Oriental Dancing on "Flashes" Program

With a jazz orchestra that will literally stop a swift-moving show, "Flashes of the Great White Way" will be shown at the Baker theater at Baker October 10 and 11, K. L. Burk announces today.

Mlle. Charles of the troupe, who is a graduate of the Parision Folies Bergere and more recently one of the animated and decorative stars of Greenwich Village Follies, is credited with being among the foremost exponents of the oriental style of dancing. "As compared with graceful Dorothy Charles, the native Gilda Grey seems almost austere," Mr. Burk says, adding that many other exceptional features are in store for the play-loving public when the curtain rolls up on the "Flashes."

WOMAN HEADS RUSH.

PITTSBURG (By the Associated Press)—Ending a long vigil in the chilly night air, several thousand fans, headed by a woman, Mrs. Jack Lauck, Wellsburg, W. Va., swarmed into the unreserved bleachers at Forbes field today as the gates opened for the first world series game. They were a tired, sleepless lot, but hadn't lost any of their enthusiasm.

27 YEARS AGO

Eastern Oregon Observer, October 10, 1898—Mr. and Mrs. H. C. Neeley, of Cove, were in the city trading a few hours yesterday.

Mrs. G. M. Richey, who has been visiting her sister in St. Joe and the Omaha exposition, is expected home in a few days.

The La Grande hotel will now be lighted with electric lights. Mr. Peel, the proprietor, believes in keeping the hotel up to date in every particular.

The first killing frost of the season appeared on the morning of October 1, and the first skim of ice on exposed tubs and buckets was seen on the morning of the 6th.

Mrs. David Stewart left Wednesday for Portland to be treated for appendicitis. Mrs. C. H. Finn accompanied her and will remain until after the operation.

T. T. Geer and wife passed through La Grande en route to Omaha Wednesday. The governor-elect will endeavor to be back for the sugar beet celebration on the 15th.

We venture the assertion that more people in proportion to the population of the surrounding country ride into La Grande in carriages and buggies than in any other town in Oregon.

On October 15 the people of Union county will celebrate the completion of the sugar beet factory in Union county. This is the biggest thing located in the state and the people are going to have a rousing time to commemorate the event.

Born—In Elgin, September 24, to Mr. and Mrs. J. F. Sappington, a daughter.

Born—In this city, Wednesday, September 2s, to Mr. and Mrs. G. F. Smith, twin boys.

Born —in this city, Wednesday, October 5, to Mr. and Mrs. Ed. Moon, a son.

Mrs. Fred Kiddle, of Island City is visiting her parents in Jefferson, Iowa.

This is the season of big threshing runs. The largest we have heard of is 3000 bushels by J. E. Reynolds.

C. E. Golden, who is farming the Carr place harvested 8000 bushels from 160 acres, more than 50 bushels per acre.

The first carload of sugar beets came in on the Elgin train Tuesday. This is quite an item of interest but after a while it will take a tram load to cause any comment.

A dozen or more small buildings are now in course of construction in the northern portion of the city. A few are built with the intention of adding onto them in the spring.

Mr. and Mrs. Chas. D. Wilson have moved on to their 8-acre tract east of the city and are now improving it. They will soon have a nice fruit farm.

Attorney C. H. Finn returned yesterday from a trip to the Omaha exposition. He also visited his old home in Kansas.

Reports from all over the valley indicate a much better yield than was expected after an unusual but continued hot spell this summer. Threshers say the average is from 25 to 40 bushels to the acre and the quality good. Even at 45 cents per bushel, more than $100,000 will be received by our wheat growers for this season's crop.

A leading grower in the city stated last week in answer to an inquiry regarding the potato crop, remarked that the acreage was up to the average, the yield fair, but the potatoes small.

CLUB GIRDS FOR WINTER ACTIVITIES

(Continued from Page One.)

Mrs. Lawrence Dutton, Mrs. Zurbrick and Mrs. J. D. Lynch.

Mrs. Mossman's talk on the circulating library of art, which originated with the La Grande club under her direction, and the subscription of funds for the Doernbecher Children's hospital, were the sensations of the convention, the delegates declared. After Mrs. Mossman's speech was concluded, the conventioners gathered around her with questions and entreaties for advice until the La Grande members finally had to form a circle and rescue her from utter exhaustion, according to the reports.

Mrs. Dutton's report was more particularly of the biennial convention of the National Federation of Music Clubs, which met in Portland and which the Neighborhood delegation attended.

All musical programs of the club this year will be furnished by the Monday Musical department, Mrs. Dutton said, and will follow the suggestion of Mrs. John F. Sherman, president general, that study this year deal with the American home and America.

Mrs. H. H. Cleaver explained the new yearbooks which were distributed at the meeting and announced the plans of the art department.

To Entertain Teachers

Saturday afternoon, October 17, is the time set for the tea to entertain La Grande public school teachers, Mrs. F. L. Ralston heading the committee in charge. The place will be Honan hall, and all members of the club are invited to attend. Cards, a kensington and refreshments will compose the courtesy.

Mrs. Sadie Orr-Dunbar, president of the state federation, will be a guest of the club Saturday when she comes to La Grande to speak at the Christmas seal institute at the clubrooms. Mrs. Wayne Wade of Island City and Mrs. Evelyn Rosenbaum, La Grande, are the chairmen in charge.

Mrs. R. F. Murphy reported that the community service committee will have charge of the gardening program in March and one on "The City Beautiful" in April, as well as the direction of the national garden and home week.

Luncheons Planned

A series of luncheons to raise the scholarship and loan fund this year will be given by groups of club members under supervision of the committee, of which Mrs. J. T. Richardson is chairman.

Mrs. Lynch was named chairman of the committee that will arrange for club institutes as prescribed by the federation in convention at Marshfield.

After Mrs. R. E. Westenhaver had outlined the idea behind the formation of a new section of the club, to be called the Child Welfare department, the club voted to authorize the organization of the new unit. Mrs. Scranton then appointed Mrs. Westenhaver chairman, with Mmes. Ray Murphy, L. I. Busey, C. R. Seitz and John Theison to assist her in the formation of the department and a working program. A course in psychology is planned as the basis for study of the child problem, Mrs. Westenhaver told the club.

Girls of the high school chorus sang "Morning Invitation" by Eazie when the business session was concluded. Miss Isabelle Miller of the faculty directed the number, and Miss Myrtle Wilcox played the accompaniment.

MAIL ROUTE AWARD MADE TO VARNEY

(Continued from Page One.)

ney, aviator of San Francisco, is of great interest to La Grande citizens, inasmuch as Varney, a few days ago, intimated that La Grande might receive airmail service in the near future.

Varney was here for the express purpose of selecting an emergency landing field in the Grande Ronde valley and at the time expressed the belief that La Grande might be served on the Elko-Pasco route.

RUM RAID BASIS OF SUIT

KLAMATH FALLS, Ore.—Two suits charging malicious libel were filed in circuit court here against Ed Kendall, justice of the peace, and Lon Burke, deputy sheriff, by Vincent Zumr, blacksmith and farmer of Maelin.

The complaint alleges that Justice of the Peace Kendall unlawfully granted a liquor search warrant against the Zumr home and that Burke signed a false and malicious affidavit, based on hearsay, in order to procure the warrant.

The reputed liquor raid occurred September 19 last.

MURDER TRIAL DELAYED

DALLAS, Ore.—The first 12 men called into the jury box for the trial of R. Lloyd of Independence were passed by both the state and the defense for cause. More difficulty was experienced when the attorneys began exercising their peremptory challenges.

When the court adjourned for the day the state had excused but one man on peremptory challenge and the defense six. It is expected that the jury will be completed Tuesday forenoon and the taking of testimony started.

A remarkable feature of the trial is that none of more than 20 talesmen examined so far have stated that they were opposed to the death penalty for murder.
