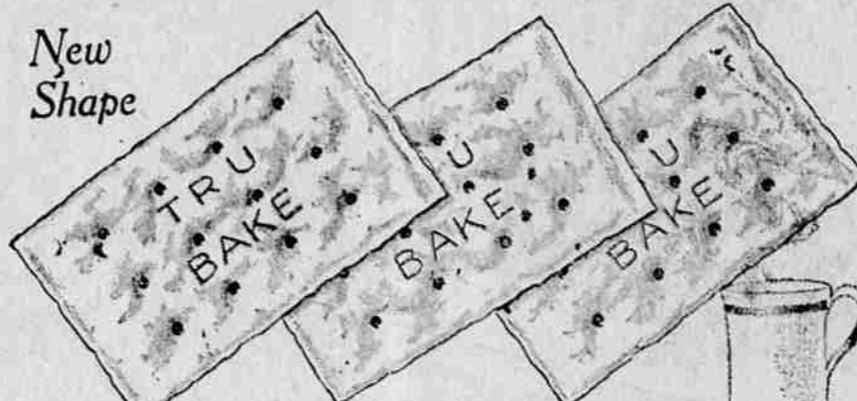

Cubes of crisp toast life a dish of stewed tomatoes from every-day fare to "company fixin'" and mean little extra work for the cook. Cut bread in slices not more than 3/4 of an inch thick. Then cut in strips just as wide as the bread is thick and cut the strips into squares. Dip quickly in and out of melted butter and put in a hot oven until a golden brown. The cubes will be deliciously crunchy with the tomatoes.

### Meat and Vegetable Pie

One cup coarsely chopped left-over lamb or beef, 16 tiny onions, 1 cup tomato pulp, 1 tablespoon flour, 1/2 teaspoon pepper, 1 tablespoon minced sweet green pepper, 1 cup flour for crust, 2 teaspoon baking powder, 1/2 teaspoon salt, 1 tablespoon butter, milk.  
Peel onions and cook in boiling water until tender but not broken. Simmer meat in water to cover until tender, drain and save broth. Put a layer of onions in to a well buttered baking dish. Sprinkle with flour and dot with bits of butter. Cover with a layer of meat. Cover with minced through a coarse sieve to remove seeds. Add most broth to tomato pulp with salt and pepper and pour in at one side of dish. Mix and sift flour, salt and baking powder. Rub in butter with a fork or tips of fingers. Cut in milk with a knife, using enough milk to make a soft dough. Pat or roll a well floured board, making the dough about 1/2 inch thick. Cut two gashes through the dough and cover meat with it. Bake twenty to twenty-five minutes in a hot oven and serve from baking dish.

EUGENE, Ore. — Fourteen sets of farm buildings on the new site of the Southern Pacific terminals adjoining Eugene have been sold by the Eugene Terminal company and some of them are now being moved off the tract. Under terms of the sale of the tract, the terminal company gets the buildings and is selling them for what it can get for them. One of the caterpillar tractors owned by the county and used in road work is being utilized to move some of the buildings.
