PROTECTION

for the face and neck is necessary during the wintry weather, to prevent the roughness caused by cold winds.

ARBUTUS COMPLEXION CREAM

will keep the skin soft and pliable and if applied before going out, will not only afford full protection for the complexion, but is ideal as a base for Face Powder, because it will hold the powder and prevent it blowing away in the wind.

HOME-RUN WINS FOR PIRATES

(Continued from Page One.)

With the score tied at one-all, Aldridge and Coveleskie continued to mow down opposition. In the fifth the Senators touched Aldridge for two hits, but both Ruel and Peckinpaugh were forced out at the plate. The Pirates went hitless in their half.

In the sixth Cuyler singled but did not base, in the seventh Washington and Pittsburgh both went out, one-two-three.

Cuyler Breaks Up Game
In the eighth, after Washington had failed to score, Cuyler broke up the game by smashing a homer into the right field stands after two balls had been pitched to him. Moore, who made first on Peckinpaugh's error, scored ahead of Cuyler.

In the ninth Washington tried a rally but fell short. Harris, first up, was walked; McNeely taking his place at first, Meyer singled to left field and Peckinpaugh hit out to Coveleskie, who pitched batting for Coveleskie, was walked on four pitched balls. Rice grounded out, ending the second game, 3 to 2, for Pittsburgh.

PITTSBURG IS VICTOR, 3-2, TODAY

(Continued from Page One.)

CUYLER AND ALDRIDGE
(By the Associated Press)
Hazen S. (Kiki) or Cuy-Coy Cuyler has given the Pittsburgh Pirates much of the attacking power that finally, after 16 years brought them another National league pennant. In his third year of service with them he is leading the regulars in hitting with an average of .369. Last season he registered .354.

A man weighing about 180 pounds, he has exceptional speed on the bases and his throwing arm is mighty. On the defense he is known as a "ball hawk."

Vic Aldridge, big righthander, has been a successful pitcher throughout his major league career. In three years with the Chicago Cubs he won 47 games and lost 26. He had a trial in 1917 and 1918 with the same club, winning six and losing one in his first year and losing one in his second season before being sent to Los Angeles. Pittsburgh obtained him in the great trade of last November and his percentage of victories this year is .667. In the off season he is a school teacher.

PITTSBURG (By the Associated Press)—Overcast skies with the sun making a mallard attempt to break through the heavy wall of clouds marked weather conditions here for the second game of the world series.

Frosty temperature made overcoats comfortable. It was predicted that the skies would clear before game time.

The lineup today: Washington—Rice, cf; S. Harris, 2b; Goslin, 1b; Judge, 1b; J. Harris, rf; Bluege, 3b; Peckinpaugh, ss; Ruel, c; Coveleskie, p.

Another phone call from Coveleskie was 6500 feet of shipplap and 2000 feet of California siding. Teams are coming over.
